2. The adopter grants Second Chance Dog Rescue (hereafter referred to as SCDR) the right to make periodic visits to the adopter's premises for the purpose of checking on the health and general welfare of the animal and to verify that the animal has been sterilized in accordance with the terms of this agreement. Sterilization of the animal is required under chapter 828, Health and Safety Code (State of Texas). Violation of the chapter is a criminal offense punishable as a Class C misdemeanor. \_\_\_\_\_ Initials

This includes medical checkups and routine vaccinations as well as care during illness or injury. **The adopter agrees to give heartworm preventative medications and flea/tick preventative on the 1<sup>st</sup> of every month and agrees to take animal to their vet within two weeks of adoption to get these medications.** These must be given every month for the continued health and well-being of your pet. \_\_\_\_\_ Initials
