

WRO - Serving Families of Silicon Valley Village Mobile Home Park since 2020

WRO Board of Directors Nominations

Since 2020, WRO has been working on behalf of our community: helping protect us from redevelopment with a new land use designation; obtaining an extension for fixing HCD violations; and scheduling public meetings with new management. These successes – and our long-term goal of a resident-controlled park – can happen only with your involvement.

WRO's board has eight members, two from each of the four neighborhoods (Los Encinos, Spindrift, Hermitage, and El Bosque) so that all areas of our community are represented. This year, we are electing one or two directors from each neighborhood.

Homeowners who are interested in serving on the board should email **westwindsresidents@gmail.com** by **July 14**. Submit a profile photo and a written statement of qualifications (300 words or less). All photos and statements will be posted on our website, **westwindsresidents.com**. Board nominees must be WRO members; you may download a membership application form from our website.

Elections will happen at our membership meeting on **Saturday, July 26, 1PM** in the circle. Directors are expected to attend monthly board meetings and support WRO's work.

Please consider putting your time and energy into WRO's goal of preserving SVVMHP as affordable housing. Nothing is as rewarding as working toward a good cause!

Sincerely, Patrick Grimes, President

WRO Membership Application

I live in Silicon Valley Village Mobile Home Park (formerly Westwinds) and want it to remain an affordable mobile home park. I want to join WRO to support their objective of creating a resident-owned community as the best way to accomplish that goal.
