

Invoicing for Trauma

All Ships Rise with the Tide

A course to learn what verbiage and practices can be used in billing and invoicing for trauma related services to the insurance industry.

This is not an IICRC credited event, but you will receive a certificate of attendance for any Continuing Education credits.

- **First and foremost, pricing, price scheduling line item billing amounts will not be shared or discussed. This would be a violation of FTC practices.**
- Discover where you may have been leaving money and billing opportunists on the table and at job sites.
- Learn new and proper verbiage that you can incorporate into your invoicing to reduce adjuster push-back.
- Learn what contracts and other paperwork practices you can include into your company that can be used to secure payments for your services.
- Learn collection techniques you company can use.
- Hear on the corruptness inside the insurance industry that you can use to your advantage.
- I know you will see a ROI / Return on your investment with this course.
