FOR THE ONE

God has placed a deep passion on our hearts to plant **For the One Church in Mebane, North Carolina**. This church was born out of the powerful truth in Luke 15:4–7—that heaven rejoices over one sinner who repents.

FOR THE **ONE** CHURCH

The Mission Field

Mebane, NC

Mebane is not just growing; it is experiencing a **significant and sustained population boom**, transforming its character and creating an urgent need for connection and belonging.

Growth by the Numbers: Mebane is one of the **fastest-growing municipalities in North Carolina**, strategically positioned between the Raleigh-Durham (Research Triangle) and Greensboro (Piedmont Triad) metro areas with over **150,000 people** in a 15 miles radius.

Population Surge: The population essentially doubled in two decades, and between 2020 and 2023 alone, it grew by over **16%**.

FOR THE **ONE** CHURCH

The New Demographic Landscape

The data indicates a community actively welcoming newcomers, with a high concentration of young, working professionals and families: The **median age is approximately 36.8 years**, confirming an influx of young families and working adults.

A significant portion of the population moved to Mebane recently, confirming the community is "full of people looking for purpose and belonging"—they are new to the area and actively seeking to build their social and spiritual networks.

The rapid growth and influx of thousands of new, mobile people means there are **more people than ever who lack established roots** and are looking for a place to belong.

For the One Church is uniquely positioned to be that authentic spiritual home.

ABOUT **FOR THE ONE** CHURCH

we are intentionally going after the lost.

We are currently cultivating a passionate and committed launch team, and the movement of God is undeniable, marked by miraculous provision and simple acts of obedient faith. This season is dedicated to:

OUR CORE VALUES

01

We seek the one

We intentionally go after those who are far from Him, showing them the hope and grace found only in Jesus.

02

We are there for each other

Church is more than a gathering—it's a family offering genuine community, encouragement, and support

03

We equip the found

We commit to helping believers grow strong in their faith, understand their unique purpose, and make an impact in their homes and communities

The Alpha Course: Weekly Outreach Strategy

- * Launching January 2026:
We are currently developing our Alpha team
- * Safe, welcoming space to explore Christianity
- * Each session includes a meal, a talk, and small group discussion
- * 82% of non-Christians who completed Alpha became followers of Jesus
- * We are actively looking for a space to hold our weekly gatherings. Local rental options are available, but current rates are approximately \$200 per week. We would prefer to find a coffee shop or similar space to hold our meetings.

100 Who Give: Quarterly Giving Community

- We are forming **100 Who Give**: 100 people each investing **\$100 per quarter** to bless our local community.
- Each quarter we'll gather to award **at least \$10,000** to a local nonprofit who can launch or expand an initiative that matters here at home
- Once someone becomes a member, they can **nominate any nonprofit** into our random pool for that quarter.
- We will randomly draw **3 nonprofits** each quarter — each will share for **5 minutes** why they should receive the funds, then the group votes.
- While ballots are counted, **last quarter's winner reports** back on how they used the donation — celebrating stewardship and impact together.

Prayer Partners

**We are asking God for
100 Prayer Partners who will:**
