

June 26th, 2025

Dear John & team,

Canada was proud to host the 2025 G7 Summit in Kananaskis on June 15-17, and your contributions helped us showcase Canada to the world.

On behalf of the Official Events team, I would like to express our sincere gratitude for your expert wildlife mitigation services using your wonderful Karelian bear dogs during the recent summit.

Your professionalism, skill, and the unique capability of your dogs played a vital role in ensuring the safety and security of our VIP attendees amid the natural surroundings. Your presence provided reassurance and peace of mind to all involved, allowing the event to proceed smoothly in a remote and wildlife-rich environment.

We greatly appreciate your dedication, attentiveness, and the care you showed in managing wildlife risks with respect for both our guests and the natural habitat. Your contribution was an essential element in the success of the summit's safety protocols.

Thank you once again for your invaluable support. We look forward to the possibility of working together on future events requiring your specialized expertise.

With sincere respect and appreciation,

Barb Couperus
