As the magazine publication deadline approaches, we are finishing preparations for our September 12 webinar on Resident Owned Communities. We heard from California Center for Cooperative Development about Limited Equity Housing Cooperatives. We heard from Resident Owned Communities about having the future of our park decided by a board of directors elected by the residents. We heard from leaders of two mobile home parks who created Co-ops and purchased their parks. We hope you found the webinar informative! If you or a neighbor missed it, visit our website, westwindsresidents.com, to view it.

At the end of the webinar, I asked for two things. First, educate yourself on the candidates for District 4 City Councilmember and vote for the one most aligned with your interests. Second, the more members our organization has, the more legal rights we have. As much as we love you subscribing to our Facebook page, that doesn't count as joining. Please fill out and sign the membership application above. You may scan the signed document and email it to westwindsresidents@gmail.com, or take it to the park office. Thanks!
