

All About Me

My Name is Alice

Who am I and what do I do?

Hello! My name is Alice. I have worked at Canon's House for nearly 4 years, I am a waking night officer. I am here to look after the children and to make sure they are safe at night. You may also see me around in the day sometimes, but I will make sure they are always having the best stay.

A bit about me...

I love singing and being loud! You can hear me from the other side of the house most days. It's been a challenge going from days to nights to keep quiet!

I have a 5 year old boy and 2 jack Russell's.

I love to spend my time off down in Devon right by the beach is where you will find me.

I can't sit still; I always have to be doing something and keeping busy.

You can contact me at Canon's house on 01380722359 or can email me at alice.gibbs@wiltshire.gov.uk
