Good Life
Kindergarten &
Child Care

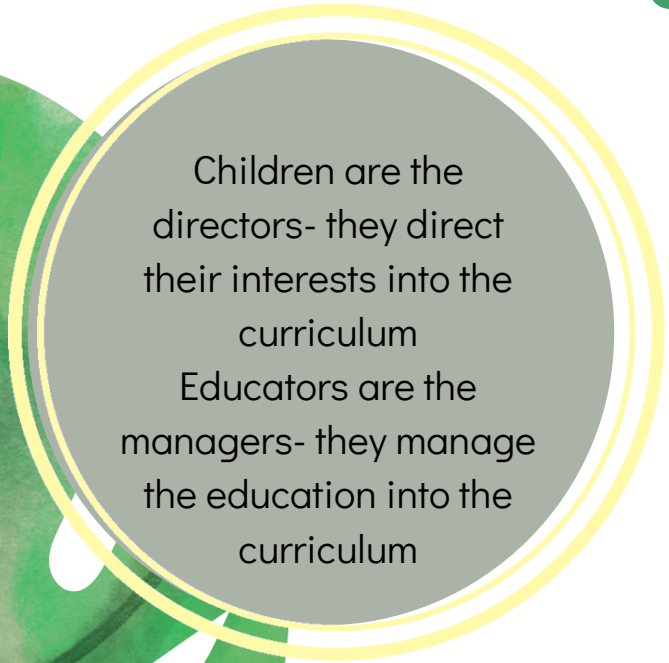

Welcome to the Good Life!!

WELCOME

Good Life Kindergarten & Child Care are a family owned and operated Paediatric Health & Education Service dedicated to your child's health development and educational nurturing needs.

Our teaching pedagogy is based on Jean Piaget theories of cognitive development, placing focus on the first two stages of development. To reach these neurological developments there needs to be many milestones reached and all of this is achieved through a play based and child lead curriculum.

Children are the directors- they direct their interests into the curriculum

Educators are the managers- they manage the education into the curriculum

Operational Information

We are open Monday to Friday 6am-6pm, closed on public holidays and from Christmas Eve 4pm until the first working day in January each year.

We are an Australian Childcare Education and Care approved service and therefore approved for Child Care Subsidy.

For more information about your fees please send our Business Support Manager an email

**We cannot wait
to meet you!**

OUR MISSION

Each and every day we proudly strive to embed our Good Life values

Nurture: we will remain committed to care for and protect all children in our care

Respect: we will admire children's abilities, qualities and achievements

Honour: we will always honour children's self directive learning, ideas and integrity.

OUR PROGRAM

AGE GROUPS: We care for all children from 6 weeks of age to school age. No matter the age group we have the perfect curriculum to better support your child and their needs.

KINDERGARTEN: GLKCC is a proud provider of an approved Kindergarten Program which is designed to meet government guidelines to support children's participation in quality early childhood education. We provide a Bachelor Qualified Teacher and receive funding to support our Kindergarten program. All funds provided to the Centre are used to implement a school play based readiness program.

OUR MENU

CUBBYHOUSE
KITCHEN

Our menu is prepared and cooked on site
in our state of the art commercial kitchens
by CubbyHouse Kitchen

CubbyHouse Kitchen provide

Morning Tea

Lunch

Afternoon Tea

Late arvo snacks

CubbyHouse Kitchen

Children are developing rapidly in their first five years of life and require a nutritious diet for their development.

We provide all meals and snacks to make your day simpler. Our Centre Menu is prepared in consultation with

Nutrition Australia,

Queensland and provides fresh food that is prepared each day on premises by our qualified Cook.

Breast Feeding

We promote and encourage breast feeding at the Centre and are able to accommodate feeding breast milk to your child whilst in our care.

Early Childhood Nurse

We have an Early Childhood Nurse on site daily to ensure your child's health & safety is adhered to at all times

Daily Routine

The background features large, stylized green leaves with white cutouts and two grey dragonflies, one in the upper right and one in the lower right.

Although the routines of each room and age group will vary, there are some aspects that remain the same. We endeavour to provide a home and family like environment at the centres where the children always feel comfortable and secure. Our daily routines reflect this.

Throughout the day, children will be experiencing several different activities that are part of the educational and developmental programs operated by our Educators. Each room will display their routine, making them available for parents to read and discuss with our Educators. Our room routines are flexible, and we adapt them to suit weather conditions, the temperaments of the children, and any unforeseen situations or circumstances.

OUR TEAM

Suitable qualified educators are employed in all age groups and the child/educator ratios are adhered to according to regulatory requirements. All educators are required to have their positive Working with Children Check.

All our staff are supported and mentored by members of our leadership team.

Our team every day reflect the Good Life values and go above and beyond for all children and their families.
