What We Offer

Weekend Warriors

Our programme of activities that take place each week, including art, sewing, jewellery making, lunches and active groups.

Daring for Development

This program is all about building skills that can be used throughout life and developing the unique talents of the individual.

The Upside

A pluralistic counselling service for individuals with additional needs to resolve personal and psychological problems.

Change Makers

We offer weekly meaningful volunteer roles for our members, bringing the community together.

Mini UpMakers

We support our clients to develop their talents into something more, a professional final piece or pieces that can be sold.

Serendipities Catering

We offer a unique catering service, providing a safe opportunity for individuals to build skills.
