**HAPPY HOLIDAYS TO OUR FIBER GUILD MEMBERS**

We hope each of you had a wonderful Holiday Season and a Happy New Year. We also want to thank Jolynn T. for leading our program session in December as we all admired the wonderful Holiday Trees decorated by our members. I'm adding some fiber photos to this email, just so you can see all the many fiber skills that represent the members of our guild.

Photos make reading the newsletter easier.

**JANUARY IS A FUN MEETING TIME, BUT NO FORMAL PROGRAM**

Since January and February are the “iffy” months weatherwise for our meetings, we voted last year to keep them “program free” in case we have bad weather and need to cancel our meeting. Our guidelines are: If the Springfield School System cancels schools due to inclement weather, we will not meet. Otherwise, we will meet and enjoy our time together. Bring something to work on during the meeting. The winter months are a good time to bring several items for our “Show and Tell” session. Perhaps you received a special gift over the holidays and want to show it off as well.
