A message from our Managing Director - Cris Partridge

I would like to take a moment to thank all of our clients and constituents for entrusting Myrcator MCS to provide them with our services and support. In an ever-changing environment and industry, adaptation and vision are required in order to compete at the highest industry levels and standards.

At Myrcator MCS we are developing a long term sustainable and environmentally aware business built around our core principle of integrity. This means we aim to always adhere to ethical business practices primarily based on honest and transparent relationships with every stakeholder.

We will always act with honesty, ethically and with the best interests of our clients, employees and the environment paramount in all that we do.

Our clients can expect we will deliver high quality, detailed, transparent, informed and substantiated opinion within agreed timeframes.

Once we have identified potential issues we then provide practical, realistic and implementable solutions to avoid potentially adverse outcomes, thus ensuring operations are able to proceed safely and without time or cost penalties.

We ensure that our global network of trusted associates operate to similar standards ensuring every client receives the level of service we ourselves deliver on every attendance, in every location, every day.

These core values are why our clients are secure in the knowledge that we provide high quality, trustworthy, dependable and reliable support no matter how small or large the matter.

"Integrity without knowledge is weak and useless, and knowledge without integrity is dangerous and dreadful" Samuel Johnson

MYRCATOR

Strategic Partners

Myrcator Marine & Cargo Solutions FZE has recently entered into an alliance with Solis Marine Group.

Whilst remaining fully independent, under the terms of the Alliance, each partner will support the other by providing enhanced global reach, greater local attendance and local response capability, and additional areas of expertise for the benefit of the partners' respective clients.

The partnership provides Solis Marine with dedicated local support for its activities across the Middle East, whilst Myrcator will be able to call upon Solis Marine's resources globally.

Solis Marine Group is an independent, multi-disciplinary marine and technical consultancy currently operating from their network of offices located in London, Falmouth, Rotterdam, Singapore, Shanghai and Qingdao.

The Group offers a broad range of services to the maritime industry, including salvage and wreck removal consultancy, Special Casualty Representatives, expert witness services, warranty surveys, incident reconstruction using AIS data, technical due diligence services and fire and chemicals casualty response and consultancy.

Solis Marine's clients include P&I Clubs, hull & machinery insurers, maritime lawyers, owners, cargo owners and insurers, governments and investors in shipping.
