

An aerial photograph of a waterfront development. In the foreground, a large, mostly empty paved area is visible. To the right, a body of water (a canal or harbor) is bordered by a concrete wall. A small, rectangular lot at the corner of the paved area and the water is highlighted with a yellow glow and a white border. In the background, there are several rows of multi-story residential buildings with light-colored facades and brown roofs. Further back, a beach and the ocean are visible under a clear sky.
