**DECATUR HEALING ARTS WELCOMES GABRIELNELSON SEARS
AS NEW VIBRATIONAL SOUND THERAPIST**

March 27, 2019 (Atlanta, GA) – Decatur Healing Arts (DHA) welcomes GabrielNelson Sears as the newest therapist to join the holistic care team. Mr. Sears is a certified vibrational sound therapist and master level Karuna Reiki® practitioner. He will offer sound energy healing therapy at using Zen Therapeutic Singing Bowls and Reiki applied to key points on the body.

Sears has a thirty-year background in mindfulness-based meditation that began with Transcendental Meditation® training and hosting creative visualization healing circles for people living with HIV and AIDS. He completed a yearlong course of study at the Earthsong Sound Mystery School in Three Rivers, Michigan based on the teachings of mystic and poet, Joseph Rael, Beautiful Painted Arrow. Sears received his certification as a vibrational sound therapist from the Vibrational Sound Association. Dedicated to building vibrational sound communities, he is co-founder of Bowl Strong, a grass roots organization that meets regularly for people to receive sacred sound. The gatherings also provide an opportunity for people to play singing bowls, chimes and other traditional sacred sound instruments.

Decatur Healing Arts is a community-based center offering alternative healing and health services, classes, and events.

“There is an increasing awareness on the benefits of vibrational sound therapy. The number of phone calls we have received about it has risen over the past year,” said Decatur Healing Arts owner Susan Johnson.

Johnson added, “DHA is thrilled that GabrielNelson is joining us. The group sound meditations he facilitates here have a positive impact on our clients. Inviting him into the practice is a natural extension of this relationship.”
