

An aerial photograph of a coastal development. In the foreground, a large, flat, paved area (likely a parking lot or construction site) is visible. A small, rectangular white lot is highlighted with a yellow border and a white beam of light pointing towards it. Surrounding this area are various residential buildings, including multi-story apartment complexes and smaller houses. A body of water (a canal or lagoon) is visible to the right of the highlighted lot. In the background, a beach and the ocean are visible under a clear sky.

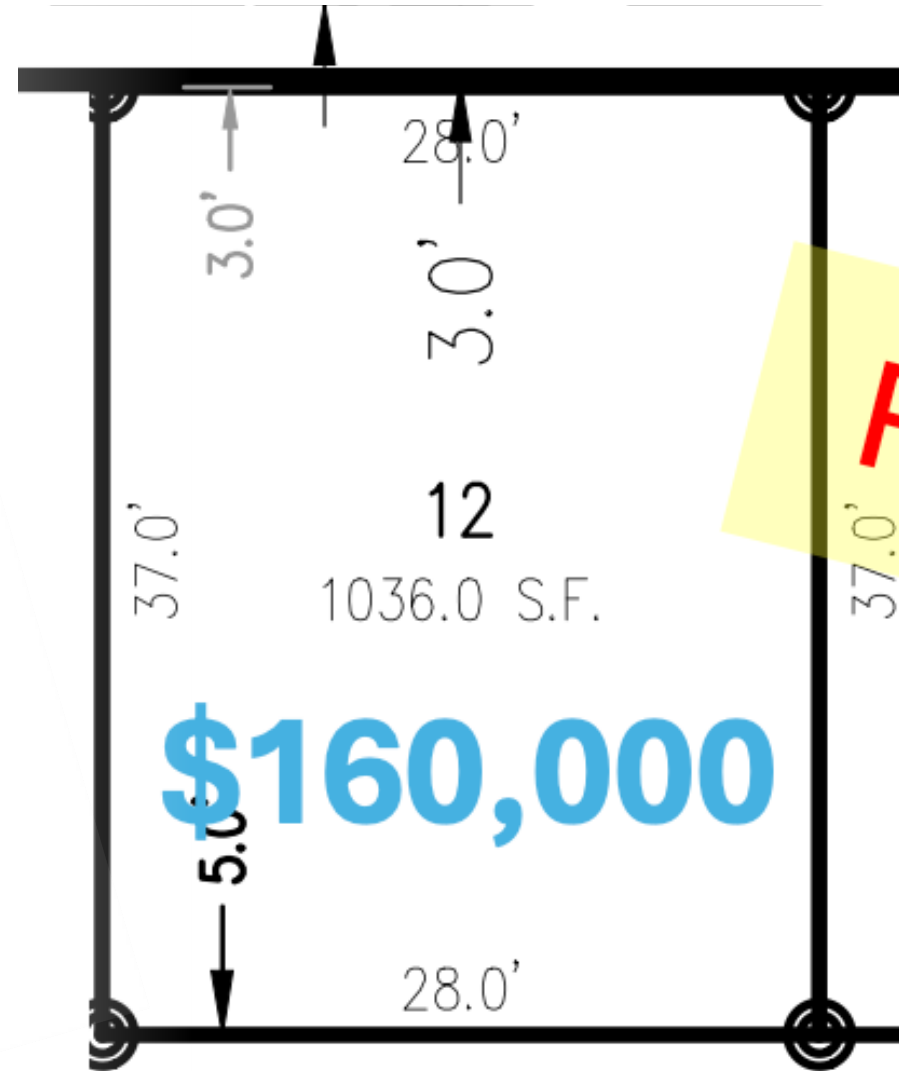

Lot 12: Single-Family Dwelling Interior
