Tribute to Educator Program

Funding Educational Excellence Since 1990

Has someone in your child's school had a special impact on her or him? Here is how you can acknowledge the great job that person has done! The Geneseo Education Foundation's Tribute to Educators program is a great way to honor a special educator from your child's school. Students are taught life lessons by interacting with **teachers, principals, guidance counselors, coaches, cafeteria workers, school secretaries, school nurses, custodians, social workers, or teacher assistants.** Say "thanks" to the one that has made your child's year special by making a donation.

By making a tax-deductible gift to the Geneseo Education Foundation of any amount, donors will be directly helping students in the district. They will also be letting those people know exactly what they have meant to the student.

The Geneseo Education Foundation is recognized by the IRS as a 501 (c)3 public foundation. All gifts to the foundation are tax-deductible.
