

JM Wright Tech Car & Motorcycle Show Fundraiser

Sunday, May 21, 2023 | Rain Date: Sunday June 4, 2023

Greetings!

On behalf of the JM Wright Technical High School students, faculty and PFO we hope you will consider a donation or sponsorship for our 6th annual Car & Motorcycle Show.

This year is already gearing up to be even better! The date of this year's show is Sunday, May 21, 2023 with a rain date of Sunday, June 4, 2023.

It is time to jump into action to make this year's annual event a greater success.

We are reaching out to our past supporters, and new ones alike, in hopes that that we can count on your patronage in 2023. No donation is too big or too small.

As you may know, JM Wright Technical High School is a place where students can get their required high school education along with learning the skill of a trade. Not only are we turning out excellent students, they are problem-solvers and skilled tradespeople; a trained workforce ready to charge forth with their future in hand!

JM Wright Technical High School PFO is a volunteer organization comprised of families of current JMWT students and alumni. Our mission is to work together with the faculty, administration and the community to come together to support our students through fundraising efforts used for scholarships, student/family events, supporting teachers, student council, and any other way we are able to enhance our student's high school experience.

Your sponsorship will not only help build these programs, but also bring to the community a day full of great cars, awesome motorcycles, fun, and most of all, friends, family and alumni!

We hope you're able to join us for the day of the show held on the JM Wright Tech school campus.

Thank you for your continued support of JM Wright Technical High School!

John Goldbeck
Automotive Technology
Department Head
2023 JMWT Car Show Chair
