## Summer Intensive Success

We welcomed our school riser children for our group sessions. They came every day for a week for an hour and half of fun activities all about 'starting school'.

We had fun with crafts, songs and group games.

Let us know if you are interested in Summer 2024

# Autumn...

...is a great time of year to use lots of language when out and about with your children.

Introduce new words/verbs/adjectives  
e.g. colours, textures, sounds.

Go on a nature walk and bring home leaves, seed heads, conkers etc and make a collage
