## June 26, 27, and 28, 2025

*PARTNER WITH US TO PROMOTE YOUR BRAND*

The West Virginia Bigfoot Festival has served the community of Braxton County for over 4 years and this year we ask you to partner with us as we celebrate the 5<sup>th</sup> Annual West Virginia Bigfoot Festival.

The Bigfoot Theme has drawn the attention of many guests from across the globe, and we anticipate an even greater representation from other countries this year. Our entertainment includes world famous speakers, live music, Appalachian artisans, local vendors, food, games, and other attractions. Our goal is to build tourism and economic development to Braxton County, and West Virginia as a whole, all while celebrating America's favorite cryptid!

As a non-profit corporation we are able to focus on community growth and financial revenue for the Festival. Our most recent project is the Main Street Memorial Park which is being created in the heart of Sutton. Land was purchased and land restoration is underway. We also sponsor the Yeti Festival focused on families from our area at Christmas Time. In our role of promoting continued community growth, we would like to partner with you to extend our reach beyond what we have been able to accomplish thus far. We will work to make this a positive impact on your brand.

Sincerely,

David Petolicchio & Laurel Petolicchio
