

Meeting Minutes, Westwinds Residents Organization Board of Directors

Saturday, July 10, 2021, 2:00 p.m.

Present: Debbie Clark, Dexter Goody, Patrick Grimes, and Jennie Wilstead

We met again a week after our last board meeting because we spent the entire hour addressing residents' concerns about home site inspections, and we felt the need to prepare for our membership meeting.

Debbie prepared signs to advertise our meeting. We will place one at each entrance.

We will announce our curb ramp sale. Membership application forms will be available.

Patrick will order refrigerator magnets to give away at the meeting.

Dexter is preparing election ballots. They will be four different colors for the four different sections of the park. Patrick will buy four small cardboard boxes for members to deposit their ballots. Jennie will decorate them in those same four colors.

We found a power outlet on the opposite side of the circle from the picnic tables.

Dexter and Patrick will discuss with the vendor where to park the food truck.

With no power outlet nearby, we will not be able to use microphones and an amplifier.

Dexter will buy a megaphone.

Our next meeting will be Saturday, August 7, at 2:00 p.m.

Respectfully submitted,

Patrick Grimes
