

Meeting Minutes, Westwinds Residents Organization Board of Directors

Monday, August 31, 2020, 7:00 p.m.

Present: Lisa Bail, Antonio Bastida, Jim Canova, Debbie Clark, Vincent Flores, Dexter Goody, Patrick Grimes, Jennie Wilstead, and Stacey Winkelmann

We reviewed plans to post flyers advertising the upcoming webinar on carports this coming Thursday, September 3. We agreed to not require Zoom registration in order to maximize attendance. We discussed optional registration possibilities that would allow for an email reminder before the event. Patrick will create one and distribute it to board members.

Stacey will buy poster board for creating physical signs for posting in the park.

Stacey has not heard back from the curb ramp company about our fundraising proposal.

CCCD's donate button still is not working as easily as we would like. We agreed on the need for an alternative approach. Vince will research creating a GoFundMe page. We would post the link and transfer donations to CCCD. We will also allow the option to write a check to CCCD. Stacey agreed to post her home address on the website. She will mail any checks to them.

Our next meeting would have been Monday, September 7. Because of the Labor Day holiday, we later postponed our meeting until 7:00 p.m. on Wednesday, September 9 in the circle.

Respectfully submitted,

Patrick Grimes
