

Elder Advocacy & Care
FOUNDATION
*Relentlessly Advocating for the
Care and Safety of Seniors*

Welcome to the Elder Advocacy & Care Foundation

We are a 501(c)(3) nonprofit organization dedicated to relentlessly advocating for the care, safety, and dignity of seniors.

Every day, aging adults and their families struggle to navigate complicated care systems, financial challenges, unsafe environments, or emotional burnout. We are here to change that.

Our foundation provides:

- Senior advocacy
- Education and workshops
- Resource navigation
- Caregiver support
- Safety programs
- Funding assistance for vulnerable seniors

We believe every senior deserves dignity, respect, and protection — regardless of income or circumstance. Through our advocacy, education, and community programs, we fight to ensure no senior faces aging alone.
