### LATEST NEWS...

✿ A very warm welcome to Juliet Kewin, who has joined the team as our Administrative assistant and Speech and Language Therapy assistant. Juliet will be with us on a Wednesday, Thursday, Friday term time only.

✿ The team continue to deliver speech and language provision as part of children's EHCP's across the borough's of Kent, Bexley and Bromley, as well as a full caseload of clients from our clinic base. We thank you for your continued support and we would like to let you know we enjoy working with you all.

### SUMMER ACTIVITIES

#### Beach Vocabulary Hunt

A day at the beach can be transformed into a fun vocabulary-building activity. Create a list of items to find, such as seashells, seaweed, and sandcastles. Children can practice labelling these items and use them in sentences. This activity enhances both vocabulary and sentence structure.

#### Picnic Conversations

Picnics offer a relaxed environment for children to practice conversational skills. Encourage children to talk about their favorite foods, what they enjoy about being outdoors, and any other picnic-related topics. This setting is ideal for working on turn-taking, staying on topic, and asking questions.

#### Water Play and Descriptions

Water play activities, such as playing with a sprinkler or at a water tray or washing up bowl, provide opportunities for language development. Encourage children to describe what they are doing, how the water feels, and what happens when they splash. This fosters descriptive language and sensory vocabulary.

### Summer Intensives

We will be running our popular School Riser Summer Intensive sessions, week beginning 28<sup>th</sup> July. If you are interested in your child attending, please email the team on [Info@thecommunicationworkshop.co.uk](mailto:Info@thecommunicationworkshop.co.uk) for more information
