Purpose of the Focus Group

We would love to learn about how Connect North San José can improve your transportation experience. We invite all Silicon Valley Village community members to join this focus group to share your insights. Your input is essential in creating a future that caters to your transportation needs.

What is Connect North San José?

Connect North San José is a plan to improve transportation. It will make it easier for people to take transit, bike, walk, and roll. Your feedback is important to help create a transportation system that everyone can use and that supports community safety and vibrancy. The final plan will include projects, guidelines, and programs to make North San José safer and easier to get around.
