

2025 Conservation Camps

"A Little Dirt Doesn't Hurt"

Come check out our nature camp this year and find out why "A Little Dirt Doesn't Hurt"! We will have a lot of fun while exploring the woods and creek.

Camp scholarships are available for those in need. For more information please call 814-726-1441 or stop in at 4000 Conewango Ave, Warren, PA 16365. If you need more camp applications they can be found at our website, www.wcconservation.net.

Summer Camps

*June 24-26, 2025 for children entering 7th-9th grades - Youth Conservation Camp (YCC)
July 7-8, 2025 for children entering 5th-6th grades - Children's Nature Camp (CNC III)
July 10-11, 2025 for children entering 3rd-4th grades - Children's Nature Camp (CNC II)
July 22-23, 2025 for children entering 1st-2nd grades - Children's Nature Camp (CNC I)
July 24, 2025 for children entering Kindergarten - Kindergarten Nature Camp (KNC)*

Application deadline for YCC is May 21st. Application deadline is June 16th for all KNC and CNC camps. (T-shirts are not ordered for late registrations.) Space in each camp is limited so applicant selection will be on a first come, first serve basis.

All Warren County Conservation District Summer Camps are designed to foster an appreciation for the outdoors as kids discover the uniqueness and importance of plants and animals in our local environment through hands-on lessons, crafts, stories, games, presentations and demonstrations. **Children must be potty trained to participate in any of our programs.**

Youth Conservation Camp (YCC) is a nine hour day camp running from **8am - 5pm** that focuses on the philosophy of Learning by Doing. The majority of the time is spent “in the field” where campers learn about trees and plants, soil, aquatics, ecology, wildlife, farming, and more. Representatives of the PA Fish and Boat Commission, the PA Game Commission, Department of Conservation and Natural Resources, the Kalbfus Club, and others along with the Warren County Conservation District present several programs. YCC is limited to 15 children in 7th - 9th grade for the 24/25 school year. Cost for YCC is \$60 per child.

Children's Nature Camp (CNC) is geared towards elementary school students from 1st-6th grades and is broken up into three age groups. CNC I includes children entering 1st and 2nd grade, CNC II is for children entering 3rd and 4th grade, and CNC III is for 5th and 6th graders for the 24/25 school year. CNC will be held from **8am - 3pm** at the pavilion of the Hatch Run Conservation Demonstration Area on Hatch Run Road; a quarter mile past Penn DOT's Driver's License Center. Each day, the campers will be introduced to new, memorable learning experiences through a variety of outdoor activities. Each CNC camp is limited to 25 kids. Cost for all CNC camps is \$40 per child.

Kindergarten Nature Camp (KNC) is for children going into Kindergarten this fall. The camp is based out of the pavilion at the Hatch Run Conservation Demonstration Area on Hatch Run Road; a quarter mile past PennDOT's Driver's License Center. The camp will be held from **9am - 2pm**. This is a fun filled camp learning about water, plants, animals, and soil. There will be crafts, games, and exploring in nature. This camp will be limited to 10 kids so act fast! Cost for KNC is \$20 per child.

Application Procedure: Complete the attached application with the parental consent form in addition to the Responsibility Clause, Photo Release Form, and Emergency Medical Information. Please use separate forms for each child attending. For additional camp applications call the Conservation District office, or visit our web site (www.wcconservation.net) to print any of the above listed forms. **Camp scholarships are available for those in need.** Enclose a check or money order made out to the Warren County Conservation District and mail all of the information to: **Warren County Conservation District, 4000 Conewango Avenue, Warren, PA 16365.** There are No Refunds for cancellations two weeks or less before camp starts.
