Evaluation Week- If your dancer is in Acro, Ballet or Technique on the week of May 11-14 there will be class evaluations during their regular class time. During class their instructors will evaluate their skills, fill out a sheet with feedback and decide what level your dancer will be placed in for next dance season. Please make sure to collect these sheets from your dancers after these classes. **Acro and Techniqie please wear all black. Ballet classes will wear normal Ballet Attire.**

Photo and Dress Rehearsal Week- On the week of May 18-22 please send your dancer to class ready for photos (in costume, makeup and hair however you want). Pictures will take place during dancers regular class time. After photos are taken, dancers will do a dress Rehearsal during class in their costumes. Information about how to order class photos will be released soon!
