

# VOLUNTEERS WANTED

## GET INVOLVED WITH UPPERTUNITY

We are always looking for members to volunteer to help us out! We're a busy little organisation with many different volunteering opportunities open to our members; any and all help is always welcomed no matter how big or small.

# UPCOMING OPPERTUNITIES

## Dial-Op Volunteer

On Monday, Tuesday and Thursday mornings, we run a service where our members will make phone calls to isolated elderly members of our community to check in on them and make sure they're doing fine. We are looking for more volunteers to help give this important service, improving the lives of some of society's most vulnerable members.

## Gardening Help

Here at Uppertunity we are lucky enough to have garden spaces, enabling us to grow our own ingredients for our kitchen and make the local bees happy. We're looking for some more volunteers to help us out in the upkeep of our garden spaces - from planting crops to watering them, there's always something needing done!

## Event Set Up / Clean Up

We're always busy arranging events here at Uppertunity, and we can always use an extra hand to help us with set up before the event, managing the event and the clean up afterwards! Our upcoming events calendar where we'll need assistance is as follows, please get in touch if you can lend a hand for any of them:

The Great Uppertunity Bake-Off (15/08/19) / Two's Company (12/09/19)

Uppertunity Open Day (25/10/19) / Yuletide Fair (24/11/19)

St Andrew's Party (30/11/19) / Christmas Party (19/12/19)

## Cooking / Baking

We've recently launched our newest service: our very own social cafe down on Union Street, Serendipities! We'll need volunteers to help out with baking and cooking goods to be sold in the cafe. All the baking will take place in the Change Makers Kitchen at The Circle, get in touch if you can lend a hand!

## Other Serendipities Help

We need volunteers for other roles relating to Serendipities - we need people to help out at the physical cafe itself. Everything from serving customers, to socialising with guests, to keeping the premises clean will need done, and every little bit of volunteering will help us out immensely!
