Attendees:

Antonio Bastida
Doug Lohafer
Jennie Wilstead Fay
Jim Canova
Patrick Grimes

Guests:

Dexter Goody
Clark Hanson
Debbie Clark
Evie Kaefer

Minutes approved for February meeting.

Attendance for "State of the Park" meetings with the manager:

Hermitage 22
El Bosque 36
Spindrift 16
Zoom 24

Adam Evans was invited to the online meeting, but did not attend. After waiting some time, Patrick gave a recap of the in-person meetings and fielded questions.

With the lackluster attendance, discussion moved towards maybe just having one Saturday in person meeting and one Zoom. Flyers did not produce enough return on investment to be worth the effort.

Street repairs:

Prior to street repairs, overgrown tree roots will need to be removed.

Membership drive:

How do we increase membership? Door to door? Jim to research cost of mailer.

Meeting ended early.
