3. You will now enter the school code, and your email address (must match the email address on file with the school). If your email address is not being accepted, please call the school to update your email address.
4. Select the "Create Account" option once all information is entered. You will then be redirected to check your email to finish the set up process.

Please contact the school office with any questions, at (918) 683-1291.
*This is only used for grades 2-8
