

What's Behind The Red Door?

St. Alban's Anglican Church invites you to worship services.

St. Alban's Anglican Church is located at 625 W. Lady Lake Blvd., Lady Lake, Florida,

near the corner of CR-466 and Rolling Acres Road. (And next to the American Legion Building.) The church was established in 2006. Groundbreaking for the new church building at its present location took place on September 20, 2013 and a dedication ceremony was conducted September 21, 2014. And, yes, the front door is red!

The America-based Anglican Province of Christ the King (APCK) follows the teachings of Jesus Christ and celebrates historic Christianity in the Anglican tradition. Here at St. Alban's Anglican Church, we base our beliefs on the Bible and the time-honored creeds of the Church. Our mission is simple: We worship God with all our hearts, our souls, our minds, and our bodies, in the beauty and ordered dignity of a Christ-centered service.

Meet our pastor, friend, and spiritual leader Father Greg Koon

We all love Father Greg. He is the heart of our church, and, along with the support of our wonderful members, he has kept this parish going in spite of COVID rearing its ugly head and deciding to stick around. Our church, like most businesses around the world, took a major hit.

Their love and faithfulness to God and each other through various ministries provide the esprit de corps that makes life so much better for so many people.

Think Elvis singing: A plain and simple chapel where humble people come to pray...

While it's not a chapel it is HOME to many of us.

All this and more is what you will find behind the RED DOOR!
