

Dear FirstEnergy Customer:

Thank you for inquiring about the Community Connections Program offered through FirstEnergy.

The Community Connections program is offered to both homeowners and tenants who are FirstEnergy customers and who meet the income guidelines.

Please fill out the application form and return it to **Neighborhood Conservation Services of Barberton (NCS) at 104 3<sup>rd</sup> Street NW, Suite 200, Barberton, OH 44203**. Please include **proof of income for everyone over 18** (3 check stubs, W2 or 1099's, an award letter for benefits from Social Security or department of human services, or other source) and a **copy of your electric bill**.

Our inspectors will monitor your refrigerator and freezer to determine energy efficiency. You may qualify for a replacement of your appliances. In addition, our inspector will replace your incandescent light bulbs with energy efficient light bulbs.

The goal of the Community Connections Program is to improve the energy efficiency of your home and to do this you must be willing to let us complete all measures required by your inspection.

If you are interested in pursuing this program, please complete the enclosed application and send to me along with your **proof of income** and a **copy of your recent electric bill**.

If you rent, complete the information on this page and page 2 and please have your landlord complete the homeowner sections on pages 3 & 4. If you are the homeowner, please complete all pages.
