CANCELLATIONS (for full cancellation policy please see our terms and conditions)

Cancellations by The Communication Workshop:

In the event of The Communication Workshop Limited having to cancel an Initial Assessment or a session, we will either rebook this in liaison with the parent/carer or give a refund for the missed appointment.

Cancellations by parents/carers:

If you need to cancel an appointment, please call the clinic. If you need to cancel over a weekend, please email the clinic so that we receive the cancellation email on our teams return to the clinic at the start of the week.

In the event of cancellation of any appointments by the parent/carer the following charges will be incurred:

Initial Assessments

If appointments are cancelled with less than 24 hours notice, the appointment will be charged at full fee.

If appointments are cancelled with more than 24 hours notice, we will endeavour to rearrange the appointment on a mutually agreed date and time.

Individual Therapy blocks

If sessions are cancelled with less than 24 hours notice, the session will be charged at full fee.

If sessions are cancelled with more than 24 hours notice, we will endeavour to rearrange the session on a mutually agreed date and time. Sessions should be rescheduled within one month of the block end date, and rearrangement of any dates are at the discretion of the therapist.

Please note that once a therapy block has commenced, if the parent/carer cancels the remaining sessions in that block (for any reason), a £80.00 fee will be charged to cover administration costs and therapists time.

Group / Paired Therapy blocks

We ask that parents commit to a minimum of 4 sessions in a 6 week block, and inform us of any sessions they are unable to attend in advance of the block starting. As small group and paired sessions are offered at a reduced fee, sessions cannot be refunded or rescheduled once the block has started.

Child Illness

If a child arrives at the clinic unwell, or if a child becomes unwell during a session, the SLT or SLTA reserves the right to cancel/terminate a session with no refund or rescheduled session offered.
