CLOCK OF DESTINY

Knowledge of truth is mankind's highest attainment. "You shall know the truth and the truth will make you free." All evidence points toward the fact, that had the truth been taught, there would have been no need for that great statement to be recorded in literature,—especially the Bible.

I am aware of the fact that the category of Astrology, Global Georaphy, and the history of the Moorish Nation, will conflict with nine out of every ten persons of the United States of America; especially those often referred to as Negroes, ranging between 20 and 50 years of age, owing to Christian education. Therefore, I concede that the category of science mentioned will appeal to the youth of tomorrow, those who will approach the ages of 18 to 21 by 1954. The restoration of civilization relies upon the ability of this group during the next seven years of global, economic and social revolution.

The majority of those now ranging between 20 and 50 years of age have been too deeply instilled with emotional religious doctrines and distorted history which has been written by prejudiced (European-American) educators during the past 93 years. This group emotionally rely upon that which they have been taught to believe, facts and testimony are not the foundation of their faith—except in very rare cases. These people accept, without question, the beliefs of those among whom they are born and reared; and will disbelieve, even the evidences of their senses, rather than disband with the impractical emotional religious beliefs which have grown in them.

Persons who possess the applied knowledge of the science of Astrology always employ the terms such as : science, truth or facts: rather than the mystic magic terms employed in religious mystery; namely: "Allah" "God" "Jehovah" "Jesus" and "Christ." These five magic religious terms breed only false fear, mental confusion, conflicting opinions and secret haterd. Astrologers are aware of the fact that the fore-mentioned mystic magic phrases of emotional fear, employed in religious mystery, are laden with confusion, mental slavery, human hatred, jeal-

ousy, discrimination, human caste, economic and social degradation, human warfare, bloodshed, destruction and starvation.

Today religious worshipers have proven to the entire world that they had rather resort to emotional human hatred, and fight, suffer and die over the name of the mystical "God" and religion, than reasonably agree with simplified and applied truth—facts or science involving their economic and social stride as shown in the twelve signs of the ever-present Zodiac.

KEYNOTE OF WISDOM:

In order that you might readily understand the contents of this book, you are advised to momentarily lay aside all that which you have been taught to believe, except mathematics. And as a result you will be guided by common reason rather than by traditional emotional belief. I am aware of the fact that both (Moslem and Christ) teachers have a monopoly on mystic religious superstition, but not on mathematics,—the science of Geometry involving the 12 signs of the Zodiac,—the Universal Law,—Islam.

ASTROLOGY AND ASTRONOMY

The difference between Astrology and Astronomy is that Astrology treats of human characteristics, talent, action and reaction, sociology, economics and global geography or space and time.

Astronomy is the Priest, Pope, Bishop, Rabbi, Preacher, Duke, Dutchess, Queens, King and Anglo-Saxon Lord's code of the Christian World, of whom propagates the myth culture of heaven in the sky, and hell below, after death.

The Christian Astronomers are the star-gazers who go to "heaven" by way of an expensive telescope and promulgate that which they imagine live on the planets: Mars, Saturn, Pluto, Jupiter, Moon and Venus. Such philosophy definitely cannot help solve our economic and social problems. The real Moon and Sun are under our feet, namely: (Earth). The powers of the Moon and Sun dwell in woman. Now you can draw your own conclusion as to why Astrology and Astronomy conflict. Astrology erases all beliefs and opinions of superstition, confusion, religious mystery, false fear, and idol or image worship. Astrology has always involved this universal simple fact; namely:

woman and grown sons, in the course of one second, can observe the Moon, Sun, Stars, Earth and themselves without employing a telescope. Therefore, woman and grown sons comprise the supreme manifestation of the whole of creation—space and time—which need no doctrine of religious mystery, fear and superstition, to influence them to employ that which is right. Because the science of Astrology—woman, Sons, Earth, water, air, heat and food constitute the great force of creation; often referred to in science as: electro-magnet, current, and voltage or Atomic energy.

Remember, the human body and mind and earth contain all elements of nature. We are what we eat, drink, inhale and exhale. Therefore, all energy generates from our stomach, mind and earth. We the human family, are the only supreme moving planets or heavenly bodies. Objects do not come to us; we go to all objects by way of walking, riding flying, sailing, observation, mathematics, vibration of sound and signal.

Our code of facts, perfection, and the guidance of practical wisdom comprise (0 1 2 3 4 5 6 7 8 9 0)—(3, 6, 9, 12)—the universal standard rule of measurement and the letters of the alphabet.

Astrology is the code of the (Moorish Nation)—our forefathers, of this Hemisphere, who founded the universal order of (Islam) One Thousand Three Hundred and Sixty-seven years ago; and re-educated the confused human family; thereby establishing the greatest civilization that the world has ever known—the civilization in which we now live.

(0 1 2 3 4 5 6 7 8 9 0)—(3, 6, 9, and 12 the 60 seconds of the minute, 60 minutes of the hour, and also the letters of the Arabic alphabet, all of which comprise the culture of the Moors)—our forefathers of the Moslem World who are often referred to in Christian literature as Mohammedans or heathens.

THE CODE OF THE ROMAN CROSS ORDER

(I, II, III, IV, V, VI, VII, VIII, IX, X) and the Latin or Spanish language comprise the Christian code of which was born out of our: (Moorish) forefathers's code, in South America (Patagonia)—known today as Argentina, the original region of the new masses of humanity who possesses ruddy or red, pale skin with greenish-blue eyes and long blond hair.

Argentina, Brazil, Peru, Columbia and Venezuela, all of which comprise the spring-board of the Roman Nation of many

different races, castes and color guided by dogmas. Dogmas is a Latin phrase, which defines as: false doctrine.

ROME AND KHAN:

The term Rome, implies the people who conquer by intrigue, force and violence and enslave the human mind through false doctrine of religious mystery and image, or idol, worship of various mystical God phrases, most common of which are: "Jehovah God, Christ or Buddha." Let us remember, that these United States of North America, comprise every so-called race of the "lily white" family.

The term Khan, implies the people who control the Board of Real Estate, Commerce, Production and Distribution of the Order of Roman colonization, which manifested with—(Wall Street) in Amsterdam or New York, U. S. A., and Java, East India. Both of which are the headquarters of the Nobles, Dukes, Lords and the Dutchesses of Rome and Khan—the jury over the wealth and culture of the (Moorish or Asiatic) Nation—our forefathers who were defeated by the Roman conquerers, after having undergone some 364 years intermittent conflict from Patagonia to Alaska, Canada and Greenland. Having been defeated by the Roman tribes of South America, they submitted themselves to Roman slavery under names such as: Negro and Indian, which resulted in the loss of their (birthright) in 1774 Christian calendar year, which is equivalent to 1194 Moorish calendar year. 1453 - 1492 Christian calendar year, is equivalent to 873 - 912 Moorish calendar year.

The Roman conquerers added 580 years to the Moorish calendar. 1795 Christian calendar year is equivalent to 1215 Moorish calendar year: 1865 Christian calendar year is equivalent to 1285 Moorish calendar year: 1946 (Ccy) is equivalent to 1366 (Mcy). (1946 and 1366 have cleared up the mystery of the (666). New York is the Empire State of the Order of Rome and Khan,—the "lily white" people of the world. Have you ever stop to think that among the Asiatics of the U. S. A., referred to as Negroes, there can be had a similarity of every so-called race of the entire world?

THE LAND OF THE MOORS THE CREST OF ASIA

Peru, Mexico, (Isabella or Cuba), U. S. A., Canada and Alaska, all of which comprise the land of the cultured Moors

the descendants from the ancient Moabite Nation,—the fathers of civilization who inhabited this Hemisphere. Thus, the U. S. A., Alaska and Canada lie in the geographical region of the (Crest of Asia) often referred to as: The "Temple of the Moon and Sun," of which scientifically imply the greatest inclination of the Earth's axis to the Sun, during the months of June, July and August, in the Northern Hemisphere. What our forefathers were before this land of ours namely: (Amexem) was named North, Central and South America, we are that today; without a doubt of contradiction, namely: (Moor). The name (Moor) is derived from the name (Moabite).

The "Crest of Asia" symbolizes the great pyramid, as shown on the reverse side of a United States One Dollar Bill, of 1928.

Names, such as: Negroes, black, colored, Indian, red, African, Jew and white are slave labels of the Roman Cross Order of segregation, hatred, slavery and exploitation.

The reconstruction period of 1853 and 1865 resulted in the United Order of the Christian "lily white" world of organize labor, agricultural, industrial and commercial unionism and military procedure which made the Roman Nations the Mistress of the seven seas.

THE MANIFESTATION OF THE K. C. OF K. K. K.

The Union of 1853-65 was the manifestation of the (K. of C. and K. K. K.) of which involve some Five Hundred Million people of red or ruddy pale skin, with long hair; which comprise one-fourth of the world's population of two billion one hundred and sixty million.

The Asiatic Nation comprise three-fourths of the world's population and the European Nations, of the Roman Cross Order of "Christ and Mary" comprise one-fourth.

THE CELEBRATIVE MAGNA CHARTA OF COLONIAL NORTH AMERICA WHICH GRANTED FREEDOM TO THE BLOND MASSES, "EN MASSE" (FRENCH) WHICH DEFINES IN ENGLISH AS: "ONE BODY."

The celebrative (Magna Charta) is the document which granted economic, social and commercial freedom and equality to all people of ruddy pale skin with long hair or flaxen, regardless to race label and religiousism or politicalism faith. The pro-

cess is
Bilbo of
in: 1946.

The celebrative story of Abraham Lincoln, involving the freedom of the (Moorish descendants) referred to as: "Negroes," is played up falsely.

The insignia on the United States dime of 1865 represents the staff of the Roman Ax,—the United White Order; which unfortunately left the (Moorish or Asiatic) descendants on the outside looking in, universally, during the past 93 years of Roman economic, social and commercial stride—"Father Abraham,"—the God of the Roman Union, involving the North and the South pole—July 4th and January 1st, "Lincoln."

If you are skeptical, you might denounce the names such as Negro, colored, black and African, go to the library ask for the history of the Moorish Empire,—your history, and carefully observe the "white servants" reactions. This is the history the European American has thought you would never know. Nevertheless you have the fundamentals in this book, namely: Clock of Destiny.

THE TWO EMPIRES DURING THE PAST 1367 YEARS OF THE NEW ERA OF ISLAM.

During the past 1367 years there have been only two World Empires, namely: the Moorish Empire of the Order of Islam and the Roman Empire of the Order of "Christ and Mary." The Order of "Christ" is 173 years old, calculated from 1774, the era which resulted in the birth of the United States Marine force in colonial North America—the cream of the (German, Francisco or French) legions, referred to as "pirates."

During the Moorish world domination there was no Europe, England, France, Greece, Rome, Egypt, Africa, China, Japan or Russia across the Atlantic and the Pacific Oceans.

Therefore, United States history of the Christian Order might be compared with that of the celebrative story referred to as "Santa Claus"—mythology. Did you ever stop to think that on the most sacred day of the Christian Order, namely: December 25th, the Christian Nations promulgate the world's greatest false—the (myth) of "Santa Claus"? Remember, December 25th is the foundation of the philosophy of "Christ

**THE HISTORY OF THE MOORISH NATION LIES IN THE LIBRARY
OF EVERY STATE OF THE UNION.**

The history of the Moorish Nation (our forefathers) lies hidden in the library of every State of the Union, and also in the library of practically every home of European Americans (referred to as: "white people." Therefore, the history of the Moorish Empire is not news to them for they have been guided by the history of the Moors; under potent influence of fear and hatred during the past 93 years, calculated from 1865.

**THE BASIC REASON WHY ASIATICS CAN NEVER BECOME
CHRISTIANS:**

It is impossible for the people of heavy olive, and live olive, hue of skin, commonly known as dark-brown and light-brown, to ever become a Christian, because of this fact. The Christians worship a "White Son of God" and his "White Mother Mary,"—the very image of themselves. The Christian "God" is definitely (white or ruddy) pale, because His only begotten Son is tangible evidence.

You might ask yourself this question: what chance do I have to enter the gates of the Christian Heaven dominated by a "White God, His Son, and His Son's Mother Mary?" The very image of the woman who falsely cries "Rape," followed by Son's cross burning and lynching. Such is the Christian Nations (Heaven) dominated by the "white woman"—the God of hatred, fear, crime and corruption.

On the contrary, there was a specific reason for the new masses of humanity, referred to as: "white people," to establish the church and false doctrine of "Christ and Mary;" so let us observe the reason, in order that we might take a broad view which will enable us to erase the hatred against them which is now dominating our nature.

It has already been stated elsewhere in this book that during the past 1367 years there has been only two World Empires, namely: the Moorish Empire of the Order of Islam and the Christian Empire of the Order of Christ. During the world domination of the Moorish Nation. The blond women of Patagonia, South America, had manifested their cultured height in the society of Islam; which qualified them to establish the society of the Cross laden with mystery and emotional false doctrines, —as a positive weapon of liberating themselves from the amalgamated iron handed rulers, or dictators; who had shielded the

secrets of nature as shown in the signs of the Zodiac and established a doctrine of mystery and religious superstition by force. As a result the following amalgamated generation of Moorish fathers and blond mothers grew up in ignorance of the science of the twelve signs of the Zodiac and the applied principles of Islam; which in turn resulted in the corruption of the Society of Islam, under the influence of Islamism of variable unreasonable procedures of religious worship, strenuous mysterious prayers and the restriction of literary education to the common masses.

The corrupt process of the selfish, jealous amalgamated rulers of the Moslem world converted the Society of Islam into regimentation, human caste, slavery, economic and social degradation, crime, bloodshed and human destruction: from which was born the Army of the Mystic Banner of the Cross,—led by militant "white women," or Patagonian blonds, supported by many wise Moslem women and sons, struggling for freedom; which resulted in some 364 years of intermittent conflict, from Peru to Alaska—and across the Pacific and Atlantic Oceans, in the Northern Hemisphere. A great battle between two different types of religious superstitions; namely: Islamism and Crossism, referred to as the great battle between the "Crescent and the Cross" or "Mohammed and Christ,"—the period of crucifixion—lynching, burning and murdering one another over ideas of impractical isms and mystery of variety; which has dominated the world for some four hundred years and has manifested with the racial and color scheme of corruption.

The Moslems with their strenuous ism of mystic religious worship and superstition are not guilty of the establishment of the race and color scheme. They are guilty of the caste system and segregation, according to class and rank and method of mystic or superstitious religious worship in the institution called (Mosque) from which was born the institution of worship called (Church) and the race and color scheme with its marriage license laws established by the Patagonian blond women of South America. This system prohibits the issuance of a marriage license to Moorish men or women, who desire to marry "white" women or men in North America—especially in the United States. Upon this is founded the myth of "black and white" people's blood which was born out of the church system; namely: the Catholics, Protestants, Baptists and the (Jury) or Jewish Temple of the United States, in North America.

THE EFFORT OF THE JEHOVAH WITNESS

The Jehovah Witness Organization of today is the last resort, endeavoring to lift the shame of the Order of Christ through hypocrisy. Remember, the Founder and the Head Leader of the organization is of the same people referred to as "white." Therefore, we might assume that the organization of the Jehovah Witness is definitely a failure.

THE ERA OF THE FORMATION OF THE ROMAN REPUBLICAN PARTY—93 YEARS AGO

(The Code of The Klans.)

In the year 1854, the "white women" often referred to as the (Daughters of the Revolution) endorsed the artistic painting of themselves and sons, called "Christ and Mary" and established the new doctrine of the only begotten "Son of God and its Mother Mary," by force, intrigue, ignorance, cruelty, seduction, bloodshed and destruction. Here, the foundation of the Order of "Christ" was well laid in the Union of 1865. This was followed by well trained Missionary workers carrying the banner of the image "Son" and its "Mother" doctrine across the Pacific and Atlantic Oceans, supported by military force of the Order of Rome. Thereby the false doctrine of the white "Son Christ" was established in the four angles of the Earth. This enabled the "white" Daughters of the Revolution to remain neutral; while the "white" men seduced the helpless (Moorish or Asiatic) women at home, and abroad, so as to perpetuate the "lily white" Nations of Rome during the past 93 years.

The picture of the "White Son" image and its "Mother" equal the power of ten thousand words in the name of the evil tradition of white superiority—when placed before the blond children (ranging between 6 and 9 years of age) gave them a false conception of white supremacy, before they have been taught to read which grows up in them.

The 93 years old act of the Daughters of the Revolution has disqualified the English speaking "white women" at home and abroad to play their specific roll in the New World Order which is now rapidly progressing. As a matter of fact, the English speaking "white women" have disqualified all other white women of different languages from playing their specific roll in the New World Order because they, too are of the same shade of skin. Other words the very same stock, the "Europa" stock—ruddy pale skin.

Today, it is the white women's desire to tell the truth and alter the Roman system of segregation but 99% of the Asiatic masses of humanity will not believe in them; owing to the long trend of economic and social suffering. This part of the story is referred to as "A view of the promise land, but cannot enter."

THE GENERATIONS OF THE OUT CASTE BLOND SONS, AND THE SUBJUGATED MOORISH WOMEN

Nine out of every ten of the so-called "white people" of the world today have either black or brown eyes, or black hair, which represent the stamp of the (Moorish or Asiatic Mothers). The people referred to as Japanese (Latin) Mexican, Chinese, Italian, Spanish, Turk, Indian, Arabian, Syrian, Russian, Eskimo and all other similar island people are the generations of kinky-haired (Moorish or Asiatic) fathers and Patagonian blond mothers, during the early rise of the Order of Islam, 1367 years ago.

THE SELFISH ACT OF THE AMALGAMATED MOSLEMS BROUGHT SHAME UPON THE ORDER OF ISLAM

Had not the selfish Moslems of the Order of Islam established the superstitious religious system contrary to the universal economic and social science as shown in the twelve signs of the Zodiac and Mathematics, there would have been no superstitious religious order of "Christ and Mary." Therefore, the definite fact is that both, namely: the Moslems and the Christians (or Asiatics and Europeans) of the entire earth are equally guilty for violation of the Law of Nature as shown in the twelve signs of the ever-present Zodiac, which has caused them to undergo the grim Law of Retribution.

The Moorish Nation submitted to the grim Law of Retribution in 1774-76. And the Roman Cross Nations submitted to the grim Law of Retribution in 1914, to fulfill in 1954. This will culminate a short cycle of 40 years. 1954 will mark the definite end of the doctrine of the Daughters of the Revolution; namely: church mystery—the image of themselves and race and color.

Civilization is founded upon practical wisdom and the morals of woman. The (Moorish or Asiatic women) have undergone everything which could have been imposed upon them; yet they have retained their morals. You may compare the acts

of the kinky-haired (Moorish or Asiatic) women of the United States, and abroad, with the acts of the European or blond women of the United States, and abroad; and thereby draw your own conclusion during the next seven years of global economic and social revolution. Thousands of blond women and sons will resort to suicide while undergoing the seven years of economic and social revolution.

The kinky-haired women of the United States and abroad are the ones who will restore civilization and peace to the world during the next seven years. Geometry and the twelve signs of the Zodiac constitute the Prophetic Law; which has never told a lie.

The economic suffering of the blond women of Rome, England, France, Germany and Greece, and the mythical Palestine will fulfill with the blond women of the United States, Canada and Australia, during the next seven years.

Nature has a just law. It is the grim Law of Retribution. Wishful thinking, lip-service, hypocritical prayer, wealth, atomic bombs, universal military training and the wooden or stone image "white God" definitely cannot offset the grim Law of Retribution during the next seven years. Economic chaos will make the blond people of the U. S. A., hate the name such as "white people."

After the cycle of retribution had fulfilled with the Asiatics of the United States, the kinky-haired women began to give birth to children who have become champions of the world in every important department of human society. (Remember, champions of the world do not have to beg for social recognition.

The Daughetrs of the Revolution will end, begging the Asiatics of the United States for social recognition. The Law of Retribution cannot be altered. We reap that which has been sown--- in the past.

THE ALPHABET OF THE MOORISH NATION
OUR FOREFATHERS:

ARABIC LETTERS	AS EXPRESSED ARABIC LETTERS	NAMES OF IN ENGLISH
-------------------	-----------------------------------	------------------------

 A'liF.....	A.
⤿ Bā	B.
⤿ Tā	T, or C.
⤿ Thā	Th, or D.

C. H. Bey

The Greek, Hebrew and Latin of the Roman Cross Order definitely cannot go beyond the Arabic alphabet. Our Moorish forefathers' code of alphabet and mathematics have proven that the "white people" have no culture of their own.

The Moorish Color Code in electronics, which describes the unit of resistance, current and voltage, the magnetic law, atomic energy is as follows:

- 0—symbolizes—Black
- 1—symbolizes—Brown
- 2—symbolizes—Red
- 3—symbolizes—Orange
- 4—symbolizes—Yellow
- 5—symbolizes—Green
- 6—symbolizes—Blue
- 7—symbolizes—Violet
- 8—symbolizes—Grey
- 9—symbolizes—Light or White.

Our Moorish forefathers had harnessed atomic energy, and employed it for both good and ill many centuries before the (Red Skinned) blonds of Patagonia had become educated by the cultured Moors. Atomic energy is new to the "white people," but not to the Moors. The Christian race and color scheme was founded upon the Moorish color code of electronics.

It is definitely impossible for a nation that is dominated by various secret orderism to solve its economic and social problems in the atomic age. You might ask yourself this question:

How can one help himself and other without exposing his secrets?

The code of mathematics scaling from (0 to 9, and 3, 6, 9 and 12) constitutes the ever-present code of law which never grows old or ancient. Neither earth, water, air and heat—light or electricity—will ever grow old or ancient. Neither woman, sons and the letters of the alphabet will ever grow old or ancient. The whole of which comprise the one great body of the ever-present living truth which, therefore, is not a mystery and neither a secret. Do you agree?

All secret orderisms involving religion, symbolism and mystic pass-wordism are our own ignorance of the realities which dwell within us and about us. That which individuals have in their minds unexpressed is a secret. Having expressed to another, that in mind, then the great secret has been exposed to the outer world.

The inner world is our universal sub-conscious mind which dictates to our reasoning mind. Thus, our sub-conscious mind is the inner world referred to as the "All Seeing Eye." Our reasoning mind is the outer world referred to as "The light of the world," all of which derive from woman, the creator of all sons in the course of 9 months, from conception to birth. Thus, (woman) is the Grand Master Architecturer and Carpenter of the human body and mind, which makes all ones (Moslems) regardless to the shade of skin and color of the eyes. All male babies are sons of nine—9 months from conception to birth. In Christian Mythology, the number nine have many names, most common of which are : Nin, Nim, Nimrud, Nimrod and "Nun"—(Catholicism.)

**EVERY CHILD IS BORN ON THE SQUARE, AN ANGLE
OF 90 DEGREES—9 MONTHS FROM CONCEPTION
TO BIRTH,—ISLAM.**

The term (Moslem) implies the works of nature involving the human body, from conception to birth, on the right angle motion or square of 90 degrees. The great circle of the earth comprise 360 degrees, squared by the number 9. 9 goes into 360 degrees 40 times. This is the number "40" which involves the Christian Order or the (Klannish) society of the "lily white" world, which Senator Bilbo of Mississippi, had referred to over the "Meet the Press" program in 1946.

THE K. K. K. OBLIGATION

(Clan or Klan) implies the people who have agreed by oath, or secret obligation, to protect their society so as to prevent legal marriage or socialization with people of heavy olive hue of skin, referred to as dark-brown. Should any of the women and grown sons violate the (Klannish) code, they are subject to become a social outcast of the Klan society; especially if the violation involves marriage to any of the women and sons of dark-brown skin. This is a major violation of the Klannish society of the "lily white" world; although the grown sons of the Klan society are at liberty to slip around with the Asiatic women of the United States due to the fact that there is usually reproduction of the Klannish type; namely: ruddy pale skin. The story is somewhat different with the "white women" and the Asiatic sons, and their reproduction of 9 months sons and daughters. This part of the story has caused the people of white societies of the United States to live under such strenuous influence of fear, that apparently they have lost all powers of common sense.

The secrets of the number 9 involving woman and child, and the 12 signs of the Zodiac is referred to as "The Rejected Stone"
Thus, the stone that the sociologists of the Christian World rejected in the days of old becomes the head of the corner in the atomic age, which is as follows:

THE FIRST MONTH OF THE YEAR

April is the first month of the New Year, in harmony with the Rising Sun in the Northern Hemisphere, on the Tropic of Cancer, which occurs every year on March 21 and ushers in the Spring Season.

MATHEMATICS AND THE ZODIAC

The Earth's axis to its orbit, evolves about the Sun at the rate of one degree per day, and thirty degrees a month. It completes its annual revolution of 360 degrees every year on March 20, in the twelfth sign Pisces. Thus, the rays of the sun pass through twelve different regions of the Earth called signs in the course of a year, calculated from the sign Aries to the sign Pisces.

(WOMAN KNOW YOURSELF.)

THE FOLLOWING IS THE SECRETS OF THE No. 9.

Knowledge of the 12 signs of the Zodiac involving woman

child and the secrets of the number 9 is important as the letters of the alphabet which qualify them to read and write.

(CONCEPTION)

Conception always occurs while the rays of the Sun is in a certain sign of the Zodiac and the child is born 9 months later while the rays of the Sun is in another sign of the Zodiac. For example:

If conception occurs while the rays of the Sun is in the sign Aries, between March 21 and April 19, the child is born when the rays of the Sun enter the sign Sagittarius (between November 22 and December 20.)

If conception occurs while the Sun is in the sign Taurus, between April 20 and May 20, the child is born when the Sun enters the sign Capricorn (between December 21 and January 18).

If conception occurs while the Sun is in the sign Gemini, between May 21 and June 21, the child is born when the Sun enters the sign Aquarius (between January 19 and February 19).

If conception occurs while the Sun is in the sign Cancer, between June 22 and July 22, the child is born when the Sun enters the sign Pisces (between February 20 and March 20).

If conception occurs while the Sun is in the sign Leo, between July 23 and August 23, the child is born when the Sun enters the sign Aries (between March 21 and April 19).

If conception occurs while the Sun is in the sign Virgo, between August 24 and September 23, the child is born when the Sun enters the sign Taurus (between April 20 and May 20).

If conception occurs while the Sun is in the sign Libra, between September 24 and October 22, the child is born when the Sun enters the sign Gemini (between May 21 and June 21).

If conception occurs while the Sun is in the sign Scorpio, between October 23 and November 21, the child is born when the Sun enters the sign Cancer (between June 22 and July 22).

If conception occurs while the Sun is in the sign Sagittarius between November 22 and December 20, the child is born when the Sun enters the sign Leo (between July 23 and August 23).

If conception occurs while the Sun is in the sign Capricorn, between December 21 and January 18, the child is born when the Sun enters the sign Virgo (between August 24 and September 23).

If conception occurs while the Sun is in the sign Aquarius, between January 19 and February 19, the child is born when the Sun enters the sign Libra (between September 24 and October 22nd.)

If conception occurs while the Sun is in the sign Pisces, between February 20 and March 20, the child is born when the Sun enters the sign Scorpio (between October 23 and November 21.)

This concludes in brief the applied key of the 12 signs of the Zodiac involving woman, child and the number 9—9 months from conception to birth. This process of simple scientific universal facts has proven that every child is born while the Sun is passing through one of the 12 signs of the Zodiac, and that the sign under which children are born governs their lives from the cradle to the grave. That which cannot be proven by mathematics; reasoning is definitely dangerous to human progress.

During the 9 months from conception to birth, the child in its creator's womb; namely: (mother), has passed through the 9 cosmic regions or signs of the earth, in harmony with the Sun, from which it molds its physical form, mind, memory and characteristics, qualified for cultivation as it slowly grows up during life.

If women on national scales possessed the applied knowledge of the secrets of the number 9, they would be supremely qualified to educate their children to the practical side of life during its 9 months maturity from conception to birth. Then, there would be no need for the institutions of religious mystery worship, idol or image God. Jail houses, prisons and insane institutions would not be needed for there would be no racial hatred or crime.

The secrets of the number 9 and the 12 signs of the Zodiac involving woman and child, from conception to birth, is referred to in the Book of John, Revelations, as—the opening of the "Seven Seals"—from which has marked the very end of Christian Theology and the rise of women, with civilization, namely: the (Moorish or Asiatic) women of the United States who have been labeled Negro (colored people) by the sociologists of the Roman Cross Order.

I am sorry to assert that the present grown-ups, especially 95% of both (European and Asiatic Americans) will not turn

loose the white image "Christ" doctrine and the church, with its various denominations, until the United States of America has undergone its blood bath, which is now in the making—the most crucial blood bath that the world has ever known.

The doctrine of the white image was born in the United States of America, or colonial North America, through bloodshed; and will vanish after bloodshed which cannot be described in words. This destruction is necessary in order that the oncoming generation might escape mental bondage and dead idol, or image worship, which is definitely contrary to truth, wisdom and economic and social progress.

The following is the interpretation of the Sun in the 12 signs of the Zodiac during the Earth's annual revolution of 360 degrees. You are advised to always read the interpretation of the Sun in each sign of the Zodiac during the 9 months maturity of your child and concentrate upon realities, equality, unity and economic and social progress, peace and justice. Then your child will be born well educated, endowed with practical down-to-earth morals and progressive wisdom, and will fear no evil.

The interpretation of the Sun in the 12 signs will also help you well understand yourself and friends, according to the sign under which you and they were born. This scientific process of the Universal Law of Nature definitely grants first hand knowledge of cause and effect.

INTERPRETATION OF THE SUN IN THE 12 SIGNS OF THE ZODIAC INVOLVING HUMAN CHARACTERISTICS. AND MONTHLY ACTIVITY.

- 1.—30 Degrees. The Sun in Aries: Gives good health, strength, will power, independent of thought. Person born while the Sun is in Aries are endowed with leadership. They are also musically and intellectually inclined. The Sun enters Aries every year on March 21, and remains until April 19th. The Sun is exalted in Aries. (Head).
- 2.—60 Degrees. The Sun in Taurus: Gives kindheartedness, firmness, determination and ambition to rise above common levels. Persons born while the Sun is in Taurus are very talented and, therefore, will follow more than one occupation. They usually gain in money or property through relatives. Persons born under this sign are subject to trouble in courtship and disappointment in marriage. They have a powerful imagination and a strong attachment for parents and relatives. They are also fond of many short journeys. The Sun enters this sign every year on September 23, and remains until October 23. (Kidneys).

8.—240 Degrees. The Sun in Scorpio: Gives pride, firm mind and strong character. Persons born under this sign will assume many obligations and usually gain money or property through marriage late in life. They are slightly jealous and also are very sarcastic at times. They are fond of mysterious investigation. The Sun enters this sign every year on October 24 and remains until November 22. (Sex).

- 9.—270 Degrees. The Sun in Sagittarius: Gives a generous, a lert mind a merry disposition. Persons born under this sign have many problems to solve; rather impatient at times. They are fond of travel over land and sea. The Sun enters this sign every year on November 23 and remains until December 22. (Hips).
- 10.—300 Degrees. The Sun in Capricorn: Gives a serious and determined nature. Practical and qualified to direct others. They are fond of the practical side of life, which makes them very prominent. They are also fond of music, dancing and entertaining. The Sun enters this sign every year on December 23 and remains until January 19. (Knees).
- 11.—330 Degrees. The Sun in Aquarius: Gives broad mindedness, deep sympathies, cautious and wisdom in practical affairs of life. They are liberal and generous. They are always helping relatives or friends. They are fond of universal science such as Astrology and like extensive travel. The Sun enters this sign every year on January 20 and remains until February 19. (Ankles).
- 12.—360 Degrees. The Sun in Pisces: Gives a restless, changeable disposition and a tendency to go to extreme in feelings or actions. Persons born under this sign are very psychic to hidden conditions. They are also fond of success and have many responsibilities, but they also have much hostility through their life. The Sun enters this sign every year on February 20 and remains until March 20. (Feet). This concludes the 12 gates of life.

As the Sun is the giver of life, we are born into the world endowed with wisdom ready for cultivation as we slowly advance. Therefore, the interpretation of the Sun in the 12 signs apply to our daily activities as well as at birth. The fact remains that the human body constitutes the 12 signs of the Zodiac—space and time.

Mankind is mind, matter, motion and form, that measurably perfects from past memory of its many manifestation in life. Note: George Washington Carver (an Asiatic) peanut genius of Tuskegee Institute, Alabama, was one of the greatest scientist in the world.

Memory or mind never forgets. Mind is the cause of all things; which, therefore, makes woman the Law of Cause and Effect or Evolution. She is responsible for the acts of her child.

The more knowledge woman possesses of the Zodiac, the wiser the child to be born will be. Woman is the great creator of both good and evil.

THE INTELLECTUAL ZODIAC.

(THE INTERPRETATION OF THE MOON IN THE TWELVE SIGNS)
TAKE TIME OUT—STUDY FOR YOURSELF.

Bear in mind that the interpretation of the Moon, passing through the 12 signs applies to daily activities as well as birth. The interpretation of the Moon in each sign is also as important to woman as the interpretation of the Sun.

HEAD

1.—30 Degrees. Moon in Aries:—A Fire Sign: At the time of birth, influences a person to be impulsive and extremely enthusiastic. They detest submitting themselves to superiors. They are susceptible to fever or head complaints and also trouble which may come through secret affairs. (The Moon passes through 12 signs in the course of 30 days, remaining in one sign from 2 to 3 days. It requires seven and one-fourth days for the Moon to evolve 90 degrees—3 signs of the Zodiac). Aries is the region of steel industry and force of arms.

NECK

FIRST FIXED ANGLE—MID SPRING.

2.—60 Degrees. Moon in Taurus:—An Earth Sign: At the time of birth gives a person a quiet disposition; determination, and ambition to excel in all undertakings. - 12.—360 Degrees. Moon in Pisces:—A Water Sign: At the time of birth gives a person a retiring and pleasant disposition. At times they are easily discouraged, restless, and impatient; they are fond of scientific study and romance. They are also endowed with the power to offset the aim of secret enemies. Pisces is the region which completes the circle of creation, and shows how the law of unity works universally.

You may refer to an up-to-date Almanac in order to find what sign the Moon is in during each month throughout the year.

(UNITY).

THE LAW OF HARMONY,—THE FOUR TRINITIES OF CREATION.

Fire, Air, Water and Earth are the four Trinities of Creation. Air and Fire Signs harmonize; Water and Earth Signs harmonize. Always find out persons birth sign in order to see if their sign is in harmony with your sign.

You are advised to see what sign the Moon is in when conception taken place; then read the interpretation of the Moon while it is in each sign, until the child is born. The influence of the Sun and Moon in the 12 signs molds the general character of your child. Therefore, your knowledge of the influence of the

Sun and Moon in the 12 signs of the Zodiac, from conception to birth, enables you to help your child mold greater character through your power of thought and concentration; often referred to as the "power of mind over matter."—wisdom.

Knowledge of the Zodiac involving Women, Children, Moon, Sun or Earth might, therefore, be termed "Clock of Destiny." The great span of ones active life lies between woman and Earth,—from birth to disintegration, referred to as: death. All children come into the world by way of woman and pass out by way of the Earth. Do you agree?

THE FIVE SONS OF DESTINY

1.—Joseph Stalin: Conception occurred while the Sun was in Aries, which resulted in the birth of Stalin when the Sun entered Sagittarius with the Moon in Aries (1879).

2.—Benito Musolini: Conception occurred while the Sun was in Sagittarius, which resulted in the birth of Musolini when the Sun entered Leo, with the Moon in Gemini (1883).

3.—Franklin Delano Roosevelt: Conception occurred while the Sun was in Gemini, which resulted in the birth of Roosevelt when the Sun entered Aquarius, with the Moon in Cancer. (1882)

4.—Emperor Hirohito: Conception occurred while the Sun was in Virgo, which resulted in the birth of Hirohito when the Sun entered Taurus, with the Moon in Virgo (1901).

5.—Adolf Hitler: Conception occurred while the Sun was in Virgo, which resulted in the birth of Hitler when the Sun entered Taurus, with the Moon in Capricorn (1889).

The women who created those five sons possessed scientific knowledge of the 12 signs of the Zodiac, which enabled them to educate their sons during their 9 months maturity by studying the science of Astrology; thereby freeing the world of false doctrines, fear and hypocrisy. The great cycle of nature was closed on all fiction, mythology, theology and hypocrisy commonly known as: Democracy—"Our way of Life." in 1941.

Musolini, Hitler and Hirohito were born into the world with the same assignment. That is the basic reason why they formed the Axis triangle—the son of the "Roman Ax"—the son of the German "Hatchet and Iron Cross"—and the son of the "Sword." Hitler, converted the Christian mystic "Iron Cross" into the mystic "Swatika," and forced the Christian nations of the world to destroy their own economic and social foundations through fear and the lack of knowledge and understanding

Roosevelt and Stalin were endowed with the same assignment. Stalin re-educated the masses of Russia to the reali-

zation that the Earth is a community; and that equal and practical education, production and distribution, food, clothing, shelter, human equality, social freedom, marriage according to ones choice and desire, and recreation are the highest attainment of human existence. While the people of the United States of America concentrated upon race, color, class, creed, the myth of "white and black" people blood, and the fear of Russia Redism. Roosevelt took advantage of their ignorance and put us all on an equal economic basis by issuing Ration Books Nos. 1, 2, 3 and 4. During which period every person could practically tell what the other had to eat.

You are advised to read the interpretation of the Sun and Moon in the Birth Sign of each of the Five Sons, namely: Joseph Stalin, Benito Musolini, Franklin Delano Roosevelt, Emperor Hirohito and Adolf Hitler.

You and I were also born into the world. endowed with an assignment. I am on duty now. What are you doing to make the world a better place in which to live?

**ONE NEVER KNOW BY BEING TOLD
SO TAKE TIME OUT, FIGURE FOR YOURSELF**

Minutes, degrees or Meridians involving global geography as shown in the 12 signs of the Zodiac (from Aries to Pisces) which describe the measurement of time.

1. The Earth's axis to its orbit, rotates at the rate of 1 degree every 4 minutes; which equals a geographical span of 60 miles. Sixty minutes (or 1 hour) equals 15 degrees, a geographical span of 900 miles. 120 minutes (or 2 hours) equals 30 degrees a geographical span of 1800 miles. Each sign of the Zodiac from Aries to Pisces constitutes 30 degrees each. The Sun remains in each sign of the Zodiac a duration of 2 hours. 12 hours a day equals 180 degrees and 12 hours a night also equals 180 degrees. Thus, a day and night equal 360 degrees. Time changes every 15 degrees during the 24 hours of the day and/ night—24 x 15 equals 360. The number 60 is the key to geography, therefore, you are advised to always multiply degrees (or Meridians) of geography by the figure 60, for accuracy.

Example: 15 degrees)

)
 900 miles)

The second motion of the Earth in harmony with the Sun, rising in the Northern Hemisphere and setting in the Southern, which

marks the months, the four seasons, and years during its annual revolution of 360 degrees.

The Vernal Equinox or the Summer Solstice (March 21 and June 21.)

2. The Earth's axis to its orbit evolves about the Sun at the rate of 1 degree per day, 30 degrees per month, 90 degrees in the course of 3 months, 120 degrees in the course of 4 months, 150 degrees in the course of 5 months, and 180 degrees in the course of 6 months; which governs the Spring and Summer seasons on the Tropic of Cancer in the Northern Hemisphere.

The signs: Aries, Taurus, Gemini, Cancer, Leo and Virgo, govern the Northern Hemisphere—the top of the world—called the "Crest of Asia"—180 degrees on the Equator—referred to as Oriental (or East) in Islam, the Order of the Asiatic Nation.

THE FALL EQUINOX AND THE WINTER SOLSTICE SEPTEMBER 23 AND DECEMBER 21.

The Earth's axis to its orbit in harmony with the Sun, crosses the Equator in the seventh sign Libra, on the Tropic of Capricorn, in the Southern Hemisphere to complete the circle of 360 degrees.

The signs: Libra, Scorpio, Sagittarius, Capricorn Aquarius and Pisces govern the Southern Hemisphere (called the Trough of Europa or Occidental the bottom of the world, referred to as (West) in Christianity, the order of the European Nations.

There are only two ends to a pole. Thus, the North Pole is East, which is always Up, during the Earth's annual revolution of 360 degrees, and the South Pole is always Down, during the Earth's annual revolution of 360 degrees. All of which equal a geographical span of 21,600 miles. 360 degrees, multiplied by 60 equals 21,600 miles. (10,800 miles in the Northern Hemisphere, 180 degrees and 10,800 miles in the Southern Hemisphere, 180 degrees.)—(For accuracy multiply the degrees by 60.)

THE VERNAL EQUINOX

On March 21, the Sun crosses the Equator into the sign of Aries, on the Tropic of Cancer in the Northern Hemisphere, at Sumatra, East India. On June 21, the Earth's axis has its greatest inclination to the Sun at right angle of 90 degrees. The first Full Moon after March 21, the Christian Nations celebrate Easter, referred to as: the Great Passover. 11 days after June 21, the Sun is in the sign Cancer, which culminates 101 degrees.

Here the Christian Order celebrates its Day of Independence, July 4th.

On September 23 the Sun crosses the Equator into the seventh sign, Libra on the Tropic of Capricorn, in the Southern Hemisphere at a point in Brazil, nearly due North of Obidos on the Amazon River. Thus, on September 26, the Founders of the Order of the Cross (or Christianity) celebrate their New Year. They are called "Jews" and it was they who controlled world commerce of the Roman Order until 1941.

THE CHRISTIAN CELEBRATIVE DATES WAS ESTABLISHED BY THE "JEWS."

On November 21, the rays of the Sun have culminated in the eighth sign, Scorpio, 240 degrees of the Zodiac. Thus, on November 21st or 25th, the "Eagle" Legionary Caste—the head of the Christian Order—celebrate Thanksgiving. The first Thanksgiving ever held occurred on November 26, 1795, after the decisive victory of the Battle of Lake Erie. From which resulted in the fall of the Moorish Navy on the Great Lakes.

On December 20, the Earth's axis to its orbit, in harmony with the Sun, has declined 270 degrees of the Zodiac, which culminates in the ninth sign, Sagittarius, the sign which squares the surface of the Earth. The rays of the Sun enters the tenth sign, Capricorn, on December 21st. at a point on the Tropic of Capricorn, South of Windhoek, in Southwest Africa (X). Thus, on December 25th, the various castes of the Roman Order celebrate the Birth of the mythical "Christ" and "Santa Claus."

On March 17, the Earth's axis has evolved its 357 degrees in the twelfth sign, Pisces. Thus, on March 17, the Arm Guards "Saints" of the Roman Cross Order, celebrates its "Saints" Day. which occurs three days, or degrees before the Sun crosses the Equator into the sign Aries, on the Tropic of Cancer, in the Northern Hemisphere. Thus, on March 20, the Earth has completed its annual revolution of 360 degrees, which culminate in the geographical region of the Indian Ocean and Java, East India.

The celebrative dates of the Roman Order was established by the Jews (or Jews) for political and commercial purposes. None of the Roman Cross caste can sell the "Jews" anything for their New Year celebration, on September 26th, and neither on their Pass-Over celebration and their Christmas.

THE ERA WHICH RESULTED IN THE SHIFT OF TIME AND GEOGRAPHY.

The measurement of time and geography was shifted from the United States to Greenwich, England in 1884. Standard

time is measured from Denver, Colorado, United States of America.

ON THE EQUATOR.

And the upper half of the one world which has caused much bloodshed, destruction and sorrow over since the ruddy skin Patagonian blond people has dominated the world.

River Negro, Obidos, or Manaos, in South America; Belgian Congo; Kenya, Africa; Sumatra and Borneo, East India, lies on the Equator,—“The shortest distance between two points is a straight line.”

15 DEGREES NORTH LATITUDE.

THE LIFE BELT OF THE ASIATIC NATION, WORLD CONFLICT III.

Guatemala, Central America and the Caribbean Sea; Senegal, Africa; Anglo; Egyptian; Makalla, Arabia; the Arabian Sea; Dangle, India; Siam; Philippine Islands and across the Pacific Ocean to Central America, lie on the circle of 15 degrees, North Latitude.

TROPIC OF CANCER, 24 DEGREES, NORTH LATITUDE.

THE LIFE BELT OF THE ASIATIC NATION, WORLD CONFLICT III.

La pazo, Lower California; Tampico, Mexico; Havana, Cuba (or Isabella); Wadi Haifa, Egypt; Mecca, Arabia; Calcutta, India; Burma; Canton, China; Wake Island; Hawaii Island and across the Pacific Ocean to the outlet of the California Gulf, lie on the Tropic of Cancer.

30 DEGREES NORTH LATITUDE.

THE LIFE BELT OF THE ASIATIC NATION

Hermosillo, Mexico; New Orland, Louisiana; Tallahassee, Florida; Cairo, Egypt; Delhi, India; Mt. Everest; Hanchow, China; Pearl Island (in the Pacific Ocean) and across to California, United States, lie on the circle of 30 degrees, North Latitude.

40 DEGREES NORTH LATITUDE.

THIS GEOGRAPHICAL BELT ENVOLVES THE “CROWN” OF THE ROMAN NATIONS OF THE WORLD TODAY.

Fresno, California; Denver, Colorado; Springfield, Illinois; Columbus, Ohio; Philadelphia, Pennsylvania; Wheeling, West Virginia and across the Atlantic Ocean to Madrid, Spain; Flers, France; Larissa, Greece; Turkey and Korea; the Sea of Japan and across the Pacific Ocean to North California, United States, lie on the circle of 40 degrees, North Latitude. The geographical circle line of 40 degrees North Latitude involves World War III,—the last conflict of the Roman World from which will mark the very end of human warfare, and the restoration of

civilization. (Islam) or "I AM," the ever present Son of woman.

45 DEGREES NORTH LATITUDE

THE BELT OF WORLD CONFLICT III

Yellow Stone National Park; St. Paul, Minnesota; Ottawa, Canada; Nova Scotia; across the Atlantic Ocean to Bergerace, France; Milan, Italy; Jugoslavia; Neuchatel, Austria; the Black Sea; the Caspian Sea; Mongolia; Harbin; Manchuria; Wakanai; the Empire of Japan; and across the Pacific Ocean, to Portland, Oregon, North America, lie on the Circle of 45 degrees, North Latitude.

54 DEGREES NORTH LATITUDE

THE BELT OF WORLD CONFLICT III

Labrador, North Canada; across the Atlantic Ocean to the British Isles; Danzig, Germany; Poland; U. S. S. R.; Bearing Sea; the Alaskan Gulf; and the Cascade Mountains in North Canada lie on the Circle of 54 degrees, North Latitude.

65 DEGREES NORTH LATITUDE

(ARCTIC CIRCLE)

THE BELT OF WORLD CONFLICT III

Greenland; Iceland; Norway; Finland; U. S. S. R.,; Alaska and Northern Canada lie on the Circle of 65 degrees, North Latitude.

80 DEGREES NORTH LATITUDE

Grantland, North Canada and Greenland lie on the Circle of 80 degrees, North Latitude, around the Magnet North Pole.

From the Equator (in South America) to the top of Greenland equals 80 degrees. This multiplied by 60, equal a geographical span of 4,800 miles.

Fresno, California; Denver, Colorado; Springfield, Illinois; Philadelphia, Pennsylvania lie 15 degrees apart. Time changes every 15 degrees or every hour.

THE SOUTHERN HEMISPHERE, BELOW THE EQUATOR

THE BASIN OF WORLD CONFLICT III

Peru; Bolivia; Brazil; North Rhodesia, South Africa; Madagasca; Darwin, Australia; the Coral Sea and across the Pacific Ocean to Bolivia, South America lie on the Circle of 15 degrees, South Latitude.

TROPIC OF CAPRICORN

24 DEGREES. SOUTH LATITUDE

THE BASIN OF WORLD CONFLICT III

Oran (Patagonia) or Argentina; Paraquay; Rio de Janeiro; Southwest Africa, Fr., Madagasca; Queenland, Australia; and across the Pacific Ocean, back to Patagonia lie on the Tropic of Capricorn, 24 degrees South Latitude.

40 DEGREES SOUTH LATITUDE

THE BASIN OF WORLD CONFLICT III.

Patagonia or Argentina and Melbourne, Australia, lie on the Circle of 40 degrees South Latitude.

45 DEGREES SOUTH LATITUDE

New Zealand and Argentina or Patagonia lie on the Circle 45 degrees South Latitude.

THE COLD MOUNTAIN REGION

Cape Horn, Patagonia lies on the Circle of 55 degrees South Latitude. From the top of Greenland to the bottom of Patagonia, comprise 135 degrees; which covers a geographical span of 8,100 miles. Remember, always multiply degrees in Geography and Astrology by the figure 60, which is your master key of civilization.

This concludes in brief the geographical locations of the lower half of the world, which is composed of more water than land. On the contrary, the upper half of the world is composed of more land than water. You now have first hand scientific knowledge of the direct cause of human warfare, bloodshed and destruction.

THE ANCIENT BLUE NILE, AND THE WHITE NILE RIVER

The Pacific Ocean is the ancient "Blue Nile River" referred to as the Sea of the "Rising Sun." Spring and summer temperatures. The Atlantic Ocean is the ancient "White Nile River" referred to as the Sea of the "Setting Sun,"—Fall and Winter temperatures. The Gulf of Mexico is the fountain of air and water current supply or circulation. Thus, the knowledge of the 12 signs of the Zodiac is often referred to as the "Fountain of Youth," because such knowledge prevents one from growing old in mind, or enslaved to impractical traditions involving emotional religious fear and superstition, referred to as drunk off "wine." Wine symbolizes false doctrine and water symbolizes humanity.

The science of the 12 signs of the Zodiac has proven that the sun shines equally upon the earth in the course of 12 months, which designates one world, one race—the human family is equally dependent upon the other for existence, progress and the pursuit of happiness. Thus, the earth is a great community for the human family from which is derived the term (Communist) the oldest phrase of creation. "Let us commune together."

The science of the 12 signs of the Zodiac have also proven that the philosophy of Christ and the place called "Palestine"

are together the greatest and most detrimental fallacy that the world has ever known.

EGYPT

The term "Egypt" implies productive soil in the Northern Hemisphere, especially United States of America and Canada—Upper and Lower Egypt. The "white" sons and daughters went to Egypt by the stroke of the pen.

THE HEAD-DRESS OF OUR MOORISH FOREFATHERS

The red "Fez" with the symbol of the Star and Crescent, or Moon, without the symbol of the sword, is the head-dress of the Moors in this hemisphere. The Moorish "Fez" represents the supreme height of wisdom and practical knowledge of the science of the 12 signs of the Zodiac—the Universal Law and Constitution upon which civilization is founded.

Today, the red "Fez" of the cultured Moors is worn by the "white sons" wizards of the Order of Christ, namely: the Protestants, Methodist, Baptists and the "Jury" or Jewish, of the United States of America. The red "Fez" worn by these sons have the Star and Crescent, with the symbol of a sword on top, which represents the subjugation of the Moorish women. The Christian Bible is the book of the "dead"—dead image worship

The term "Mason" implies master, (messen) or mesenger, which simply means one who possesses scientific knowledge of the works of nature as shown in the 12 signs of the Zodiac. Such knowledge makes one conscious of the fact that his universal mind makes him free to propagate truth contrary to secrets, falsehood and imperialism.

THE 12 SIGNS OF THE ZODIAC

The above Cut constitutes the real book,—the "Holy Koran" also the real picture of Mohammed. The Moslems have never painted the picture of Mohammed in the likeness of a son of a woman. Such painting is of the Christian artists of deception.

Having read the complete geography of the 12 signs of the Zodiac, the above symbols of the earth, revolving about the Sun gives you a tangible illustration of Latitude North and South of the Equator.

The curved lines as shown leading from the North Pole to the South Pole describe the hourly rotation of the Earth which measures the 24 hours of the day, and are referred to as "Longitude"—East and West or Spring and Fall.

The circled lines as shown connecting with rays of the Sun, describe the months and seasons of the year and are referred to as "Latitude North and Latitude South"—Summer and Winter or North and South.

THE LAW OF GRAVITATION, WHAT GOES UP ALSO COMES DOWN.

In Christian religious mythology, the Earth is referred to as the "Apple."

1st slice constitutes the Spring Season, March 21 to June 21—90 degrees. The 2nd slice constitutes the summer season, June 22 to September 22—180 degrees. The 3rd slice constitutes the Fall Season, September 23 to December 20—270 degrees. The 4th slice constitutes the Winter Season, December 21 to March 20—360 degrees.

The myth of "Adam and Eve" and the "Tree of Forbidden Fruit" is also founded upon the Earth's annual revolution of 360 degrees. The circling Earth, crossing the Equator, into the Northern Hemisphere on the Tropic of Cancer, on March 21, and recrossing the Equator, into the Southern Hemisphere on the Tropic of Capricorn on September 23, is referred to in Christian mythology as "Snake or Serpent." And in science as "Serpentine." Be wise as the Serpent." The above digram speaks one universal language, also equals the power of ten thousand words in terms of concrete facts. Where do we go from here?

The preceding diagram has proven that the Earth is all there is in life for the human family. It is both Moon and Sun; and because of this fact, contains all the elements of nature. Therefore, it is the great atomic power house and cannot be destroyed by atomic bombs.

The atomic bomb has already done its constructive work by destroying the mystical doctrine of the Christian Nations of the world, involving the "white" son "Christ" upon the cross. It is not the atomic bomb which the Christians fear; but the scientific truth. Thus, that which the Christians of the United States of America have dreaded the most, has at last come upon them.

You might ask yourself this question: Where do the Christians go from here? Remember, the dead "white" son idol is the last political God weapon of the "lily white" world.

Scientific facts, or truth, is sharper than a two-edged sword: so give back to the Christians, that which belongs to them; namely: the Bible, the Church, the "Christ and Mary" idol, and names such as Negro, colored, black, African, Indian, Yellow and Red race, or people, and accept your own culture as shown in this book. You will then go down in global history as winning the greatest victory over the evil tradition of white supremacy that the world has ever known.

It is true that the Christians control commerce, the atomic bomb, industry, production, distribution, munition plants, labor unions and a powerful military force; all of which cannot compete with that great Body of Truth as shown in the illustrated 12 signs of the Zodiac—sharper than a two-edged sword. Let

us win the victory of peace, justice and human equality, without firing a gun. Remember, we are "Asiatics," the majority of the human family; and the "white people" are "Europeans"—the minority of the human family, who have unfortunately declined to an all time low, mentally, morally and physically. This has made them blind to truth, and are murders, criminals, otherwise, by trade. Sixty percent of their culture over the radio involves crime and murder. The other forty percent is shown in actual reality, involving color, racial prejudice, discrimination, segregation and human injustice.

Therefore, they badly need our help and the only way that we can help them is to denounce that which they have taught us to believe, and accept our own culture, (Science). We get out of life as good as we create. When we rely upon others to study the secrets of nature, and think and act for us, then we have created in life for ourselves that which is termed "hell." So study science, and support your constructive thoughts by positive action. Thereby solve your own economic problems. As it stands today the Asiatics of the U. S. A., are begging and relying upon the "white people" to solve their economic problems. Remember, beggars have no choice. So, "let the dead bury the dead." Thereby realize the fact that you are one among the living Asiatic Nation—the fathers of civilization—Islam.

The SCIENTIFIC Symbols of the ZODIAC

The foundation of the Dollar System of the U. S. A., was handed down by the Moorish Nation. That is the basic reason why the U. S. Dollar has ranked superior over all other money of the Christian nations of the world today. The picture of the Patagonian blond woman on U. S. Money, automatically made the "white woman" the head "God" of the Christian world of corruption and crime. "In God We Trust" on the U. S. Money is tangible evidence. "Carte Blanche" (French) which defines in English as: Full Permission, "En Masse" (French) which is defined in English as: One Body—"E-pluribus-unum," oppose to truth, human justice and moral principles,—Christianity.

The above cut constitutes the scientific symbol of the 12 signs of the Zodiac. They are often referred to as the "Tools of the Master Builders" of civilization: which simply implies "women and sons"—you and me, Islam or "I Am" the ever present Law of Moral principle and perfection.

The inalterable fact is that all religious superstition and secret order superstition of the entire human family of the world

of today is founded upon the above scientific symbols. The universal truth has been crucified by falsehood. In other words secret order and religious superstition, (Christianity) or isms.

**SYMBOL No. 1
UNIVERSAL (ISLAM.)**

Symbol No. 1, represents the square—an angle of 90 degrees—or the 4th part of a circle. The Level and Plumb are symbols of the three basic principles of our being. They (enter) into everything of a physical nature, and are; namely: (Spirit or Life). (Mind or Motion) and (Substance, Form or Matter). (Life, Mind and Form) symbolizes the great triangle. The number 9 represents the law of fulfillment, also universal physical manifestation on the plane of life. 3 into 9 equals 3 times. This division of 9 involves the 3rd and the 33rd degrees, all of which boils down to the (THREE) or 3 degrees of (Life, Mind and Form.) Here is how the 33rd degrees are built; (3x3). We omit the time sign, which results in (33), all there is (3x3 equals 9). This process has cleared up the mystery, of the Christian 33rd degrees

**SYMBOLS Nos. 2 and 3
UNIVERSAL (ISLAM.)**

Symbol No. 2 represents the Level or Negative. Symbol No. 3 represents the Line or Positive.

As we are Negative when sleeping on the Level, and are Positive when awake and standing erect, it is important we understand these principles of our being, and what our thoughts are doing for us when we go from the Level to the perpendicular or the Negative to the Positive.

They have made us what we are now, manifesting in the age of universal truth—the atomic age.

**SYMBOL No. 4
UNIVERSAL (ISLAM.)**

Symbol No. 4 represents the great triangle,—the supreme height of our universal mind and wisdom, perfection and moral principles. often referred to in our religion of Islam mystery as "Mecca;" and in the European, or "white people" religion of Christian mystery as "Vulcan, Calvary—Mount Golgotha—the place of the skull or pyramid. The preceding triangular symbol is on the reverse side of a United State One Dollar Bill of 1928.)

The following is the Arabic language of the kinky-haired Moorish woman who founded the order of Islam upon mathematics, the Square, an Angle, the Level and the Plumb and the Great Triangle, thirteen hundred and sixty-seven years ago.

ARABIC

"Jaal Haqqu Wu Zahaqal"—translation: "The Truth has

Come." "Ana'l Haqq": translation:—"I Am the Truth." "Inni Anallahu La Illaha Illa Ana"—translation: "Truly I Am "God" Besides Me There is no Other." Yes, the kinky-haired Asiatic woman is the GOD of humanity. The following is the great phrase on the Dollar of the Moorish woman prior to the rise of the order of Rome. Allah Tau Kalt"—translation:—"In God Have I Trusted" namely: self with moral principle.

ZERO REPRESENT THE CIRCLE OF 360 DEGREES

ZERO IS THE SYMBOL OF THE EARTH, "OUT OF DARKNESS COMES LIGHT."

1. One into 360 degrees equals 360 times. This division makes the penny the master of the Dollar System, universally.
2. Two into 360 degrees equals 180 times. This division represent the scales of weight in the category of commerce and distribution.
3. Three into 360 degrees equals 120 times. This division represent the great triangle,—the height of economic and social progress.
4. Four into 360 degrees equals 90 times. This division represent the square an angle of 90 degrees or the fourth part of the Earth, and the Dollar—the wheel of progress.
6. Six into 360 degrees equals 60 times. This division represent the 60 minutes of the hour, also organized labor.
7. Seven into 360 degrees equals 51 times and 3 over. This division represent the brain trust of organized labor—the nation, "woman."
8. Eight into 360 degrees equals 45 times. This division represent the 8 hours per day involving labor unions, also the angle of events involving economics and military procedure—the sons of war death and destruction, Christianity.
9. Nine into 360 degrees equals 40 times. This division represent the manifestation of the higher mind on the physical and mental plane of being—the highest Law of Islam, which simply means "I Am" the Universal Moral Law, namely: You and Me—the sons of the Asiatic woman, the great God of the human family, who declared some thirteen hundred and sixty-seven years ago: "Inni Anallahu La Illaha Illa Ana"—Truly I Am God-Allah, Besides Me There is no Other. The Asiatic woman is definitely not a secret nor mystery. She is a reality,—the living God of humanity.

12. Twelve into 360 degrees equals 30 times. This division represent the 12 divisions of the year, referred to as: months. Twelve completes the circle of creation on this planet, namely: Earth, and shows how the Law of Agreement or unity works UNIVERSALLY. The number twelve reduces to three as: (1) and (2) equals (3). Three into nine equals three times. And three into twelve equals four times. Thus three represents the three months of each season. And four represents the four seasons of the year—Spring, Summer, Fall and Winter—all there is. Having observed the diagram of the Earth's axis to its orbit, reflecting 12 different Crescent or Moon shape light and darkness during its annual revolution of 360 degrees. You should by reason become awakened to this fact: You yourself are the so-called great secret, and "Pass-word," and mystery. The daughters and sons of the "lily white" nations of the Roman Order, has been obligated to die before they awaken the Asiatics of the U. S. A., to the scientific rudiments of the foregone Islamic Law. The writer as an Asiatic in harmony with his Law.

The preceding division of nine and 12 by the figure three represent the (Circle Seven) of the science of ISLAM. (3) and (4) equals (7). Thus the great mystery of the world has past away to never return. (Islam or I Am). When we employ the phrase "I Am," we have expressed the highest phrase of creation, namely: Ourselves which symbolizes the letter one (1) or (I). Let us face facts as follows:

**THE ASIATIC WOMAN IS "GOD" AND I AM
THE SON OF "GOD."**

0	1	2	3	4	5	6	7	8	9	0
.	A	B	C	D	E	F	G	H	I	.

If you should attempt to establish an argument against this absolute code of mathematical and alphabetical facts, then you might be considered as the living dead, that is mentally dead, or insane. Well, due to religious mystery 95% of the population of the U. S. A., will attempt to establish an argument against the preceding absolute facts. The power of religious superstition has unfortunately made the U. S. A., an insane institution. Highly educated holding titles of degrees such as: A. B., A. M., PHD., LL.D., S. B. & S. M. But unfortunately lost for lack of common sense or rational reasoning. Have you ever stop to think that common sense is the very height of science?

COSMIC YARD STICK

10. Ten into 360 degrees equals 36 times. This division represent the 36 inches of the yard of the measurement of material and geographical space. Three times 12 equals 36, which reduces to the number nine as: (3) and (6) equals (9). The number ten represent the manifestation of the Negative and the Positive forces of nature. No tenths and one or one tenth. One from ten equals nine.

HOW TO SOLVE THE RIDDLE OF THE UNIVERSE:

For instance if you were to paper the ceiling of a room of your house, and wish to know the correct measurement of paper needed; all you have to do is measure the floor on which you stand. So also, if you wish to know the correct measurement of the entire universe, the whole of creation—space and time. All you have to do is measure the Earth on which you live. The number ten represent the letter (X): the letter (X) represent the Earth's axis to its orbit during its annual revolution of 360 degrees—the "Level and the Plumb." While the superstitious Moslem generations were fighting and destroying one another over superstitious religious titles of rulership. The ruddy pale skin daughters and sons resorted to science—the positive number (10)—(X) and rose to world domination as a result of the Moslems ignorance of their own Scientific Universal Law. The positive (10) or (X) symbolizes the "Cross"—the Earth's axis to its orbit all there is—positive - - - plus.

DISEASE WHICH MEDICINE CAN NOT CURE

Amalgamation is the only cure for the "white peoples" disease. Had not the Daughters of the Revolution established the Roman Code of isolation from the Moorish, or Asiatic sons, the diseases such as: leprosy, tuberculosis and syphilis would have been destroyed through amalgamation. Today, there are not enough hospitals, insane institutions or prisons to accommodate the "lily white" people. Neither has medical science discovered a cure for the three diseases. Therefore, the (D. A. R. Code) has caused the "lily white" people of the world to decline to an all time low mentally, morally and physically, (CRIME). Leprosy is referred to as "Lazarus" in the Christian Bible.

THE DISEASES SUCH AS LEPROSY, T. B., AND SYPHILIS WAS UNKNOWN PRIOR TO THE CREATION OF THE BLOND PEOPLE.

Prior to the creation of the ruddy skin blond hairy bodied sons. The diseases namely: leprosy, T. B., and syphilis were unknown to the kinky-haired heavy olive hue or dark-brown skin Asiatic nation.

Knowledge of biology, anatomy, organic chemistry, Pigmentation, Botany and Electronics,—the Magnet Law of opposite attraction involving steel and iron elements. Influenced the Asiatic Scientist bearing the name of (YAQUB KUSH OR CUSH) to create the ruddy skin sons through animalistic experimentation so as to manifest the great human (Boquet) through a measurable process of global amalgamation with the Asiatic nation.

Yaqub's creative human and animalistic experimentation had its beginning in the geographical mountain regions of Venezuela, Yucatan and Honduras of Central America, embracing the Gulf of Mexico, the Caribbean Sea and the Pacific Ocean. Which resulted in the fall of civilization to rise again through ignorance, superstition, human hatred, amalgamation, medical science, human warfare, bloodshed, destruction, starvation and sorrow. Such is the great price humanity has paid for the human (Boquet).

THE ASIATIC WOMEN SCIENTISTS ARE RESPONSIBLE FOR YAQUB'S SUCCESS.

The Asiatic women scientists agreed to amalgamate with Yaqub's first creation of ruddy skin sons, from which resulted in the reproduction of both ruddy blond sons and feminine, which proved to be good and very good, in harmony with Yaqub's dream. Although it required a long process of medical care and surgery to develop the physical form and mind of the blond sons and feminine.

Yaqub and staff scientists discovered that amalgamation between the Asiatic sons, and blond feminine was the greatest weapon to combat the new diseases, namely: Leprosy, T. B., Syphilis, due to mass reproduction of Asiatic children. And as a result it was necessary for the blond sons to become social isolates on the islands of the high seas in order to prevent the spread of the new diseases.

During which period the blond women had lost their identity as the results of long process of amalgamation. The diseases also had disappeared with the ruddy shade of skin on global scales. All of which resulted in the light olive hue skin Asiatics with straight and curly black hair, and black eyes, endowed with cunning wisdom. This group resorted to amalgamation with the (out caste blond sons) of the islands, which

resulted in mass reproduction of blond children who paved the way for the great rise of the (out-caste sons of leprosy) through the powerful intriguing influence of the ruddy skin blond daughters, referred to as: the "Red Queen Tribal Rulers" with their Red Son Chieftians of vandalism in the Northern Hemisphere,—"The Indian Trail." The white people are the Indians.

Yaqub is an Arabic name. Yaqub is referred to in the Christian Bible as "Jacob". Thus the sons and their daughters of the head tribe of Yaqub, finally caught up with civilization on August 6, 1945,—the era of the Atomic Bomb.

NAMES OF DECEPTION AND CONFUSION

Yaqub's sons and daughters have given themselves many names most common of which are "Afcan" or African, Indian, Spanish, Negro, Egyptians, Ethiopian, "Graco" or Greek, Red men, Jew and the last of which is "China" or "white people"—the myth of white supremacy referred to as the "Walls of China"—the world of make-belief.

When conversing with the so-called white people. If the subject of race, blood, color and nationality should animate from their lips. All you have to do is ask them this question: Have you read the history of Yaqub? And as a result the subject of blood, color and race will come to an abrupt close without and argument of confusion. The question involves the history which the white people has thought you would never know.

WARNING:

Above all, do not emotionally resort to hatred against the blond children of (Yaqub). Otherwise you will be setting up a race of hatred against yourself, due to the long process of global amalgamation. The entire human family have a slight percentage of the new dreadful disease, namely: Leprosy, T. B., and Syphilis. After world conflict III, there will not be enough blond sons left to continue the spread of the forementioned diseases. The blond women will be spared to face the long evaded issue on global scales, namely: amalgamation with the Asiatic sons from which will destroy the cherished "white" skin people, and their disease in the course of 90 years—three generations of 30 years each.

THE ERA OF THE GREAT BATTLE ON THE GULF OF MEXICO, BETWEEN THE MOSLEMS AND THE CHRISTIANS:

1585 Christian calendar year, equivalent to 1005 Moorish calendar—the era which resulted in the destruction of the

Moorish (Fleet and Fort) in the Gulf of Mexico and the land of "Flowers" known to day as Florida, and the Island of "Isabella" known today as Cuba. 1646 Christian calendar year, equivalent to 1066 Moorish calendar year. The era of the onward rush of vandalism,—that is burning Moorish cities and destroying everything else in the category of Moorish culture and design. The Christian educators have taught that those forementioned events occurred in England across the Atlantic Ocean involving the destruction of the Spanish Armada. Well, during that era, the Island of Albion had not been named England. Therefore, there could not have been an English nation on that Island, namely: Albion. That Island was under the rulership of the Moslems, not only that Island, but the whole entire chain of land known today as Europe.

It has already been stated else where in this book that the Latin phrase namely: "Anglice" is the phrase from which the phrase English was coined in the geographical regions of Va., and New Jersey—the region of England of the "lily white" world—covering from the Atlantic to the Pacific, and from the Equator to Alaska and Greenland, referred to as "Royal Crown of England,"—dominating over the land of the Moors,—the head of the Moroccan Empire of the Moslem world, Islam.

After the formation of the United Republic of Rome in 1865. The statue of the stone God "Christ" was erected in (Patagonia or Argentina) in the year 1892, which is equivalent to 1312 Moorish calendar year. That statue is referred to as the: "Christ of the Andes," the stone God of the Roman nations of the world—(Dead Culture). "Dry bones in the valley," of ignorance in the Christian world.

(Yaqub) made the first ruddy pale skin sons, through animalistic experimentation, who reproduced or begets their kind through relationship with the Asiatic women. The sons took the ruddy pale skin feminine of Asiatic mothers for their wives, so as to perpetuate the reproduction of their kind both feminine and male, namely: ruddy pale skin. All of which were derived from the Asiatic woman, and her son, Yaqub. Thus the Asiatic woman is definitely the great "God" of Love and Wisdom who created the "devil" and her sons, who multiplied their kind. Thereby converted the world into that which is termed "hell" which involves false education in the category of religion—

dead culture. Let us remember that the "white" woman is the pillow of the K. K. K. of K. of C. She educates her sons during its nine months maturity to destroy, fight and die, in order that she might remain the God over the Asiatic nation. The "white" woman's scientific secret of educating her child during its nine months maturity is referred to in their religion as "the anointed ones,"—the code of Christianity. Thus the first and last Christian died on the cross of ignorance, violence and human warfare. The foregone conclusion has fully explained the "white son" image—the "CHRIST of the ANDES," also the God of Love and Wisdom, and the God of hatred and destruction.

CONCLUSION

Through scientific knowledge of the Universal Law of Nature as shown in the 12 signs of the Zodiac, and the square angle of 90 degrees. The monetary or Dollar System was founded by the cultured Moors. Money has not and never will up lift falling humanity or nations. It requires a national and international mass education of the Universal Law of Nature as shown in the 12 signs of the Zodiac to establish peace and up lift humanity. Moral principles generates from the science of the 12 signs of the Zodiac, as shown by the four quarters of ninety degrees each which represent the four quarters of the Earth, also the four quarters of the Dollar, as a medium of exchange on global scales. In order for the common masses on global scales to understand the applied moral principles of the Dollar System, it is necessary to temporarily destroy the Dollar System until the science of the 12 signs of the Zodiac has been taught on global scales. Then the Dollar System can immediately be re-established with moral principle, equality, justice, peace and progress minus the slave institutions known as "Mosque" "Church" and "Temple." The Moors of the U. S. A. are the only ones qualified to teach the science and principles of the 12 signs of the Zodiac.

INTRODUCTION

Truth Cannot Be Altered, and Therefore Need No Apology
And Neither Doctrine, So Fear Not.

E pluribus unum, Latin, meaning one nation of many races. "White Men" Moors: Chief Tall Man Dan, Chief Black Thunder and Chief Two Guns White Calf were (Eric's) the Red Skinned "Irish, German, Dutch, Scotts, and English, and Franch," (one) of the Amazon Valley. Chief Two Guns White Calf, on the buffalo nickle wore the Moorish Star and Crescent and the Circle of the Zodiac with the Moorish Swastika. The swastika represents the square of an angle of 90 degrees—East, West, North and South. The names such as: MORMON, MOHAMMED and MOHAWK, were derived from the name (MOOR.) The Moorish nation and the Amazon red skinned "white" peoples has been well blended, flavored and beautified to perfection through a long free process of cross sexual relation. Therefore, the 150,000,000 inhabitants of the U. S. A. constitute the Moorish nation of the North Gate who must be redeemed and civilized by the Moorish Universal Scientific law of the 12 Signs of the Zodiac before the world can enjoy peace. It is impossible for civilization and peace to be achieved by force of arms, violence and war. Only uncivilized peoples have to rely on force and weapons of human destruction for their protection.

When the heads of a governmental society have to endeavor to enact a law to force its citizens to recognize and equally respect the loyal dark and brown skinned masses of humanity as equal human beings like themselves, then the citizens of that government society are definitely not civilized. Facts cannot be altered and therefore need no apology. When the educators of the said governmental union society are afraid to teach the necessary truth, then the educators and citizens are definitely economic and social slaves, and therefore cannot be Free Master Masons and Eastern Stars.

Therefore, it is my moral duty as a Free (MOORISH American—Master Mason to clearly explain the necessary truth in order that the unfortunate slaves of this great Moorish nation, might be set free and thus become in reality Free Master Masons and Eastern Stars.

Do you know of any being that is superior to you and your mother? Well, you might acquaint yourself with the (333). 3 into 9 goes 3 times, which equals the 3rd and 33rd degrees, meaning 9 months from conception to birth, 3 times 3 equals 9, (the three threes.) The letter I corresponds with the golden number 9 which makes you and me the great I, first supreme law and 3rd 33rd and 360 degrees Freeborn Master Masons and Eastern Stars and therefore cannot be made over again.

"ISIS", equals (woman, moon and earth)—the great triangle (3 in one-powers) of infinite creation of children, water and plant life—foodstuff—life and existence. The double headed eagle represents the (Sun) on the equator, 29 degrees in the 6 sign VIRGO of the Zodiac and no degrees in the 7 Sign LIBRA, on Sept. 23rd and 24th which occurs every year in Brazil, South America, 180 degrees East longitude and zero. Thus, the U. S. A., Canada and

West Indies lie in the (FAR EAST) according to the Zodiac universal map of the Moorish nation—the measurement of man's progress.

Thus, instead of us expecting the Wise Men of the said Far East abroad to come here to liberate or redeem the world, it is in reality the peoples in the U.S.A.—the Far East, who shall redeem or liberate themselves by the 12 Signs of the Zodiac. They then would liberate the rest of humanity abroad by it rather than by the force of arms, tanks, atomic bombs, jet planes and the missionary doctrine of religion which has already served its purpose and zero. Force of arms and the American religion spell total defeat.

**RELIGION IS FOR IGNORANT PEOPLE
WHO CANNOT READ.
I AM AN INFORMER—THE TRUTH WILL ENABLE
THE READER TO REFORM HIMSELF**

The cycle of Mars and Jupiter, the carbon diamond elements and the oldes and the hardest stones of creation.

The Amazon Red Skinned "white" (Moors) progress was guided by the cycle of the planet Jupiter and the planet Mars, from 1789 to 1933. A period of 144 years. Mars passes through the 12 Signs of the Zodiac 72 times in the course of 144 years. And Jupiter passes through the 12 signs 12 times in the course of 144 years. Thus from 1789 to 1933, spelled the rise and fall of Rome on a universal scale—(Romance.) F. D. R. was aware of his being the last president of the 144 year progressive cycle of the Roman Universal influence. When he established the New Order or New Deal idea and broke the Roman order record by ruling 12 years—the measurement of man. I, the writer, was born under the 12 sign Pisces on March 6, 1897. The era of the victory age.

Writing this little book was my birth assignment in this life which I could not evade. So fear not and read this book to the end and thus become a Free Master Mason and Eastern Star, guided by practical wisdom of the universal law of the Moorish nation namely, the Zodiac.

Mars governs the force of action and evolution and Jupiter governs the height of human progress every 144 years, supported by Mars the planet of action, but definitely not for war among civilized masses of humanity as you have been taught to believe. Uncivilized masses of humanity have to fight and destroy one another. So face the fact and ask yourself this question: How can a nation protect the freedom and civilization which it has never had?

MOORISH RED FEZ

The Red Fez of the Moorish nation represents Atlas—the human head and earth. The tassel of the Fez represents the center of the universe, namely the human head and the force of gravity which attracts all objects and draw them to the center of the earth and human beings. Here you are referred to the sign Virgo, and the sign Pisces in the diagram of the Zodiac on page 33.

FORWARD

While reading this book, you are advised to endeavor to be guided by common sound reasoning rather than by emotions as the result of your traditional belief in the doctrine of religion.

I am aware of the fact that the illustration of the science of the 12 signs of the Zodiac, and the history of the MOABITE nation, the MOORISH nation and the FRANCISCAN ANGLO-SAXON nation, are confusing to the reader owing to limited education of the majority of the masses—since the FRANCISCAN Union states of North America in 1863. The true history is thus: the MOORISH nation rose out of corruption of the MOABITE nation of this hemisphere one thousand three hundred and seventy one years ago; the FRANCISCAN nations rose out of corruption of the MOORISH nation of this hemisphere in 1863, the era of the union. The only true history during the past one thousand three hundred years, is that of the MOORISH nation.

The history of the MOORISH nation of this hemisphere has been hidden or suppressed ever since the union. And now the approaching World War III, and with the atomic bomb on both sides of the earth, the time is ripe for the revelation of MOORISH history. In all of my writings, it has shown to be very clear that I am not a heathen by condemning all religions including my own religion of Islamism. Because I always have something constructive to offer in place of my universal condemnation—namely the absolute science of the law of nature as shown in the 12 signs of the Zodiac. I am not interested in religion and the "GOD" no one has ever seen. I am interested only in the solving of my economic problem and helping others to solve their problems in the most reasonable and intelligent manner, in order that I may continue to solve my problem economically. In other words, I am only interested in self and humanity because each individual depends upon one another for existence. I am not a religious hypocrite. How can one love "GOD" whom they have never seen, and hate human beings like themselves whom they see? This is hypocrisy in its highest form. An individual or a nation will have to first become self enslaved to its own false doctrine before it can indoctrinate others.

In the year 1946, Elect Gov. Talmadge of Georgia, asserted that

the Negroes had a 150 year old artificial culture from which prevented them from being qualified to demand respect and equality from the White people of the United States of North America. I fully agree with Talmadge's assertion, but Talmadge appeared to be ignorant of the fact that he was a member of the United States. A nation which unfortunately became self enslaved to the said artificial culture before they could force the defeated MOORISH nation's descendants referred to as Negroes to accept the doctrine of the image of the White woman and the White man, referred to as MARY and CHRIST.

One hundred fifty years subtracted from 1946 equals 1796—the era which resulted in the fall of the MOORISH Navy on the Great Lakes. Thus, the MOORISH history reveals that before the descendants of the MOORISH nation, referred to as Negroes, can be liberated from the artificial culture of religious worship of the union Idol GOD PAGANISM, 95% of the White people of the 48 United States will have to first become liberated from the National and International said artificial religious culture. All National and International evidence point toward the fact that the FRANCISCAN-ANGLO-SAXON artificial culture since the union of 1854 in Philadelphia, Pa. has unfortunately made 95% of the population of the U. S. A. the greatest unconscious self enslaved people that the world has ever known. Such unconscious enslavement of this great nation, the U. S. A., has made Joe Stalin's process look like "Ned" in the First Reader. If you are doubtful of the history and science of the Moorish nation your forefathers, as shown in this book, you might ask some educated "White" person or school teacher this \$64.00 question: "What was the correct name of the peoples of North America prior to the Revolution and the Union of 1863, before they were named 'Indian,' 'African' and 'Negro?'" The correct answer is: MOOR.

IF I WERE A "WHITE" PERSON OF THE UNION CHRISTIAN RELIGIOUS SOCIETY OF THE U. S. A.

If I were a "White" person of the Union Christian Society of the U. S. A., the terms such as: God, Church, Religion, Justice and Democracy would be most embarrassing to me. For many years, the God loving, Church-going, prayer-meeting, Democracy-loving "White" people of the union order of Christ and Mary, have allowed the young dark skinned woman to be victims of rape and seduction by the "White" Christian men on a universal scale, and mob violence against the dark-skinned men, and lynching them in the U. S. A. and in Union South Africa about the "White" Women, and the dark-skinned women of whom are the "White" men's slave sweethearts. All of this universal evidence against the God loving, prayer-meeting, Democracy-loving "White" people of the U. S. A. has made it appear that the "White" people of the U. S. A. and abroad have no conscience. This is meant they have no reasoning powers to distinguish between right and wrong, as the result of their 1863 union Christian obligation code of white supremacy, North America. "Crime doesn't pay."

The passing and enforcing of the Anti Lynch bill, the Civil Rights bill, and the F. E. P. C. bill is a major violation of the Christian obligation code of the Union States of 1863. The flubustering of these bills by the law makers of the 48 states influenced me to resort to research. My findings are explained in this little book, CLOCK OF DESTINY.

THE PAST AND THE PRESENT

Tomorrow never comes, and neither does the future ever comes. It is always yesterday and today. And the past and the present.—FACTS.

Thus the 12 signs of the Zodiac, Moon, Sun and the 7 Planets comprise the only unchanged book of nature which reveals the history of human development in past ages. And it also gives the master key solution to our present economic and social problems nationally and internationally. The names (Jesus and Jesute) were derived from Iustus, meaning justice.

THE MYSTERY OF BABYLON OR THE TOWER OF BABEL

The mystery of Babylon or the Tower of Babel represents the 48 states of North America, divided against itself. Each of the 48 states has its Capital and Code of Traditions different from each other, which represents 48 different nations speaking the same language—English, but cannot agree or understand one another on the necessary problems, that is to say, solution to necessary problems for the economic and social benefit for the common masses collectively owing to traditional state rights Code.

Each of the 48 states has the right to protect its Code of Traditions. This results in confusion of tongues, as the result of debates and filibustering over that which is right and that which is wrong according to states right traditional standard. All of which spells the Mystery of Babylon—the Tower of Babel—CONFUSION. A house divided against itself cannot stand.

Twelve is a universal standard of measurement and human moral principle standard of law of living, minus customs and traditions. Customs and traditions are debatable, but the universal twelve standard law principles of living are absolute, meaning perfect and, therefore, are not debatable.

“SEEK LIGHT”

Light means KNOWLEDGE. Knowledge is power, it spells FREEDOM. FREEDOM IS EVERYBODY'S JOB, on a universal scale.

For instance, if a card shark was cheating you in a game of cards, it would be unintelligent to resort to force against him. Your most intelligent act is to seek one who teaches the art of card cheating. Have him to teach you all angles of card cheating. Here you are well equipped with the necessary knowledge by which it will enable you to protect your money while engaged in a game of cards with cardsharks. And as soon as they discover that you are wise to all of their tricks, the card sharks will automatically respect you as their equal thereafter. And as the result—the old game of cards between you and them will be played on the square minus violence or hatred or fear. Ignorance

creates violence, brute force and destruction. But wisdom, correct knowledge and understanding creates unity, peace of mind, freedom, progress and the pursuit of happiness. **FREEDOM IS EVERYBODY'S JOB.** The contents of this book will free you from the name "Negro" slave.

The following are the five symbols of the twelve signs of the Zodiac which represent the universal law and **CONSTITUTION** upon which **CIVILIZATION** is founded.

P. M. S. 1973

A 3rd, 33rd, and 360 Degree Free Moorish Master Mason.

Did you ever stop to think that the Pope and every ordained Priest of the Catholic Church are master astrologers? These master astrologers are the ones who have long suppressed the science of the Zodiac by way of negative religious mystery or superstition. Only selfish dictator master astrologers can enslave the human minds to false Gods and religion. And it requires only unselfish master astrologers to expose the mystic angle of astrologers priesthood dictatorship. And thus set the human enslaved minds free. Now you may continue reading the unselfish astrologers side of the law.

"Prince Hall" is only a mystic name. So also King Solomon, Hiram Abiff, Queen of Sheba and David are only mystic names.

These scientific universal symbols of the works of nature, are definitely not idol God worship. Only the statues of dead women and men referred to as Saints and prophets, are idol God worship—dead culture.

In the year 1215 Moorish calendar year, which is equivalent to 1795 (Crusade-Croix) or Christian calendar year, in the region of (Anglia-Belgium-Armsterdam) known today as New York City, the Empire State. A fearless free Moorish astrologer and mathematician by the name of (BEN BEY) laid the foundation of the Universal Apprentice Hall of the science of government, human character, unity, human equality, justice and peace (Sa-laam) upon the 12 signs of the Zodiac and the 4 squares of 90 degrees. And termed it the (Hub) of the universe for perpetual universal freedom. This foundation is referred to as the (White House) D. C. And Ben Bey is referred to in Crusade U. S. A. history books as "Benjamin Bannicar."

You are what you know, not what you believe. One never knows by being told or preached to. One will have to acquire applied knowledge by way of study, and prove that which they know by practical scientific demonstration minus mystery, mystic phrases, signs and mythology, and mystic passwordism, and secret clanism.

We, the people of North America have the Universal Constitution which definitely equally represents each individual of the entire human family, some two billion one hundred and sixty million upon this ball of mud termed earth. Thus in order for each individual of the U. S. A. to understand the five great principles of our Universal Constitution, it is necessary that they be taught every degree of the science of Astrology, the 12 signs of the Zodiac, the complete circle of 360 degrees which represent the whole of Creation—space and time and the MASTER KEY OF CIVILIZATION. Yes, the Universal constitution has, and always will, remain in North America, referred to as the North Gate or the HUB of the Universe—180 degrees east longitude, and therefore definitely cannot be destroyed by foreign powers, and neither us. Freedom is everybody's business.

The majority of the peoples of the U. S. A. have an education superior to that of the majority of the masses of humanity in foreign lands. We have mastered every category of science. Now we have the last category of science to master; namely—the science of Astrology—the 12 signs of the Zodiac which is the father of sciences. Owing to the education of the majority of the masses of the U. S. A.; they, on a national scale, could complete the necessary course of Astrology in six months. It has al-

ready been stated that the 12 signs of the Zodiac is Universal, and that North America is the North Gate and the HUB of the Universe or Zodiac, 180 degrees. Please do not label me as a prophet and neither your leader. I am only the son of a widow—the great leader, namely, MOTHER.

One who possesses knowledge of Astrology, the ZODIAC, does not have to rely on a belief to be saved. Astrology prepares one to be saved by way of knowledge minus a belief. GNOS, ATHEIST, INFIDEL, are all Latin terms meaning knowledge or to know and prove that which you know in a practical scientific manner minus relying upon a belief and opinion. A belief and opinion are not absolute sound for ones to rely upon for perfection and economic and social progress. But the 12 signs of the Zodiac comprise the circle of 360 degrees of absolute Universal perfection of the science of geometry. Geometry has never told a lie. 90 is not a mystery and neither a theory. 12 is not a mystery and neither opinion, belief or theory. These two figures speak one universal language in terms of facts.

Yes, the numbers 9 or 90 and 12 are definitely not debatable. The science of the Zodiac will automatically expose every under-cover act of mankind universally, including the so-called moral doctrine of organized dictatorship over the human minds and reasoning.

The two schools of thought. There are two schools of ideals in the U. S. A., namely, Theology and Masonry. Thus, in order for the masses of the U. S. A. to maintain and increase their liberty or freedom, one of these schools of ideas must resort to the teaching of the science of the 12 signs of the Zodiac. Well out of these two schools of ideas only one is qualified. This one is referred to as the Masons. Yes, we must increase our liberty by solving the nation's crucial problem by the square—an angle of 90 degrees.

WHY THE ASIATICS ARE RISING SO RAPIDLY

The teaching of the science of the 12 signs of the Zodiac is rapidly spreading in the ASIATIC world, to fulfill with the majority of the common masses in the course of time. Freedom is everybody's job. The population of the U. S. A. appears to con-

tinue to rebel against the science of the 12 signs of the Zodiac
situation. You might look up the terms IDOL and PAGANISM
in a first class dictionary for definition, and then draw your own
conclusion by reason. If we, the peoples of the union of North
America, are not careful, those so-called ignorant ASIATIC mass-
es of humanity will rise by way of the 12 signs of the Zodiac as
our superiors in practical economic and social knowledge or cul-
ture, but not to enslave us. We will have to rise by way of the
Zodiac to make progress on equal bases along with them or else
remain our own slaves relying upon impractical ideas or doctrine.
Knowledge is power. Freedom is everybody's job.

What is the Zodiac?

The Zodiac is an unchanged map of the universe which com-
prise 360 degrees. The Zodiac is equally divided into four angles
or squares of 90 degrees which represent East, West, North and
South; and fire, water, air and earth; and spring, summer, fall
and winter. Three times four equals twelve. The Zodiac is also
equally divided into twelve zones of thirty degrees each, which
represent the 12 months termed a year, and the 12 signs from
which reveals human character, talent, action and reaction and
the great law of cause and effect universally.

What is Astrology?

Astrology means Astro-logic or logic of the works of nature
as shown in the 12 signs of the Zodiac—having to do with solu-
tion to problems and human characteristics.

Revelation:

The term revelation means to reveal, or to make known to
that which has been suppressed, or shielded by selfish people of,
organized dictatorial nature. Well, in the book of John, Revela-
tion, the Zodiac is referred to as the 12 foundations, the 12 Gates,
the seven seals, the four squares, and the measurement of man.
The term, MINEVAH, means the NO. NINE. Thus, the Zodiac
of 360 degrees is squared by the number 9. Thus, this Revelation
means the very end of the doctrine of mystery, mythology, and
organized, theological dictatorship, and the rise of humanity with
civilization; namely, the science of Astrology—the 12 signs of the
Zodiac. Here the entire earth will become that great City,

The evil act of the MOORS and the AMAZON FRANCISCANS of South America, contrary to the Zodiac, automatically converted the entire world—the minds of humanity, in that which is termed a living "hell" during the past 400 years.

The Fathers of Civilization and Offsprings:

1. The dark skinned, kinky-haired, thick-lipped MOABITE nation are the fathers of civilization—North, Central and South America.
2. "The dark-skinned, kinky-haired MOORISH nation are the direct descendants, of the MOABITE nation." The term MOOR means navigator of the seven seas, guided by the North Gate—pole star. The Moorish nation prior to the Revolution and the Union of 1863 in North America, is referred to as: Spanish.
3. The ruddy, or red-skinned "White" AMAZON FRANCISCAN nations, are the experimentation descendants of the MOORISH nation.

E-PLURIBUS UNUM is Latin meaning, one out of many races, caste, color and sub nations. The great Seal on a U. S. one dollar bill is that of the Moorish nation. A

It is contrary for a victorious nation to put on its currency the head of the defeated nation. Well, the head with the feathers, on a U. S. early penny referred to as Indian, is that of the "White" AMAZON woman. And the head with the feather on the Buffalo nickel is that of a "White" AMAZON man. The Red Skins." The (feather) and the (eagle) symbolize the height of their rulership and mystic Royal Crown at the top of the world—North Canada.

• The term FRANCISCAN means, freemen or FRENCHMAN, or FREEDOM and LIBERTY: FRANCHISE, which automatically made North, Central, and South America the first FRANCE, and the peoples FRENCHMANS, and spread abroad. The terms German and Jew were derived from Jurimin or Juriman, based upon the 12 signs of the Zodiac. Each sign of the Zodiac is considered a jury. And the 12 signs are referred to as the 12 Jurimans. The 12 signs of the Zodiac is squared by 9. Nine goes in-

to 360 degrees 40 times. Thus, the number 9 represents the nine judges of the supreme court—federal gov't. Masonry or (Islam.)—I AM, the widow son of 9, the first law.

STAR SPANGLED BANNER
THE NATIONAL ANTHEM OF THE UNION
STATES OF NORTH AMERICA—1863

Was written by Francis Scott Key (scott free) during the decisive war between the Franciscans and the falling MOORS, in the year 1814, which is equivalent to the year 1234 Moorish Calendar Year. For many years the Union States of 1863 had no official National Anthem. Finally it was adopted as the National hymn.

THE STATUTE OF LIBERTY ON BEDLOE'S ISLAND
IN THE BAY OF NEW YORK

Was designed by Bartholdi, and presented by the (Franchise) or Free people of the Union States in the year 1881 in honor of the victorious daughters of the American Revolution who overthrew the Moorish Society of Islam. The statute was completed in 1886. On Ellis Island all "White" foreigners are taught to uphold the Union States right myth of white supremacy before they can qualify for citizenship in good old U. S. A.

Was erected in the year 1892 in honor of the Free (Franciscan) sons of the Union Army of the North America Republic of 1863 who defeated the last of the Falling Moorish Nation from Cuba to the Islands of Hawaii and the Phillipines between 1863 and 1898. The falling Moorish nation are referred to in U. S. A. history books as: SPANISH.

The MOORISH nation, Latin Sir Names: (BEY) and (EL.)
(These Sir Names are the Moorish descendants of America without legal due process. Your Moorish nationality and name: (Bey and El) comprise your birthrights which will change you from being a U. S. A. Negro slave to a respected citizen.)

1. (BEY means Lord of the earth—meaning subdue the earth and make it yield all of the necessities of livli-

hood. Thus, the earth O'BEYS. Islam means (I AM) the great, (I AM) namely, you and me—woman and sons.

2. "El means the center of wisdom or gravity—the law of attraction and the power of the human mind, EDUCATION.
3. "ALLAH means the MOORISH woman, who is the Mother of Modern humanity, male and female of all different shades of skin or colors.
4. "AL KORAN means the CHRONOLOGICAL record of the MOORISH nation—namely, the science of the 12 signs of the Zodiac—the universal Law and constitution—geometry—the square an angle of 90 degrees.

The Franciscan union states right society of 1863 North America and abroad is guided by the MAGNA CHARTER, and not the Constitution. The following reveals how the barbarians of North America, the tribe of the (AX) and the tribe of the (SPEAR) allied together and became the ruler of the world and the seven seas, between 1828 and 1898.

The terms: Anglia means Spear, and Sakai means Ax-Latin. The terms English and Anglo were framed from Anglia, and the term Saxon was framed from Ax. Phrased together brought about the Anglo-Saxons in North and Central America and spread abroad. The Anglia or English language was framed in 1828 in Virginia. From which resulted in the birth of the new world and new nation. Prior to 1828, the FRANCISCAN tribes were speaking various dialects of Latin, the language of the MOORISH nation. Thus, the Anglia or English language is the manifestation of all spoken Latin dialects which makes it the simplified universal language for the one race—the human race.

The history of the 12 signs of the Zodiac reveals that humanity on a global scale has been totally cut off from truth for four hundred years. Thus, the history of the 12 signs of the Zodiac has revealed to the reader the great chain of human progress through the scientific knowledge and ignorance during the past fifty one thousand and eight hundred and forty years. From the MOABITES to the MOORS, and from the MOORS to the (FRANCISCANS or the Franch or the ANGLO-SAXON.) Where the dark skinned, kinky-haired, thick-lipped MOABITE or MOORISH

woman comes from, no one knows) There is not an animal in the world that has thick lips, kinky hair and dark skin like her. All that which can be proved is that she is the Mother of male and female—the human race, who reproduce their kind. She, the MOABITE or MOORISH woman, is referred to as WIDOW. Please do not take the wrong conception, because all female or women are equally mothers and sisters, and all male sons come into being by way of them. Therefore, all sons are brothers and sons of a WIDOW.

THE REAL HELL AND PURGATORY

Ignorance of the scientific truth of the works of nature involving the inner nature, and action and reaction of human beings as shown in the 12 signs of the Zodiac, results in a confused state of mind and mental and economic and social suffering—referred to as "HELL."

THE REAL HEAVEN, FREEDOM AND PEACE (SALAAM)

Knowledge of the Zodiac gives one a perfect state of mind and reason upon that namely, the forces of nature which dwell within themselves and about them all of which is referred to as "HEAVEN" and happiness, and peace of mind with ones self.

"We have nothing to fear except fear itself." So seek scientific knowledge of the 12 signs of the Zodiac. Then you will be set free of artificial culture and fear. (SALAAM) means peace in the MOORISH language of Latin.

IT IS AGREED THAT EDUCATED SLAVES ARE THE GREATEST SLAVES, NAMELY SLAVES AS THE RESULT OF FALSE HISTORY AND RELIGIOUS DOCTRINE

Thus, the unconscious Moors of the U. S. A. referred to as Negroes, are the world's greatest slaves. They have been educated to believe that the "White" people brought their forefathers from Africa as Negro slaves, and that Abraham Lincoln set them free in 1863. All of which is the greatest fallacy that the world has ever known.

[REDACTED]

[REDACTED]

"The names such as Africa, Egypt, Babylon, Indian, Negro, Greek, Mohammed and Ethiopia are that of the product of the Franciscan Dutch Priests, pirate masters of the iron cross Hapsburg legions of Brazil, South America, between the Franciscan Revolution of 1789 and the union of 1863, North America. The Moorish nation, namely, the kinky-haired, dark-skinned, thick-lipped people had no Mohammed as their prophet, and neither God nor religion. The kinky-haired Moorish nation's law is geometry and the 12 signs of the Zodiac—REALITIES, of which is described in this book, CLOCK OF DESTINY—The secrets of the Great Seal.

I have attempted to convey to the reader's intelligence that: Negro, Mohammedan, Indian and African as human beings, together is a myth, of the philosophers of the Franciscan Priesthood of the Revolution and the union, and, therefore, have no history. Whenever the so-called intellectuals, politicians, lawyers and representatives—"Negro" slaves, celebrate "Negro" history week, and boast of being proud of being a Negro, the "White" peoples of the union enjoy a haughty laugh up their sleeve, because they know that the so-called Negro slave leaders represent the blind leading the blind. Meaning Negro slaves have no rights that "White" women and men should respect. This fact is what Bilbo, of Mississippi had reference to when he once asserted, if he, Bilbo, "Could talk to the Negro from door to door as he wished, the Negro would never want to vote in white society again." Well, the contents of this little book, CLOCK OF DESTINY, has fully explained what Bilbo wished to tell the Negro slaves, but could not, owing to his obligation of the Christian religious union social order of 1863—the very same obligation that every "White" woman and man of the order of Mary and Christ are under at home and abroad. So study the contents of this little book, and thus redeem yourself from being a Negro slave by way of knowledge minus violence, guns, atomic bombs, jet planes and tanks. I, myself, am not a "Negro" slave and neither a Christian, yet I am your male brother.

The mathematic trip around the world by way of the 12 signs of the Zodiac are referred to in Mason mythology as "I am traveling East."

GEOGRAPHY OF THE 12 SIGNS OF THE ZODIAC,
AND THE RISE AND FALL OF NATIONS,
FROM 1605 TO 1965.
THE FULFILLMENT OF 360 YEARS OF IGNORANCE,
FEAR, BLOODSHED AND DESTRUCTION

Following this geography of the Zodiac is a diagram of the earth revolving around the sun, marking the 12 months and signs during its annual revolution of 360 degrees. Each degree of the earth revolving around the sun represents a day. Thus, 12 months of the Zodiac comprise 360 days which is the complete circle of universal perfection. Firstly, I begin with Aries, the first sign of the Zodiac, Vernal Equinox. When the rays of the sun are one degree in the sign Aries, it is the first day of the spring season, and the first day of the New Year in harmony with the Universal law of nature. The rays of the sun enter Aries at Sumatra East India on the Tropic of Cancer in the Northern Hemisphere, on March 21st. Here the days and nights are universally equal. Aries, Taurus and Gemini, are the first three signs and months of the New Year. Thus, on June 21st the rays of the sun are in its last degree of the sign Gemini, which marks the end of the spring season, and the beginning of the summer season.

THREE IN THE EAST
SIGNS OF THE ZODIAC
5,400 MILES

Thus, on June 21st, the rays of the sun are in the first degree of the sign Cancer. Here the earth is at right angle of 90 degrees—the longest day of the year. This 90 degree angle of the earth to the sun occurs at Wake Island in the Pacific Ocean, and is the East Gate of the Zodiac, referred to as the three in the East, meaning the first three signs of the Zodiac—"High noon."

~~THREE IN THE NORTH~~
~~SIGNS OF THE ZODIAC~~
~~10,800 MILES~~

Extreme East—180 degrees. N. Y. and Boston, U. S. A.
Now the North Gate. Cancer, Leo and Virgo are the three signs in the North Gate. The rays of the sun enters Cancer at Wake Island, and ends at California on July 22nd, and enters the

sign Leo, and ends on August 22nd on the line of New Orleans; St. Louis, Mo.; Chicago, Illinois and North West Canada. Thus, all of the land from Alaska to Mexico, and from California to St. Louis, Mo., lies in the region of the sign Leo. Universal standard time is measured from Denver, Colorado in the sign Leo. In the year 1884, the measurement of time and geography was shifted from the U. S. A. to the Island of Albion—known as the British Isle or England, at Greenwich. Thus, on August 23rd, the rays of the sun enters the sixth sign, Virgo, and ends on September 23rd at the Arch of Greenland, the deep waters of Boston, Mass., and the Eastern coast of Florida. On September 23rd, the sun is in its last degree of Virgo, the last SIGN of the North Gate—the sixth sign of the Zodiac—180 degrees. Here you are referred to the diagram of the Zodiac. Thus, on September 24th, the earth turns from the sun in the North to the sun in the southern hemisphere in the sign, Libra, at OBIDOS, Brazil, South America, and ushers in the fall season in the Northern Hemisphere, and the spring season in the southern. Here again the days and nights are universally equal—the fall EQUINOX.

THREE IN THE WEST

SIGNS OF THE ZODIAC

16,200 MILES

The signs Libra, Scorpio and Sagittarius comprise the West Gate of the Zodiac on the Tropic of Capricorn in the Southern Hemisphere. The signs, Libra and Scorpio, lie in the Atlantic Ocean. Thus, the rays of the sun pass through Libra September 24th to October 23rd, and October 24th to November 21st. Scorpio, and enter the 9th sign, Sagittarius, on November 22nd at Wind Hock in South West Africa, and remains until December 21st. Thus, on December 21st, the rays of the sun are in the last degree of the 9th sign, Sagittarius, which marks the shortest day of the year. Here the earth has evolved 270 degrees of the Zodiac—the 9th month of the year, and the end of the fall season. "LOW NOON."

THREE IN THE SOUTH

SIGNS OF THE ZODIAC

21,600 MILES

The signs Capricorn, Aquarius and Pisces comprise the South Gate and the last of the four squares of the 12 signs of the Zodiac and year. Thus, on December 21st, the rays of the sun enter the

sign, Capricorn, the 10th month and sign of the Zodiac, which mark the beginning of the winter season in the Northern Hemisphere, and the beginning of the summer season in the Southern.

Here the people enjoy summer in the South—South America, Africa and Australia and New Zealand, while the people in the Northern Hemisphere undergo icy winter. And in July—the people in the Southern Hemisphere undergo winter, while the people in the Northern enjoy summer. Thus, on January 19th the rays of the sun enter the sign Aquarius—the 11th month and sign of the Zodiac—mid-winter. Thus, on February 20th, the rays of the sun enter Pisces—the 12th month and the 12th sign and last sign of the year and the end of the winter season.

The 12th sign, Pisces, is the complete circle of 360 degrees or days termed a year. The Indian Ocean and Java East India lie in the 12th sign Pisces—the South Gate. Here you are referred to the diagram of the Zodiac. Opposite of the sign, Gemini, 90 degrees, is the sign, Sagittarius, 270 degrees. The earth is square. And opposite of the sign, VIRGO, 180 degrees north, is the sign, Pisces, 360 degrees south. These four points of the universe—earth are referred to in masonry as the LEVEL and the PLUMB, or the negative and the positive forces of nature upon which the world took form, the universal law of natural perfection. Upon this perfect foundation of the universal law of life realities and existence. The Franciscan-Catholic (Daughters of the American Revolution) established the mythical or unreal doctrine of Holy Mother Mary and Son Christ, in the year of 1854. The planet Uranus governs human revolution and new social orders. It requires 84 years for the planet Uranus to pass through the 12 signs of the Zodiac. Thus, in 1928, the planet Uranus had evolved its last degree of the 12th sign, of the south Gate of the Zodiac in the regions of the Indian Ocean and Java East India. It crossed the Equator into the sign, Aries, the first sign of the East Gate of the Northern Hemisphere, and remained in Aries until 1935. That position of Uranus influenced the masses of Asia and modern Europe to revolutionary action to free themselves from under the influence of the iron-handed rulers of the Franciscan priesthood.

In 1935, the planet Uranus entered the sign, Taurus, the second sign of the East Gate in the Northern Hemisphere, and remained in Taurus until 1942. The sign Taurus rules over the Is-

land of Japan. Thus, the revolutionary influences of nature of Uranus in Taurus, the Bull sign, influenced the Japanese masses to sudden violent action against the powerful rulership of the Franciscan order. In 1942, the planet, Uranus, entered the sign, Gemini, the last sign of the East Gate, and the first 90 degrees East longitude of the Zodiac, which ended at Pearl Harbor and Wake Island in 1949.

Thus, in 1949, the planet, Uranus, entered the sign, Cancer, the first sign of the North Gate of the Zodiac, ruling from the Hawaiian Islands to the banks of California, until 1956. This region of Cancer is 120 degrees East longitude of the Zodiac. While the planet, Uranus, is in this region of the sign Cancer of the North Gate, its revolutionary influence will force the Saint Franciscan Daughters of the American Revolution to overthrow the unique system of white supremacy established by the feminine powers between 1848 and 1854 and 1863—the union of "Holy Mother Mary and Queen Victoria," the Victory or the Victorian age, of corruption which was born out of the corruption of the half breeds Moorish society of ISLAMISM. Thus, from 1949 to 1954 or 1956, under the revolutionary influence of the positive planet, Uranus, will mark the definite end of the doctrine of the Saint Franciscan Daughters of the American Revolution namely, the Knight of Columbus of the Ku Klux Klan of the Union States rightism of the MAGNA CHARTER; and the rise of Freedom, Unity, Justice and economic and social equality, minus the names such as "white, Negro, Indian, Colored and racism."

All of the atomic bombs and the military forces of the U. S. A. and abroad, definitely cannot check the positive Revolutionary forces of the planet, Uranus, in the North Gate of the Zodiac—the Hub of the Universe—North America. Thus, in 1956, the planet Uranus will enter the sign Leo, to remain in Leo until 1963. Leo governs the western half of Canada, U. S. A., and all of Mexico. This western half of the North American continent governs our economic system—the bread basket, and oil, iron, silver and gold, and atomic elements. Thus, from the last two years of the planet, Uranus, influence in the sign, Cancer, 1954, 1956, and the seven years in the Royal sign, Leo, will affect the U. S. A. economic system to the extent that the masses of the union society will have no alternative, and as the result, the greatest economic and social change that the modern world has ever known will be made by them. Here in reality the population of the U. S. A. will rise with

the culture of the Zodiac—the universal constitution, to become the greatest economic and social and moral power on Earth, minus atomic bombs, and military forces of corruption.

Here the rest of the masses of humanity and dictators abroad will lay down their arms of war and follow us. Geometry has never told a lie. Yes, the great change must take form through a universal economic collapse, from which will automatically destroy all doctrine of isms and theological superstition on a Universal scale. Here the entire human family will enjoy Freedom—a perfect state of mind, referred to as "Heaven." The 12 Signs of the Zodiac is also referred to in Bible mythology as the "Walls of Jericho."

THE GREAT PLANET SATURN

The great planet Saturn, is the school master of the universe (earth). Thus, Saturn governs the products of the earth, economics, restrictions, sorrow, and the destiny of mankind and the rise and fall of nations. It requires 30 years for Saturn to pass through the 12 signs of the Zodiac, and 360 years to complete his major revolutions of the great walls of the Zodiac. Thus, 360 years of Saturn major revolutions of the great walls of the Zodiac—subtracted from 1965 equals 1605, the era which began with MOORISH astrologers who predicted the rise and fall of nation, which had its beginning with the Dutch pirate Priests of the Hapsburg legions Iron Cross Society of Brazil, South America.

In 1935, the planet, Saturn entered the sign Aries, and passed through the six signs of the East Gate, and the North Gate of the Zodiac from 1935 to 1950 November 21, and crossed the equator into the sign Libra in Brazil, South America, which is the first sign of the West Gate of the Zodiac. Thus, from here in Brazil, Saturn will pass through the three signs of the West Gate during the next seven years from 1950 to 1957.

Then Saturn will enter the sign Capricorn, the first sign of the South Gate of the universe, and pass through the three signs of the South Gate by 1965. Here the great planet, Saturn, will have completed his major 360 years revolution of the rise and fall of nations which had its beginning in 1605 in Brazil, South America, and will end in North America in 1965. The influences of the planets passing through the 12 signs of the walls of the Zodiac has never told a lie.

It requires one thousand four hundred and forty years for Saturn to complete four major revolutions of 360 years each. Thus one thousand four hundred and forty years ago in the Pyramid of Ucutan in Mexico, The scientists of the MOORISH nation established the new era of ISLAM geometry, and their supreme process of scientific experimentation with electronics—the law of attraction involving plant life and animal and human beings, from which resulted the people of red or ruddy shade of skin with long blond hair, and the new era of medical science, surgery and blood banks.

The name of the head scientists of the MOORISH nation during that era is Yakub, which means in English, Jacob. Here was the beginning of the 12 tribes of humanity and global amalgamation to manifest the different colors or shades of the human skin, and the conversion of the masses of humanity into caste systems so as to manifest as different peoples from each group of the castes. A group of people with the same shade of skin and hair put into a caste so as to prevent them from conducting sexual relationship with another caste slightly different.

Their color and hair will remain practically the same. Had not the "white" people copied this system of the MOORISH nation in 1863, the union, there would not have been any "white" people on earth today. Well, since Saturn is the planet of destiny and human evolution, the caste of the "white" peoples is justified of the union 1863. In order that they might rise and rule the world and the seven seas for their first time in history. During this period of their rulership, they employed injustice against the MOORISH descendants which is true justice, owing to the mistreatments of their forefathers by the half breed cruel MOORS. This process of universal justice is referred to as retribution—meaning, we dark-skinned MOORISH descendants of the U. S. A. and abroad have fully reaped the cruel harvest of the seed sown by our forefathers—under the influence of the great planet, Saturn, the force of justice. And now the caste "white" people will have to obey the influence of Saturn against their will, from which will result in the loss of their color or shade of skin forever.

The great planet Saturn is the school master of the universe, and the force of justice who teaches mankind to reason upon right and fear no evil. I am aware of the fact that the contents of

this book is hard for the reader to understand owing to their desire to endeavor to protect the false doctrine which they have been taught to believe, but by the time the planet Uranus passes thru the signs Cancer and Leo, during the next 14 years of the North Gate, U. S. A., every living person in the U. S. A. will turn loose that which they have been taught to believe and protect. Then, the contents of this book will be just right for them to understand and cherish and to endeavor to apply the law of nature.

The great planet Saturn is still the school master of the universe, who has never failed to make one understand the difference between right and wrong or the real and the unreal—or fiction and facts. Yes, the influences of the great planet, Saturn, and the revolutionary or radical planet, Uranus, will make the intellectual masses of the U. S. A. forget all about the fictitious literature or history involving the mythical or fictitious races and nations such as African, Indian, Negro, Egyptian, and the fictitious story of Moses and the plight of the Jews, and the myth of Jerusalem, and the myth of the birth of Christ by Holy Virgin Mary. And thereby face the fact of the history of the MOABITE nation and the MOORISH nation and the Amazon Valley, South American Franciscan blond nation, of the union of Rome in 1863 North America. The "white" red-skinned people are only one thousand years old. 1,000 years subtracted from Moorish 1371 equals 371 years—Moorish Calendar Year.

Yes, the influences of the great planet Saturn and the radical planet Uranus, definitely do not debate and neither argue with the masses of humanity who are relying upon falsehood for their guidance rather than facts of life—existence and realities. These two forces of nature, namely, Saturn and Uranus, makes humanity yield to (realities—life and existence right) or destroy themselves in their endeavor to evade realities. (Now pull off your shoes, and the ground on which you stand is in one whole (Holy) universal body. So let us rise and face realities and commune together as one race—the human race—Realities or right. The Zodiac represents the law of cause and effect.

(The history of the MOORISH nation and the MOORISH science of the Zodiac has proven that the peoples of the U. S. A. are more overcome by fear than they are hatred. The "white" people are afraid of the revelation of the MOORISH history and science. The unconscious (MOORS) Negroes, are afraid of God,

afraid of truth, afraid of one another and afraid of hell, the devil and "Heaven." The peoples of the world do not really hate one another, the trouble is fear and ignorance. The star and crescent or the flag with the moon and star in the center is that of the living MOORISH nation of North America, referred to as Negroes. As long as geometry and the North Gate of the Zodiac live, the MOORISH nation also live. 1605 Christian calendar years is equivalent to 1025 MOORISH calendar years. The Crusade (Dutch-German priests) mathematicians added 580 mythical years to the correct Moorish calendar year of 1025. 580 added to 1196 equals 1776. 580 years added to 1283 Moorish calendar year equals 1863.

Thus, the head of the living MOORISH nation, labeled as Negroes are referred to as "Dry Bones in the Valley," meaning they are mentally dead for lack of knowledge of truth. And the "white" educators are afraid to teach them the truth. And if the "white" people would attempt to reveal to the mentally dead MOORS the truth of their MOORISH history, they would rebel against accepting it because they believe the "white" people have taught them the truth and as the result the mentally dead MOORS from the preachers on down to their followers will conceive the thought or idea that the "white" people are endeavoring to trick them.

NO WAY OUT

So this tendency have the "white" educators on a "NO-WAY OUT" spot. Therefore, the positions of the great planet Saturn and the radical planet, Uranus, ruling the North, West, and the South Gates of the walls of the Zodiac—the universe, during the next seven years will arise them from their mental death of ignorance to a living conscious beings—the head of the MOORISH nation. The influences of Saturn and Uranus will raise the people from their mental death whether I myself write it or not, because it has already been written in the universal book of nature namely, the Zodiac. I am only expressing it on paper in order that those who read it and thus become redeemed from their mental death of ignorance and thereby rise with intelligence, unity, wisdom, knowledge and understanding in order that the great economic and social change in the U. S. A. the North Gate might be brought about more rapidly and peacefully, contrary to the approaching blood bath owing to ignorance—namely, religious, racial, color and state tradition ignorance.

This rapidly approaching tendency has influenced me to write this little book. So let us all learn to live, instead of wading in blood up to our necks endeavoring to out-do the cycle forces of the planet Uranus and Saturn. Joe Stalin and his host are definitely not thinking about coming to take us over, as you are being taught to believe. The science of the Zodiac reveals the great fear of the "white" people of the union is Sexual Relationship between the white women and dark-skinned and brown-skinned men on a national scale. Well, the great planet, Saturn, is bound by a great circle which represents "NO-WAY-OUT." Even if I did not write it, the great ring around the planet, Saturn shall bring about this relation regardless of cost. The great planet, Saturn, recognizes only two different people in the whole of creation, namely, female and male, or woman and man. Yes, Saturn is the school master of the universe. One race, the human race, and one aim and one destiny—progress and peace.

FIFTEEN YEARS OF UNFAVORABLE WEATHER CONDITIONS

The influence of the great planet, Saturn, on the weather conditions in the Northern Hemisphere from 1950 until 1965. For the next fifteen years, the planet, Saturn, will be below the Equator in the Southern Hemisphere. Saturn crossed the equator on Nov. 21st in 1950, and will remain south until 1965. This position of Saturn results in falling weather, cold winters, floods, and chilly springs and summers in the Northern Hemisphere until 1965. There will also be numerous earthquakes.

The science of Astrology, the 12 signs of the Zodiac, is everybody's law for them to cooperate with the works of nature, and nature cooperates with them from which spell unity, perfection and progress. One does not have to belong to Church to gain benefit through applying the science of astrology, and neither do they have to employ the mystic God names such as ALLAH, GOD, CHRIST, and Mohammed as their prophet. The term, nature, is not confusing. One does not have to bow in prayer to the supreme law of nature to gain benefit. The only way for one to gain supreme benefit in life is study the works of nature as shown in the 12 signs of the Zodiac. The sign, Virgo, governs our industries and organized labor. The eastern half of U. S. A. and Canada and West Indies. Also coal mines, medical herb plants and chemistry, and granite rock composed of mica.

CLOCK OF DESTINY

THE 12 SIGNS OF THE ZODIAC

This diagram of the symbol of the earth revolving around the sun has proven that the 12 signs of the Zodiac, and the natural philosophy of Astrology involving human character, intelligence, and action and reaction and human destiny, is definitely not a myth, a superstition as the Christian religious teachers and leaders, including those referred to as Masons and Eastern Star have taught the unfortunate masses to believe. You are advised to begin with the sign of Aries, and count the lines of the earth in harmony with the rays of the Sun, and end with the 12 signs Pisces. Here by reason you will agree that the Zodiac is the universal law and constitution upon which civilization is founded. Knowledge of the science of the 12 signs of the Zodiac is in reality the great password and signs qualification. Your belief in the doctrine of priesthood religious mythology will definitely not stand up against the illustrated above diagram of the earth and sun, electrically connected and reflecting moon shaped light and

darkness, marking the months or signs during its annual revolution of 360 degrees or days—the Zodiac. The above natural 12 signs of the Zodiac are referred to in Bible mythology as the 12 Tribes, 12 Jurimans, the 12 Disciples, the 12 Apostles and (Yakub) or Jacob's ladder of 12 steps. The sun in the center is referred to as Christ. And healing the sick, lame and the blind, and feeding the multitudes with five loaves simply means scientific culture of the 12 signs of the Zodiac which sets one free of priesthood slavery. Mythology fear, is mankind's greatest enemy.

(Acadia) is today Canada and (Scotia) or Nova Scotia of North Canada, is the original Scotland—the origin of the Irish and the Scots, and the Anglia and the Saxons, and the Belgians.

"SCOTTISH RIGHT KLANISM"

The Mystic phrases employed by the Christian (Master Potentate or Priests) of the Union of 1863 and 1868 are responsible for their followers' ignorance of the applied principles of the universal law and constitution of the Zodiac. All of their followers have is blindfolded secrets, mystic passwords and mystic phrases, laden with heavy dues or taxation. It is impossible for the followers of the mystic orders of the U. S. A. to enlighten and elevate falling humanly owing to their blindfolded obligations to keep their so-called secrets. "The blind leading the blind," which is a universal disgrace against the perfect law of the Book of Nature—the 12 signs of the Zodiac. Our boys are paying the price on the battlefields, today.

One's M. A., M. S., B. A., B. S., D. D., L. L. D., Ph. D. and Alpha, Beta, Kappa, Gamma to Omega, especially if their skin is dark brown, means very little to them in a practical manner until they have absorbed the revelation of the Moorish history and the science of the Zodiac as shown in this little book. All M. D.'s possess universal knowledge of the Zodiac.

~~THE UNDEFEATED MOORISH MARINE FORCE OF NORTH AMERICA AND IN THE PACIFIC OCEAN 1853 AT THE GOLDEN GATE, CALIFORNIA~~

The (Japanese or Spanish) are the product of the undefeated MOORISH Marine Force in the year 1273 Moorish Calendar Year, which is equivalent to 1853 (Crusade-Croix) or Christian Calendar

Year. ~~During that era~~ their skin were dark brown. They also had thick lips and kinky hair. So also the Moors of the modern Hawaii and the Philippines had thick lips and dark skin and kinky hair. The modern Japanese and the Philippines and Hawaiians skins are of a golden shade owing to the one sided relationship between the "white" men and dark skin women.

"KING SOLOMON"

1. "King Solomon" is the earth which contains all of the elements, wealth and the forces of nature. Thus, the earth is the store house or all of the wealth of creation which makes it the wisest "man" or planet. So, also, the human body contains all of the elements of the earth.

2. "Hiram Abif" is the Sun, which marks the months, seasons, signs and the measurement of time and space during the earth's annual revolution of 360 degrees. The "Grand Master" is the Fall Season, Oct., Nov. and Dec. The Fatal Blow is Dec. 21st or Jan. 1st, when the Sun enters the sign, Capricorn, and ushers in the winter season in the Northern Hemisphere. Here the cold weather strikes its fatal blow to plant life. And in mid-February the earth evolving or arising from the slumber of the winter season toward the Spring season for reviving or riserection of warm weather and plant life. Thus, the approaching grip of the spring season against the winter season is referred to as "the strong grip of the Lion's Paw," meaning the spring season has raised plant life from its death bed of frozen earth to a living perpendicular—New Life, on March 21st or April 1st—the Vernal Equinox.

(a) The Vernal Equinox.

(b) After the earth has completed its 360 degrees in the 12th sign, Pisces and evolves to the first sign, Aries, then the mystic names such as "Wishful Master" and "The Ram In The Burning Bush" are employed, meaning the heat of the earth and sun is in the Northern Hemisphere for six months. The period of planting, cultivating, vacation and return for harvest.

"QUEEN OF SHEBA"

3. "Queen of Sheba" is the five great principles of the 12 signs of the Zodiac, namely Wisdom, Understanding, Unity, Peace

and Progress. King Solomon's Temple is the human body and earth. The human body—the real Temple is created by Mother from conception to birth in the course of nine months without the use of nails and the sound of a hammer. Thus, the human body is the Temple of GOOD of Mother's grand perfection referred to in mystery as "GOD." The union 1863 tradition of white and colored masons is a universal disgraceful violation of the supreme law of Masonry.

ORIGIN OF THE TERM MASON

The term Mason is derived from (Womb-man-son) meaning woman and son. (WO) is negative (womb) and (MAN) is positive, meaning the powers of the womb of female are responsible for the creation of sons in the course of 9 months which makes women supreme master creators of both female and sons from unformed matter planted by another son of a female. Phrased together spells (Womb-man-sons) or woman and sons. (Wo) was struck out, and (n) was struck out leaving (ma) phrased with (son) which spells (Mason) Thus woman, sons and child reproduction comprise the great triangle (3 in one) of universal supreme creation of humanity. Woman has no father and neither husband, for all male sprung from her. Where woman comes from, no one knows. This makes her a widow.

The CROSS is in Reality the Positive Number

10 which symbolizes X or (+) Plus

or the Level and the Plumb

Thus, the Level, negative, and the Plumb, positive, represent the negative and the positive forces of nature, namely, female and male, upon which the world took form.

The SCIENTIFIC Symbols of the Zodiac

J. M. Bey

Had not the Moorish nation established the science of geometry, there would be no way of calculating the months, seasons and years, and the measurement of time and global geography upon the above diagram. The Moorish nation established the dollar system and the four quarters of the dollar which represent the four quarters of the earth. The dollar system was handed down to the Franciscan fathers of North America by the Moorish nation. That is the basic reason why the U. S. A. dollar has ranked superior over all other monies of the Christian nations of the world today.

The four quarters of the U. S. A. Moorish dollar represents human equality, moral principle, justice, peace, economic and social progress on a universal scale. The Moorish nation violated their own dollar system by imposing taxes upon the Amazon

"white" people without representation which resulted in the fall of the Moors and the rise of the union order in 1863. From 1863 to the present, the Amazon "white" people have imposed taxation upon the Moorish descendants referred to as Negroes, without representation which has resulted in the fall of the union Christian order on a universal scale, and the rise of civilization on a universal scale. Both, namely, the Moor and the Franciscans Anglo-Saxons are equally guilty of violation of the dollar system and, therefore, had to pay the penalty through war, bloodshed and fall

Food For Initiated Masons, 3rd, 32nd,
33rd and 360 Degrees

The sons of a widow (woman) are the only supreme beings of whom can stand in the form of a Cross, five-pointed star, and in a straight line whether standing erect or lying down. When sons are lying asleep, they are lying on a dead Level, and when standing erect, they are perpendicular at right angle of ninety degrees of their previous position on the dead Level. When sons stand erect, their head represents the North Pole, and their feet represents the South Pole. When lying on a dead Level, their head represents East, and their feet represents West. These two positions of sons form the universal Cross which represents latitude North and South, and longitude East and West. This fact makes woman and sons the great I AM in life, creation and perfection. In other words, the foundation of geometry.

Sons can also stand in the form of a Cross with their arms extended from each side. They can also stand in the form of a five-pointed star with their feet far apart. Their head No. (1), their right arm No. (2), their left arm No. (3), their right foot No. (4) and left foot No. (5). Thus, sons represent the five great principles of woman's universal supreme perfections in the course of nine months.

The Six-Pointed Star of the Moorish Nation

Referred to as the "Jewish" Star of David

The first triangle represents the North Gate—the summer season. The second represents the South Gate—the winter season. These two triangles together form a six-pointed star—summer and winter, or North and South—all there is. As above so below, or the two tables of stone.

The Land of Nod as Shown in the Zodiac

The sixth sign, Virgo, 180 degrees as shown in the diagram of the 12 signs of the Zodiac in September when the sun enters the sign, Virgo, the last month and sign in the Northern Hemisphere which marks the end of the summer season and the beginning of the fall season, are referred to in mystic religions and secret orderism, as the land of "Nod," meaning North Pole.

In the science of Astrology and Electronics, the North Pole is referred to as (Node) or Anode, and the South Pole, as shown in the 12th sign, Pisces, in the diagram of the Zodiac in March, the last month of the year, are referred to in the science of Astrology and Electronics as Cathode, meaning negative, opposite of the Positive North Pole as shown in the sign, Virgo, Anode or Node or "Nod" - 180 degrees and 360 degrees.

If the positive North Pole is there, the positive electric current flows to the negative South Pole—Cathode, which is responsible for perpetual motion of the earth's annual revolution of 360 degrees or days, and spring, summer, fall and winter—north, south, east and west. The rays of the sun in the seventh sign, Libra, as shown in the diagram of the Zodiac, are referred to in Bible mystery as "Ham," meaning the fall season—October. When the rays of the sun enter the sign Aries and usher in the spring season April are referred to in Bible mystery as Cush or KUSH, meaning rebirth of plant life, and planting season in the Northern Hemisphere. "Ham went West," and "Cush went East", scientifically means the fall season and the spring season or the Vernal Equinox and the fall Equinox. Here you are referred to the diagram of the Zodiac - 180 degrees and 360 degrees, and thereby recognize the universal fact.

RELIGIOUS MYSTERY NAMELY, ISLAMISM, JUDA OR JUSUTISM OR CATHOLICISM

The above mentioned religions, superstitions, are founded upon the negative South Pole—Cathode, from which were derived the terms Catholic, and the Church, Temple and Mosque system of mystic Gods, prophets, superstitions, religious worship, and elaborate Priesthood domination and human mental slavery, religious denominations, human hatred, fear, segregation, ignorance,

crime, war, bloodshed and human and property destruction. As the result of negative, culture, contrary to unity, peace, justice, truth and economic and social progress. The teachers and followers of all religions are referred to in Bible mystery as the children of "Abel" and Seth, meaning Priesthood Sultanate dictatorship—Kings and Queens—or the Royal Family.

CAIN, THE CHILDREN OF LIGHT

The women and sons who rebelled against the negative system of Cathodism between 1789 and 1863 North America, are referred to as the children of "Cain", or the sons and daughters of light, meaning scientific knowledge of the universal law of the Moorish nation as shown in the 12 signs of the Zodiac.

Those Amazon "white" sons and daughters of Cain, in North America, are referred to as the mystic "Turks" or the "Arabian Knights" or "Cain" who slew "Abel" and "went to the land of Nod." He met his wife whom he had never seen, yet they both knew each other. Well, Cain's wife is the sixth sign, Virgo, of the Zodiac—the half way sign of the stomach and earth—180 degrees east longitude—the North Gate which culminates in the deep waters of Boston, Mass., U. S. A. Anode—Node or the land of Nod. (G) Geometry has never told a lie the square and angle of 90 degrees or the square and compass, which is the universal law of the Moorish nation, referred to as Negroes.

KEY OF CIVILIZATION

Geometry is the universal law of perfection—the science of the cultured Moors, which has, and always will, be in the hands of the kinky-haired Moors of North America. Thus, the Moorish nation of North America, referred to as Negroes cannot be destroyed. The cycle of global war generated by Cathode Priesthood dictatorship behind closed doors will redeem the Moorish nation of North America, during global war III. The sons and daughters of Cain "White" referred to as Masons and Eastern Stars, are the ones who have protected the Moorish key of civilization of the North Gate so as to prevent the sons and daughters of Abel, of the negative Cathode or Catholic religious order from ever becoming President and the First Lady of the land, even though the powers of the sons and daughters of Abel have made the North Gate very dark owing to organized Priesthood religious dictatorship.

Nevertheless, the 3rd, 32nd, and 33rd degrees sons and daughters of Cain have held their own toward safe guarding the North Gate. As for this act, the sons and daughters of Cain shall rise in unity with the Moorish nation to never fall again. "TUBAL CAIN"—180 degrees—the I AM, the great I AM—the widows sons of 9.—North America.

The following are the Latin alphabetical symbols of the Moorish nation referred to as Egyptian, Hebrew, Greek, Arabic and English:

Latin or Arabic Symbols of the Alphabet	As Expressed in Arabic	Names of in English
-----------------------------------------	------------------------	---------------------

I A'liF.....	A.
⤿ Ba	B.

This is the foundation of creation of the world and the universal code which enables woman, the widow and sons to harness the invisible forces of nature namely, electricity, atomic energy, radio and television, and defy the laws of gravitation by floating in space and also conquer the depths of the high seas, and all of the elements of the earth, plant, animal, insect, fish, fowl, reptile

and the human body. Zero symbolizes the universal mind of woman who represents the whole of creation, space and time or father time. Where she came from, no one knows.

THE FOLLOWING IS A REPRINT
FORECAST OF MY PUBLICATION
'CLOCK OF DESTINY (One) 1947'

In geography and Astrology, the terms degrees and parallels are similar. Thus, the 40th degree of North latitude involves the Mystic Royal Crown of rulership of the Franciscan Roman Cross nation of the world today—the 40th parallels, north.

Fresno, California; Denver, Colorado; Springfield, Illinois; Columbus, Ohio; Philadelphia, Pennsylvania; Wheeling, West Virginia; and across the Atlantic Ocean to Madrid, Spain; Flers, France; Larissa, Greece; Turkey; Korea; and the Sea of Japan, and across the Pacific Ocean back to California, U. S. A.

All of which lies on the 40th degree of North latitude of the geographical Zodiac. This 40th degree of North latitude involves World War III which will result in the restoration of civilization of ISLAM. (I AM)—CIVILIZE.

EXTRA FACTS WORTH KNOWING—How the days of the week got their names.

FIRST DAY OF THE WEEK

1st day.—SUNDAY—Proton—Positive—The Center of Attraction Sunday is derived from (Shamsun) Latin, meaning SUN-DAY Sulphur, gold, copper and granite—atomic elements from Mexico to North Canada and from New Orleans, St. Louis and Chicago lies in the region of the Sun—the sign Leo—The Golden Gate in California. The human heart is the vital organ of the sun.

2nd Day.—MOON, Electron, negative.—The circle of the center of gravity which governs the human mind, feeling and muscles.

Monday is derived from (Kamrun) Latin, meaning Moon-

Day. Water, air, salt and silver--Biology. The moon is exalted in the Islands of the Philippines, and Japan, Korea and U. S. S. R. in the sign Taurus.

3rd Day--MARS. Voltage

Tuesday is derived from (Tiu) Latin, meaning Mars, the force of evolution. Iron, steel, construction and industry. Mars is exalted in Union South Africa in the Sign Capricorn, the South Gate.

EQUAL EDUCATION MEMORY

The human subconscious mind, the reasoning mind and the super-conscious mind represent the God of creation. All human beings are equally endowed with inalienable rights.

4th Day--Mercury. Wednesday is derived from (Dies Mercurii) Latin, meaning the God of forethought, namely, woman and sons. The God of the wind and the creation of the world. In North American barbarian mythology, the planet Mercury (mind) is referred to as "Moses, Socrates, Prophet and Odin and Odinsday meaning Wednesday. (Chemistry.) The planet Mercury also governs freedom of speech, freedom of thought and the press. The planet Mercury is exalted in N. Y. and Boston, U. S. A. in the sign Virgo--180 degrees--the last of the North Gate.

5th Day--Jupiter. Thursday is derived from Jovis or Juvis, Latin, meaning wisdom of medical science, health, wealth and progress, gold. In North American barbarian mythology the planet Jupiter is referred to as "Jupiter or Saint Peter" and "Thor." Thursday, meaning Thursday. Thus "ODIN and THOR" are the first two major mythical Gods of the North American barbarian tribes. Jupiter is exalted in the region from Hawaii to California in the sign Cancer.

6th Day--Venus

And with you be peace;
(Wa Ahikum Assalam) Moorish, Latin

Friday is derived from (Freya or Frigg) Latin, meaning lady of love or woman, the God of creation of sons, unity, music, peace and enjoyment. And rested or relaxed on the seventh day. In North American barbarian mythology Freya is phrased: "In the six day God created heaven and earth and rested on the seventh

day." In reality, woman and sons recorded the names of mythical Gods, as weapons of power over one another from which has resulted in human mental slavery on a universal scale. Venus is exalted in the 12th sign Pisces in the region of Java E. India, 360 degrees. Opposite N. Y. U. S. A. 180 degrees.

7th Day—Saturn. Saturday is derived from (Saturn) Latin, meaning the elements of lead, tin, carbon, coal, dye and diamond. And the 90 degree span or 7 day change of the face of the moon. Moon-Saturn, the time marker of the Universe and evolution, and restriction. The planet Saturn is exalted in the seven sign Libra, in the region of Brazil, South America. The orbit of Saturn is ruling Brazil from November 1950 to 1953. The descendants of the North American barbarians known as the (Jewish, Moslem, Mohammedan, Catholic, Christians) religious mythology are founded upon (Freya) Friday and (Saturn) Saturday or the planets Venus and Saturn. The descendants of the North American barbarians are also referred to in religious mythology as the tribes of "ISHMAEL," meaning priesthood, tramps, thieves, robbers and murders, by trade as the results of ignorance owing to religious mythology. The "ISHMAELS" were in power throughout North America prior to the union of 1863. Ransom was one of their greatest procedures for money or land. The "Ishmaels" laid the foundation for Wall Street, N. Y. Feudal Imperial Rome.

(PROVEDENCE) Latin

The term providence is derived from Latin meaning to (prove and provide.) That is to say, be guided by scientific knowledge of reality and share it with the unfortunates in order that they might become qualified to liberate themselves mentally and thus solve their own problems. God is science of the human mind—realities. The devil is religious mythology, unreal, which spells emotional religious insanity, human hatred, disunity, fear, violence, war and human destruction. Ones who only believe in (Providence)—realities and self and humanity and knowledge of solution of problems of life. They are violently and secretly hated by ones who believe only in "Allah, God, Christ, Jehovah, Jesus" religion, church, temple and mosque. Such is the power of religious insanity. This insanity makes religious peoples condemn the very thing which they proclaim to love, namely, the living truth—the works of nature—the Zodiac which is in reality themselves. This process of religious insanity makes them unconscious criminals, crucifies and murders by trade.
