## CDPAP UPDATE

Yesterday, we were in Albany in support of CDPAP, Fiscal Intermediaries and the home care industry. Unfortunately, the Governor announced a tentative budget deal that included the transition to a single Fiscal Intermediary.

We are now hearing that the Senate and Assembly are continuing to push back against the proposal. The budget has not yet passed. This means that efforts should continue to contact legislators with the message that dismantling CDPAP is not the answer. The focus should be on working with existing fiscal intermediaries, consumers and managed long term care plans to identify ways to create efficiencies and reduce fraud, waste and abuse.

A contract with an out of state company will send taxpayer dollars out of NYS and will result in loss of thousands of jobs in NYS.
