Information for seniors

******* To address the urgent need for straightforward money guidance, Kristen Jacks recently published "Money in Your Twenties: Getting Started." It is a highly practical guide that covers relevant topics like the 5 taxes withheld in a typical paycheck and how they are calculated. The book also teaches young people how to live within their means without doing a tedious budget. Finally, it identifies the topics young people should consider as they start their money journey (for example, credit reports and credit scores, risk management, and the best ways to save).

The book is available for purchase on Amazon here: https://smile.amazon.com/Money-Your-Twenties-Getting-Started/dp/0578610582/ref=sr_1_1?keywords=Kristen+Jacks&qid=1578535946&sr=8-1

You can also get straightforward money guidance in an interactive way on the Money in Your Twenties website (www.moneyinyourtwenties.com).
