### **Brian's new website**

Brian, manager, working on new website to be resident facing. In an effort to provide more timely updates, he also has a neighborhood "blast" in the works to be controlled by management.

### **Los Encinos Pond**

It will not be a simple task to clear the pond due to contaminated water and the surrounding land. What will be done with the land once cleared?

Jordan Weinberg wants to speak at a WRO board meeting. To be determined if he wants to meet solely with the board or all the residents.
