INFORMATION FROM THE PFO AND THE SCHOOL

Who we are:

The JMWT PFO is a 501(c)3 independent organization whose sole purpose is to offer support to all JMWT students, teachers and school. Our membership is made up of parents, teachers, students and alumni. Our mission is to foster a collaborative relationship between parents/families, students and teachers in order to enhance the student's high school experience. We do this through social activities, school events, and local community events.

We **meet once a month on the 2nd Wednesday of the month in the PFO room (unless otherwise noted)**, located at the rear of the building near the bus parking.

For more information on the PFO please visit www.jmwrightpfo.org.

PFO Meetings

******* **Next PFO meeting:** June 2nd @ 6pm in the main office conference room.

The PFO has a few open positions. Please see the attached form to sign up!! We need all positions filled in order to operate smoothly and continue to support our students and faculty.

For All students

******* *The Wright Bean at J.M. Wright Technical High School. The Wright Bean was launched in March 2021 as part of the Hospitality, Tourism and Guest Services Trade. The Wright Bean beverage program provides our students with hands on experiential learning. This enables our students to simulate their own concepts and ideas while identifying consumer needs and developing marketing strategies. Furthermore, our production promotes entrepreneurship and empowerment to cultivate meaningful careers and experiences. In addition, our goal is to establish long term partnerships with small business owners, corporations, schools and leaders within the community as well as sponsorships when possible. The menu is attached. Available for curbside pickup and outside production.*

******* *Individuals 12 and up are now eligible to get the COVID vaccine in Connecticut. Go to [Connecticut's vaccine portal](#) to find locations near you.*

JMWT now has clothing donation bins!

Instead of throwing out or dropping off your old clothes & textiles for donation at gas station bins, please consider supporting J.M. Wright Technical High School at 120 Bridge Street (located at Scalzi Park). Plus, this helps our environment! 🌍

We accept all sorts of used textiles here - from old sheets and throw pillows, single socks and torn jeans, even stuffed animals and old shoes - this prevents discarded items becoming part of landfills and gives them a second life. ♻️

The bins are located at the front entrance of the school near Cubeta Field, to make it more convenient to drop off your old clothes and textiles. See the attached flyer for information on the items that can be donated.

Please share the news 🤍❤️😊

Information for juniors and seniors

To address the urgent need for straightforward money guidance, Kristen Jacks has published “Money in Your Twenties: Getting Started.” It is a highly practical guide that covers relevant topics like the 5 taxes withheld in a typical paycheck and how they are calculated. The book also teaches young people how to live within their means without doing a tedious budget. Finally, it identifies the topics young people should consider as they start their money journey (for example, credit reports and credit scores, risk management, and the best ways to save).

The book is available for purchase on Amazon here: https://smile.amazon.com/Money-Your-Twenties-Getting-Started/dp/0578610582/ref=sr_1_1?keywords=Kristen+Jacks&qid=1578535946&sr=8-1
You can also get straightforward money guidance in an interactive way on the Money in Your Twenties website (www.moneyinyourtwenties.com).
