PenMasters Global Announces the Winners of the 2025 PenMasters Global Fiction Awards

[San Francisco, CA] — [November 1, 2025] — PenMasters Global is proud to announce the Winners and Finalists of the 2025 PenMasters Global Fiction Awards, a distinguished international competition celebrating excellence in storytelling across all genres of fiction.

This year's awards honor authors whose work demonstrates bold creativity, exceptional craft, and meaningful narrative impact. Open to writers worldwide, the competition highlights literary achievement in categories ranging from literary and historical fiction to fantasy, thriller, romance, and speculative fiction.

The PenMasters Global Fiction Awards were established to provide an accessible and transparent platform where creativity and voice take center stage. Winners and finalists receive the official PenMasters Global Award Seals (attached), lifetime promotion through the PenMasters Global network, and permanent placement on the "PenMasters for Life" Wall of Honor at PenMastersGlobal.com.

"At PenMasters Global, our mission is to create opportunities for visibility, credibility, and connection," said the Director of PenMasters Global. "Every author deserves recognition that lasts beyond a single contest—our goal is to help writers build lasting readership and professional momentum."

About PenMasters Global

PenMasters Global is an international platform dedicated to recognizing and promoting literary excellence. Through its annual awards, reviews, and author features, PenMasters Global connects emerging and established writers with global audiences.

The award's Winner and Finalist medallions represent more than a mark of distinction—they symbolize a writer's dedication to craft, creativity, and continual growth.
