#### **“LOOKING YOUR BEST”**

**With Karen A. and Emmie S.**

Have you ever wondered how to best showcase your fiber artwork in a picture? Come to our workshop on making your pieces look their best and brightest, with true to life colors and rich contrasts. It’s easy with a few simple props and a little photo editing magic. Do you have a small piece you would like to see what we can do? Bring it with you and we will work on it in class.

**Take your fiber photos from “Drab”**

## **UPCOMING NEWS & EVENTS**

### **SFA 2025 HOLIDAY DONATIONS**

We started collecting monetary donations for two charities in October and will continue in November for those who wish to contribute. It was decided to continue donations of the aluminum pop tops to donate to the Ronald McDonald House for an ongoing project for them to raise money from the aluminum tabs. So, everyone, please start saving those pop tops now and give them to Anita G. who will deliver them.

The other charity we are supporting this year is C.A.R.E. (Castaway Animal Rescue Effort), which is a “no kill” animal rescue, shelter, that finds new homes for the animals. Our Treasurer, Barbara V., will be collecting cash or check donations (payable to Springfield Fiber Artists) in our November meeting. Members who wish to donate something in the way of a fiber project to the C.A.R.E. organization is to make a fiber bedding mat for the kitties and dogs. A website you might want to check out is: [comfortforcritters.org](https://comfortforcritters.org). They have free patterns for knitting, crochet, sewing, etc. to create bedding mats for the rescued animals. Those of you who wish to create a fiber gift may turn them in at the November meeting. The projects don’t have to be large, but just something for the animal to snuggle in while they are waiting for a “forever home.”
