

HOW DO

FOM

AUDITIONS

WORK?

Dancers will automatically receive 2 points on their score sheet if they...
- are on time
- are dressed appropriately

No experience is needed. Boys & girls ages 6-18 are eligible to audition.

FOM does our auditions based on a point scale. There are not any "required skills". The more you can do the higher overall score you will receive.

HOW DOES THE AUDITION PROCESS WORK

Parents are to wait outside or in their cars for the duration of the audition.

Everyone will be contacted regardless of if you're chosen for our Season 5 Company or not.

You are more than welcome to begin stretching/warming up upon arrival

- Dancer's will arrive and check in with their first and last name.
- Everyone will be given a number to wear for the duration of their audition.
- You will then go introduce yourself to the panel of judges so they can ask you a couple easy questions.
- Dancer's will begin a guided warm up starting promptly at the audition start time.
 - We will then begin evaluating flexibility, turns, leaps/jumps, and special skills.
- After evaluations we will learn a short combination (jazz, contemporary, or hip hop) and perform that in groups.
- Lastly, the dancers will be asked to improv in their best style of dance.

Don't be nervous it's super low stress!

You're amazing

Dress to stand out

- Dancer's trying to talk to new people and make some friends.
- Being respectful and receptive during the audition process.
 - Thorough answers to the judges questions.
 - A positive mindset.
- Walking up to the judges after to thank them for their time.

We are people before we are dancer's. Be yourself!! As always FOM is training amazing dancers, but creating even better humans!!

These are NOT required skills. They're just skills we definitely want to see if you have them.

SOLO/DUO/TRIO AUDITIONS

We are looking to see if you're prepared and if you're confident

If you're interested in a duo/trio but don't have a partner, you can audition alone. If you're given a duo/trio we will then pair you.

- You can wear any attire and shoes of your choice.
- Dancer's will be given 10-15 minutes to stretch, warm up, and practice their routine.
- Everyone will be sent into Studio 2 and we will begin calling in routines at random.
- You will do your dance and answer a couple questions from the judges (your routine must be AT LEAST 1 minute and in the style you wish you compete in).
- Dancer's must audition even if you have already had a solo/duo/trio in the past.
- Solos/duos/trios are a privilege and can be taken away if a dancer is not equally committed to their group routines.
 - Once your audition slot has concluded you're free to leave the studio.
