Community Benefit

By becoming a sponsor of Cinco de Mayo you will be helping students from the community have the opportunity to earn Academic Scholarships that will help them continue their education and academic skills. Cinco de Mayo Mission and Goals remain constant: to respond to the educational needs of the youth from the community by helping our local schools maintain the necessary academic tools to promote human dignity, increase employment potential, and facilitate their students to participate in the larger community.

In addition, Cinco de Mayo once again will be unlike any other event held in Chicago; we give our sponsors an opportunity to reach people from various ethnic and cultural backgrounds. We bring food vendors, famous musicians, and celebrities from all over Latin America. We are confident that as a sponsor you will have more marketing power reaching all Latin communities in the Chicago land area. In conjunction with our partners from local radio stations, television stations, and newspapers we will launch a massive promotion featuring our schedule of events and celebrities three weeks prior to the event. This promotion will reach all of the metropolitan area persuading Latin American Families to come and take advantage of everything our sponsors have prepared.

The Cinco de Mayo event is a perfect way to promote your product and business. Don't miss out on the limited sponsorship opportunities and become part of an event that each year breaks all ethnic barriers, **Cinco de Mayo**.
