Hello Fiber Artists,

Springtime is almost here and we are looking forward to our SFA spring season in the days ahead. We have some wonderful programs for the next few months and are already looking forward to the craft and fiber events happening in the area this spring.

**PROGRAM FOR MARCH: “JEWELRY & FIBER ART.”**

We’re starting off our 2026 program series with a special guest speaker, Doris Doucette, who has a background in fine art, graphic arts, photography and metalsmithing. She studied at Columbus College of Art and Design and Fort Wayne Art Institute. She was the Graphic Director for Bowhunter Magazine for 12 years and had her own graphics business in Colorado Springs for nine years. Due to traveling, jewelry was a natural transition. Her Jewelry and fabric art are one-of-a-kind unusual creations. She enjoys putting together unlikely objects to make whimsical and surprising art.
