

An aerial photograph of a residential development. In the foreground, a large, mostly empty concrete lot is highlighted with a yellow rectangle. The lot is situated on a street corner. To the left and behind the lot are several multi-story residential buildings with brown roofs and light-colored facades. To the right, there are more buildings, including some with blue facades. In the background, a beach and the ocean are visible under a clear sky. A semi-transparent white box contains the text "Lot 20: Single-Family Dwelling Streetside Lot".
