Happy Fall and Happy Halloween to all YACB Academy of Dance Families!

We have had a great first month back. We are so proud of all of our dancers and hope they will continue to work hard in their classes. Please continue to wear masks and be respectful of the social distancing rules.

YACB has an APP that is Available for ANDROID and iPhone!!!! DOWNLOAD IT TODAY!

You can also take care of all your YACB needs through the app.
Also, don't forget about our website. www.YACBdance.com There is always tons of useful information there.

Please take a moment to verify your contact information and upload a current photo of All Dance students through the parent portal This helps our teachers and administrators see the photo during attendance and get to know your dancer's name more quickly.

We are proud of each of you for your focus and a great work ethic! Keep it up.

We have seen many Student of the Week certificates going home.

Teachers are looking for hard workers, good listeners and happy dancers each week to award these certificates!

******Teacher of the Month******

Way to go Emma Boerner. Emma has been selected as our Teacher of the Month. She is teaching many classes and has created wonderful lesson plans for her students and is very encouraging to her classes.

******Class of the Month******

Congratulations to Pointe on Wednesday. This class has a wide variety of levels and each has adjusted well to the format. Each student in class is working hard and seems eager to learn something new.

******Snack Bar******

Don't forget to check out our snack bar. We have lots of yummy treats, masks, bags, etc. All money raised helps pay for our recital in May which can cost over \$5000 in production costs.

We are accepting snack donations. Please be sure snacks are individually wrapped.

We appreciate any donations and will take them at any time.
