President’s Message....

“A rich life comes from giving. Giving your cheerful spirit and your precious time to others. It’s the whole point of being alive.”

The holiday season is upon us and the year 2020 is nearly over. It’s been a tough year for most of us and yet we have received so very many unexpected gifts that have revealed themselves in so many different ways. Those gifts include lessons that we have learned that have reminded us of what matters most in life, adapting to the circumstances and discovering new ideas and new ways of doing things, deepening our relationships with more family dinners and more family movies, connecting with friends and finding more opportunities amid the various challenges.

But what will 2021 bring us? None of us know for sure, but Victor Frankl and Maya Angelou have both reminded us that regardless of the circumstances we have the ability to choose our attitude and outlook.

“No one who achieves success does so without the help of others. The wise and confident acknowledge this help with gratitude.”
—Alfred North Whitehead

I am truly grateful for all our members and new members who have been inspired to volunteer and come to help us improve our range and facilities. I am grateful for our range masters and their vision. I am grateful for our executive director who despite her challenges with cancer, keeps me on track and is always ready for the approaching months and events. I am grateful for our webmaster who maintains our web and keeps it updated at a moment’s notice. I am grateful for our legal advisor whose years of wisdom provides us with guidance and resolve. I am grateful for our board of directors whose commitment, vision and energy keep me

motivated and have propelled our association forward. I am grateful for all the renewed friendships and the new friendships we have developed with our community members who have supported us and continue to support us.

Over the past few months, I have seen more growth and unity in MCPOA than in many years. Thank you to all of our members for making this possible. We look forward to our new year to continue our mission and vision, and our range renewal/maintenance. As we

progress on this path, we plan on renewing fun competition shoots, and comprehensive competition shoots. We hope to host some classes and we plan on hosting social events along with our other annual events.

2020 has redefined many of us and how we operate. Likewise, 2021 will be an opportunity to redefine how MCPOA operates with many new opportunities to experience new ideas and events that we have not previously been able to do. We look forward to this opportunity to develop a renewed MCPOA and We embrace any suggestions you might have.

Thank you to all the members and supporters who have donated their free time and energy to our range maintenance and renewal project. Without you we could not have accomplished what we have so far.

May you be safe, be healthy and have peace. Have a Merry Christmas and a Happy New Years.

AUTHORIZED FIREARMS AND AMMUNITION

All firearms and ammunition are subject to inspection at the request of MCPOA range personnel to ensure they are safe to use, serviceable, and the proper type of caliber authorized to fire on the MCPOA range.

Range Safety Officers(s) are also responsible for ensuring all firearms and ammunition are within the guidelines established in this policy.

The following restrictions on firearms and ammunition apply to all users while on the MCPOA shooting range:

- Only factory loaded ammunition is permitted.
- Ammunition and firearms must be less than .50 caliber for pistol/rifle. Shotguns shall not exceed 12 gauge.
- NO fully automatic or burst fire is allowed, semi-automatic only.
- Armor piercing (AP) ammunition, incendiary ammunition, tracer ammunition, and black powder rifles are prohibited and not authorized.
- The use of flash bangs, chemical agents, incendiary devices, smoke and/or gas grenades or devices are not authorized.

MEMBER USE – NON-DEPARTMENTAL PRACTICE TIME

When there are more than 2 members shooting on the line, 1 person must be the designated Range Safety Officer (R.S.O.) per every 3 participants. The R.S.O. must sign in their name, date and time-in and time-out on the range log sheet provided on the clip board at the range office by the brass barrels
