

# *Alma Mater, Circa 1966*

Newer ones have it "...We will always as thy sons and daughters..."

Alma Mater, we salute thee  
Alma Mater school we love  
Make us worthy of thy lofty standards  
And thy noble teachings prove

Cheer for Nazareth, College of fame  
Chant her praises, great is her name  
Raise her colors  
Float them on high while singing  
Hail!  
To the College we love

Alma Mater home of wisdom  
Alma Mater shrine of truth  
We will always as thy loyal daughters  
Bless the mother of our youth

## *'66 Class Song*

(To the tune of "The Happy Wanderer")

We the class of sixty-six, with spirit fond and true  
March onward to great victory, in everything we do.

We're the class of sixty-six.  
We've got pep we've got spirit that will never die  
We will be on the top, in everything we do

Through the reception lines, and all our petty crimes  
Still we're the class of sixty-six, six, six.

Our alma mater she will be and so our best we'll give.  
She'll always be our second home  
As long as we shall live.

We're the class of 66  
We've got pep  
We've got spirit that will never die.  
You know who we are.  
We're the class of 66!
