

WHY FOM IS THE BEST STUDIO FOR HIGH SCHOOLERS...

freedom of movement dance company

TAKE THE LEAP...

Our high school dancer's have a reasonable commitment level that allows them to do all the high school things such as: have a job, do their homework, participate in Poms/Cheer, hangout with friends, AND competitively dance with us.

Our Pre Pro & Pro division will be only 2 weeknights (6 pm - 9:30 pm) & Sunday's (11 am - 3 pm).

49 college dance teams/programs currently follow FOM (just to name a few The University of Minnesota, LSU Tiger Girls, and Arizona Pomline).

You select your routine limit. Example: you can choose to only be casted in 3 routines or you can choose to be unlimited. This is a way to financially control your dancer's experience as well as increase or decrease their involvement based on what your family is looking for.

The dancer's are not just taught dance steps they are taught time management, communication, and life skills that will prepare them for the next chapter

We want YOU under our wings...

Our older dancers are given the opportunity to apply for LEAD. This is a program for dancers that have an interest in helping out the littles, assisting, teaching, and being a role model for our company.

L- Learn from our professional faculty

E - Exemplify what it means to be a FOM dancer

A - Assist younger dancers and lower level classes

D - Demonstrate proper technique and execution

Our high schoolers train in all styles, but have the option to choose the styles they compete in.

We do 3 local regional competitions, 1 mandatory convention, 1 national competition, and a couple optional conventions.

FOM is a positive and challenging environment that makes your high school years the best possible experience.

We are flexible, understanding, and accommodating with our dancers.

**WE HOPE TO SEE YOU AT AUDITIONS....
REGISTER YOUR DANCER TODAY!!!**
