I-5

I-6

- (b) **Building Permits Disclosure**. Buyer is aware that many residential properties do not have all building permits as required by county ordinances and/or may not have been built according to the plans or building permits issued. Buyer understands there are potential risks in purchasing any property on which unpermitted or non-complying work has been done. The risks may include, but are not limited to: (i) fines, (ii) discontinued use of the property, (iii) inability to rebuild, and (iv) requirement to remove or rebuild the affected area. All of the above could affect the appraised value and insurability of the property.
- (c) **Asbestos Disclosure**. Asbestos materials are hazardous to one's health, particularly if asbestos fibers are released into the air and inhaled. In the past (before 1979, but possibly since) asbestos was a commonly used insulation material in heating facilities and in certain types of floor and ceiling materials, shingles, plaster products, cement and other building materials. Buyer is aware that Buyer should make appropriate inquiry into the possible existence of asbestos in, on, or at the Property. Structures having "popcorn" or "cottage cheese" type ceilings may contain asbestos fibers or asbestoscontaining material. Such ceilings should not be disturbed since it could release asbestos fibers in the air. Any disturbance should be done only by licensed abatement contractors.
- (d) **Hazardous Waste and Toxic Substances Disclosure.** Federal and state laws place strict liability on property owners for dangers caused by hazardous waste management and may require that such owners pay for the cost of the cleanup of hazardous substances and other toxic substances. Buyer is aware that Buyer should make appropriate inquiries into the current and past use of the Property and should seek an environmental assessment to ascertain the possible existence of such hazardous substances or materials on or under the Property. Buyer is aware Buyer may have liability for hazardous substances located on or under the Property even if Buyer did not cause such substances to be on or under the Property.
- (e) **Wastewater Disposal Disclosure.** The State of Hawaii Department of Health and the individual counties may require upgrades from cesspools to septic tanks or connection of new systems in certain situations. Additionally, the Federal Environmental Protection Agency ("EPA") has issued regulations requiring that all "large capacity cesspools" be closed and converted to EPA approved systems by April 5, 2005 or face substantial penalties. Buyer should contact the State of Hawaii Department of Health, the EPA, and the individual counties for additional information.
- (f) **Mold Disclosure.** Mold and/or other microscopic organisms may exist in, on, or at the Property. Molds are simple, microscopic organisms, present everywhere. Mold spores may cause health problems. Mold will grow and multiply whenever sufficient moisture, temperature and organic material are present. Brokerage Firms, brokers, and agents are not qualified to inspect the Property for mold or to make recommendations or determinations concerning possible health or safety issues. More information is available at the EPA's website.
- (g) Sex Offender Registration ("Megan's Law"). Hawaii law requires sex offenders to register with the State Attorney General's office. Buyer may contact the Department of the Attorney General or visit its website for information regarding sex offenders who have registered with the State of Hawaii.
- (h) **Flood Zone.** The Property may be located in an area which is a Flood Hazard Zone. Lenders may require Buyer to purchase flood insurance in order to obtain any loan secured by the Property. Buyer is advised that flood insurance premiums may increase significantly based upon FEMA flood zone designations, changes to flood zone maps, or FEMA requirements. Buyer is further advised to consult with Buyer's insurance agent and contact the National Flood Insurance Office for more information. In addition, various governmental agencies have special requirements for obtaining building permits for properties located in Flood Hazard Districts.

- (i) Lead-Based Paint. Federal Law requires that the seller of any interest in residential real property must provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. Residential dwellings built prior to 1978 may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning also poses a particular risk to pregnant women. More information is available at the EPA website.
- Lead-Based Paint Renovation, Repair, and Painting. In residential real property, the EPA under the Toxic Substance Control Act issued a rule to address lead-based paint hazards created by renovation, repair, and painting activities that disturb lead based paint. These rules establish requirements for training renovators, other renovation workers, dust sampling technicians, and renovation firms; for accrediting providers of renovation and dust sampling technician training to meet the new Federal requirements effective as of April 22, 2010, or substantial penalties may apply. The rule applies to paid contractors working in pre-1978 housing (residential, public or commercial buildings and all rental housing), child care facilities and schools with lead-based paint. Contractors include home improvement contractors, maintenance workers in multi-family housing, painters, and other specialty trades. Federal law may require that Buyer be provided with The Lead-Safe Certified Guide to Renovate Right: Important Lead Hazard Information for Families. Child Care Providers, and Schools pamphlet. More information is available at the EPA website.
- (k) Climate Changes and Natural Hazards. Climate changes (including sea level rise) could affect properties in Hawaii, particularly those at the shoreline and in coastal areas. All properties in Hawaii are also subject to natural hazards such as: hurricanes, storms, earthquakes, tsunami, floods, landslides, etc. Buyer is advised to consult experts of Buyer's choice regarding any questions concerning the effects of climate changes and natural hazards that may affect the Property. For more information, visit the Hawaii Climate Adaptation Portal (climateadaptation.hawaii.gov).
- (I) Wired Funds and Sensitive Personal Information Warning. Criminals/hackers are targeting email accounts of various parties involved in a real estate transaction (for example, lawyers, escrow representatives, mortgage brokers, Brokerage Firms, real estate licensees) to divert funds to the criminal's/hacker's bank account. If you receive an email containing wiring instructions or a request for sensitive personal information from someone appearing to be involved in this transaction, you should call them at a telephone number that you obtain from a source other than from the email (for example, the Purchase Contract, their website, etc.) to be sure that you are contacting a legitimate party.

At Buyer's sole cost and expense Buyer shall have the right to (personally or by any expert, professional, or other representatives of Buyer's choice): (a) inspect the Property or any portion thereof; (b) inspect all major appliances and fixtures (plumbing, electric, and gas) included in the sale; (c) inspect all public records relating to the Property and its use; and (d) review all matters concerning the Property including those described in Paragraph I-6. Seller shall provide Buyer and Buyer's representative(s) access to the Property for inspection(s), during reasonable hours with reasonable prior notice to Seller. The obligation of Buyer to purchase the Property is contingent upon Buyer's approval of inspections and review of all matters described in Paragraph I-6 within days after the Acceptance Date. All inspections and reviews must be completed within this time period. Seller agrees that the property inspection requires that the utilities be turned on, including propane, if applicable, at Seller's expense. If Buyer disapproves of the inspection or review results within the specified time period, Buyer may elect to terminate this Purchase Contract pursuant to Paragraph O-2. The Buyer's rights under this Paragraph do not affect Buyer's rights and timelines under Section I.
  - If Buyer fails to make an election in writing to terminate this Purchase Contract within the specified time period, then Buyer will have waived this contingency.
- J-2 Recommendation Regarding Home Inspection. It is strongly recommended that Buyer obtain a home inspection as well as inspections in specialized areas beyond the scope of the standard home inspection service.
- J-3 **Property Condition Maintenance and Final Walk Through.** Seller shall maintain the interior and exterior of the Property, including all Inclusions, in the same condition as when Buyer inspected the Property pursuant to Paragraph J-1, or as otherwise repaired and/or corrected as agreed to in writing between Buyer and Seller. Buyer and/or Buyer's representative shall have the right to conduct a Final Walk Through of the Property no later than closing: (a) to confirm that the Property is in the same condition on the date that Buyer inspected the Property pursuant to Paragraph J-1, and/or (b) to inspect any repairs and/or corrections made by Seller, as agreed to in writing between Buyer and Seller. Seller understands that the Final Walk Through requires that the utilities be on, including propane, if applicable, at Seller's expense. If the Property has not been maintained, or repaired and/or corrected as agreed to in writing between Buyer and Seller, then the provisions of Paragraph J-4 shall apply, and Buyer shall have the right to repeat the Final Walk Through of the Property after the repairs are completed and prior to closing. If Buyer and/or Buyer's representative fails to conduct the Final Walk Through within the specified time period, Buyer will have waived this right.
  - J-4 Withheld/Collected Funds for Repairs/Maintenance. If Seller has failed to maintain the Property pursuant to Paragraph J-3, or has not completed any agreed upon repairs and/or corrections no later than the time period specified in Paragraph J-3, the parties agree that 150% of the estimated cost shall be withheld/collected from Seller and retained in Escrow until completion. The parties shall immediately sign Escrow's formal withholding and disbursement instructions/agreement confirming the withholding set forth in this paragraph. All bills for maintenance and repairs/corrections will be paid through Escrow. Any balance remaining after completion of all maintenance and repairs/corrections shall be returned to Seller; provided, however, that if maintenance and repairs/corrections are not completed by [ ] closing date or [ ] within ) days after closing, said funds will be disbursed to Buyer.

Thereafter, neither Buyer nor Seller shall have any further rights or obligations under this Purchase Contract.
- O-3 Termination After a Specified Contingency/Condition Time Period. Should this Purchase Contract specifically designate this paragraph to govern the termination process for any term of this Purchase Contract, any party given the right to terminate this Purchase Contract pursuant to such term, and who elects to do so, must deliver to the other party a written notice of termination within \_\_\_\_\_\_\_ ( ) days [seven (7) days if left blank] of the expiration of the time period or the date specified in such term. If the party given the right to terminate fails to deliver the written notice to the other party within the time period specified in this paragraph, the termination right shall be deemed to be waived (as to that party) and can no longer be used by that party as a reason to terminate this Purchase Contract. If the terminating party so terminates this Purchase Contract, Buyer and Seller shall promptly execute all cancellation documents requested by Escrow, and Escrow shall, unless otherwise agreed to in this Purchase Contract, return to Buyer all deposits previously made, less the amount of any escrow expenses or fees chargeable to Buyer. Thereafter, neither Buyer nor Seller shall have any further rights or obligations under this Purchase Contract.
- O-4 **Mediation.** If any dispute or claim arises out of this Purchase Contract prior to or after closing between Buyer and Seller, or between Buyer and/or Seller and a Brokerage Firm and all its licensees assisting in this transaction, and the parties to such dispute or claim are unable to resolve the dispute, Buyer and Seller agree in good faith to attempt to settle such dispute or claim by non-binding mediation. This paragraph shall not apply to any complaint of unethical conduct against a Brokerage Firm and all its licensees who are obligated to comply with the Code of Ethics of the National Association of REALTORS®. Such complaints against a Brokerage Firm(s) or its licensees assisting in this transaction must be brought before the Local Board of REALTORS® of which the Brokerage Firm and all its licensees are members.
- O-5 **Arbitration**. If any dispute or claim arises out of this Purchase Contract during this transaction or at any time after closing, between Buyer and Seller, or between Buyer and/or Seller and a Brokerage Firm and all its licensees assisting in this transaction, and if such dispute cannot be resolved through mediation, then the parties are encouraged to consider arbitration as an alternative to litigation. It is recommended that the parties seek legal counsel to make this determination.
- O-6 **Third Party Claims.** It is understood that if a dispute or claim is made by or against a third party who is not obligated or willing to mediate or arbitrate such dispute or claim, then Buyer and Seller shall not be required to mediate or arbitrate such dispute or claim.
- O-7 **Choice of Law and Forum.** The Property is located in the State of Hawaii. This Purchase Contract shall be governed by and construed according to the laws of the State of Hawaii. All legal actions or proceedings concerning this Purchase Contract and/or the Property shall be filed and conducted in the appropriate state or federal court located in the State of Hawaii. Any mediation, arbitration, and/or litigation in the state court, shall be filed and conducted in the county where the Property is located.
- O-8 **Attorney's Fees.** In the event of default by a party and/or a legal action or arbitration (including a claim by a Brokerage Firm for commission), the prevailing party shall be entitled to recover all costs incurred including reasonable attorneys' fees.

## SECTION P: FOREIGN OR NON-RESIDENT BUYER AND/OR SELLER

- P-1 Hawaii Real Property Tax Act ("HARPTA") Withholding Required if Seller is a Non-Resident of the State of Hawaii. Pursuant to Hawaii Revised Statutes Section 235-68, if Seller is a non-resident person or entity (corporation, partnership, LLC, trust, or estate) of the State of Hawaii, Buyer must withhold a specified percentage of the "amount realized" by Seller on the sale of the Property and forward the amount with the appropriate form to the State Department of Taxation. Such withholding may not be required if Seller obtains and provides Buyer with an authorized exemption or waiver from withholding. If Seller does not provide Buyer with a certificate of exemption or waiver from HARPTA no later than fourteen (14) days prior to Scheduled Closing Date, Escrow is hereby authorized and instructed to withhold/collect from Seller the required amount at closing and forward it to the State Department of Taxation.
- P-2 Foreign Investment in Real Property Tax Act ("FIRPTA") Withholding Required if Seller is a Foreign Person.

  Pursuant to 26 U.S. Code Section 1445, if Seller is a foreign person or entity (non-resident alien, corporation, partnership, LLC, trust, or estate), Buyer must generally withhold a specified percentage of the "amount realized" by Seller on the sale of the Property and forward the amount with the appropriate form to the Internal Revenue Service ("IRS"). Such withholding may not be required if Seller obtains and provides Buyer with an authorized exemption or waiver from withholding. If Seller does not provide Buyer with a certificate of exemption or waiver from FIRPTA no later than fourteen (14) days prior to Scheduled Closing Date, Escrow is hereby authorized and instructed to withhold/collect from Seller the required amount at closing and forward it to the IRS.
