

**WRO - Serving Families of Silicon Valley Village Mobile Home Park since 2020**

# **Annual Membership Meeting**

**Saturday, July 27, 2024, 1:00 p.m.**

**in the circle**

Since 2020, WRO has been working on behalf of our community: helping protect us from redevelopment with a new land use designation; obtaining an extension for fixing HCD violations; and scheduling public meetings with new management. These successes – and our long-term goal of a resident-controlled park – can happen only with your involvement.

This year, we are electing one or two directors from each of our four neighborhoods (Los Encinos, Spindrift, Hermitage, and El Bosque). WRO members can hear from all candidates and vote for their representatives. You may join WRO at the meeting and vote the same day!

Please attend and support WRO's goal of preserving SVVMHP as affordable housing. Nothing is as rewarding as working toward a good cause!
