NEW BUSINESS:

- There will no longer be a GROUP RECORDS position. The position will be filled by the Secretary and/or the Treasurer. We do not have a Secretary at this time. A motion was made to have Judy be the Secretary for the present time until a new one might be found. Laura made the motion, seconded by Gary. All agreed. As part of the Secretary and/or Treasurer job will be to contact John, the Web Master, and Lee Ellen, the Area Group records chair and inform them of any time changes and/or GSR changes, etc.
- NOTE: Mary, Motley, Sobriety Sisters, is the GSR. This change has been taken care of and she will automatically receive the Northern Lights. (The current issue has already been sent out so it will happen with the next edition).
- NOTE: The GSR position for Mary and all the schedule changes has been forwarded to John, Webmaster, District 18. I notified him by email. Will continue to check and make sure he received this information and the changes were made.
- On June 18, District 7 will host our Delegate Pat. There will be Potluck starting at 5:30 with Pat's report from New York following. All are welcome. At this time District 18 does not know if any one group here will sponsor such an event. It was discussed that possibly Little Falls might fill out the numbers to invite Pat to give his report within our District. Laura will be taking the initiative to ask around the Little Falls meetings to see if they are interested. She would then notify Cynthia. (Hosting Pat would involve a Potluck). The Brainerd event will be at the FIRST CONGREGATIONAL UNITED CHURCH, 415 Juniper Street, Brainerd, MN. Potluck will start at 5:30 p.m. and Pat's report will immediately follow.
- NOTE: On the schedule for Little Falls, it will be added that there is a 4:00 meeting, the 3rd Sunday of every month. It is their medallion night. SPEAKER and POTLUCK will be added to the schedule.

- NOTE: From Memorial Day through Labor Day at the LAKE REGION CAMPGROUND there are 6:00 p.m. campfire meetings. 29371 MN Hwy 78, Battle Lake, Minnesota. It is a good idea to bring your own chair and soft drink.
- NOTE: Fall Assembly October 3-4 at THE LODGE AT BRAINERD LAKES.
