Minutes approved for February meeting.

From meeting with Evans:

Parking has increased to 31 days = 744 hours. It's important to sign out on the app when leaving your parking spot since the parking time is measured in hours.

The new / current sign at the park entry is temporary.

Discussed the possibility of renting spaces in RV parking lot for supplemental parking.

The following points are from the January meeting but still relevant.

Discussed COPA (Community Opportunity to Purchase Act) vote in April

CA Co-op conference June 23 at Mexican Heritage Plaza <http://www.cccd.coop/events/2023-california-co-op-conference>

Suggested that we partner with COPA and ask residents to contact Davis Cohan by email and text

"We have heard about COPA and we need your support for the April 25 vote."
